Cincinnati—Diamond Anniversary—See page 4

commentary

Michael R. Mallonee

In this issue you will find advance coverage of next fall's 15 Regional Conferences. The conferences will be held at various locations around the country, from Long Island, New York, to La Jolla, California, during September, October and November.

These mini-Grand Chapter Congresses, stressing the professional, educational and motivational sides of Delta Sigma Pi, will be packed full of fun and fraternalism. They will also offer undergraduates and alumni alike the opportunity to learn more about their fraternity, and to carry back to their chapters and clubs the experience that is Delta Sigma Pi. All Deltasigs should begin planning now to attend their Regional Conferences next fall.

The East Central Regional Conference will be held simultaneously with the fraternity's Diamond Anniversary celebration November 5-7, 1982. While the East Central Regional Conference will be held at the Sheraton Springdale Hotel, the national 75th Anniversary celebration will be headquartered at The Westin Hotel in downtown Cincinnati. Deltasigs around the country who are attending the Diamond Anniversary functions will also be welcome to attend many of the Regional Conference events; and many of the Regional Conference attendees will join the 75th Anniversary celebration for the gala Saturday night banquet. We hope to see many of your old and new friends from the Greater Cincinnati area—and Greater America—the weekend of November 5-7, 1982.

Elsewhere in this magazine is more complete information regarding the Diamond Anniver-

sary celebration. A full schedule of events has been planned including an optional bus tour to The Central Office in Oxford, Ohio. Special commemorative medallions and plates have been designed and will be available during registration at the Westin Hotel; these may also be ordered by mail. And a first-time ever collector's edition of The DELTASIG of Delta Sigma Pi, devoted exclusively to the Diamond Anniversary celebration and our 75 years of fraternity history, will be distributed "hot off the press" to all registrants.

Brothers, let's make this the "Year of the Rose" and go all out to support and attend our Regional Conferences and Diamond Anniversary celebration. See you there!

Fraternally,

A handwritten signature in cursive script that reads "Michael R. Mallonee".

Postmaster: Please send labels Form 3579 to Delta Sigma Pi, 330 South Campus Avenue, P.O. Box 230, Oxford, Ohio 45056-0230. The DELTASIG of Delta Sigma Pi is published four times annually in the months of November, January, March, and May. Editorial office—330 South Campus Avenue, P.O. Box 230, Oxford, Ohio 45056-0230. Subscription price \$20.00 per year. Second Class postage paid at Oxford, Ohio 45056-0230, and at additional mailing offices. The DELTASIG is printed in the U.S.A. by Compolith Graphics, Indianapolis, Indiana, and Maury Boyd and Associates, Indianapolis, Indiana.

Delta Sigma Pi DIAMOND ANNIVERSARY 1907 - 1982

The Westin Hotel at Fountain Square (photo courtesy of Westin Corporation)

November 6, 1982, is the date for all Deltasigs to mark on the calendar for on the 75th eve of the founding of our fraternity, Deltasigs from near and far will gather in Cincinnati for the National Diamond Anniversary Celebration. Little did our Founders know that, 75 years after they established Delta Sigma Pi at New York University, an international fraternity with more than 107,000 members and more than 200 chapters in North America would result.

Cincinnati, home of the Reds and the Bengals, has been chosen as the city to host the gathering of Deltasigs celebrating 75 years of Brotherhood. Situated on the banks

of the mighty Ohio River, Cincinnati is a city of contrasts. Reflecting the European heritage of many of her residents, fine restaurants, decorative buildings and squares laid out along irregularly patterned streets and numerous cultural facilities abound. Although generally considered to be a northern metropolis, Cincinnati reflects much of the south as evidenced by the riverboat sternwheelers available on the Ohio for sightseeing and for dinner cruises and the New Orleans style jazz offered by many nightspots in the Mount Adams area.

The Westin Hotel on Fountain Square will host the Diamond Anniversary of Delta Sigma Pi on the

weekend of November 6-7, 1982. The Westin offers 460 spacious guest rooms set in a contemporary 17 story tower with a four story atrium. The atrium forms a focal point of the hotel with a variety of fine shops and restaurants. In addition, the city's Skywalk, a multi-block covered walkway, connects the Westin with some of the finest shopping and dining in the Midwest.

ANNIVERSARY PROGRAM

A summarized tentative program appears in this issue of the magazine. Participants will want to arrive on Friday, November 5, 1982, or early on Saturday, November 6,

1982. Registration will open early on Saturday morning. During the late morning and afternoon hours, tour busses will leave The Westin for trips to the northwest to the city of Oxford, home of The Central Office. You will have the opportunity to tour the International Headquarters of the fraternity and to participate in special festivities.

Returning to The Westin, participants will have the opportunity to relax before the pre-banquet reception. During the reception, you will have the opportunity to meet leaders of the fraternity both past and present and to meet Deltasigs from across the land.

The Diamond Anniversary Banquet will be an elegant event and will feature a program certain to interest and touch the fraternal spirit of Deltasigs of all ages, chapters and regions. The banquet will be followed by a dance leading to the magical stroke of midnight when Delta Sigma Pi becomes 75 years old.

REGISTRATION

An advance registration form appears in this issue of the magazine.

Registration at The Westin Hotel on November 6, 1982, will cost an additional \$5.00 above the advance registration fee.

Cancellation in writing received prior to October 22, 1982, will incur a \$5.00 per person handling fee. No refund on cancellations will be made after October 22, 1982. Transfer of registration will incur a \$5.00 handling fee.

The registration fee for members includes a commemorative medalion, reception, banquet and dance.

Be in Cincinnati to share the fraternalism, to form new fraternal friendships, and to renew those which were formed over the years!

Those who register for the Diamond Anniversary Celebration will receive detailed information concerning transportation options, dress requirements, climate, available activities and other necessary details.

TRANSPORTATION

Surface transportation is available via several interstate highways including I-74, I-75 and I-71. The Greater Cincinnati Airport is served by a wide variety of commercial airlines and is located 12 miles from The Westin, with frequent limousine and taxi service.

HOTEL ROOM RATES

A block of rooms has been reserved at The Westin at group rates. Participants will want to stay at The Westin as it will serve as the hub of all Anniversary activities. Daily room rates are shown on a per person basis and are on the European Plan. Rates are quoted without tax as Ohio state sales and room taxes are currently in legislation; current rate is 9%.

Singles—\$60.00 per night.

Doubles—\$30.00 per person per night.

Triples—\$25.00 per person per night.

Quads—\$22.50 per person per night.

(Registration Form is on page 62.)

Your Business Writing

Affects Your Success

Even in our most self-satisfied moments we all admit to ourselves, at least, that our success is due to some extent to other people.

How we affect these other people—particularly through our speech and writing—determines the level of our success.

It is not surprising, therefore, that the best salesmen know how to express themselves. They know what to say to make the prospect take the desired action—like signing on the dotted line.

But, speech and writing, though the major forms of communication by civilized people, are structured differently. The cliché, “write as you speak” is only a small part of any advice on how to write better.

In a person-to-person talk we know something about the recipient of our “message” and thus we tailor it to fit. But even otherwise perspicacious people forget the recipient of a written message. Professional writers call this a failure to “write for the reader.”

In the business world, writing for the reader—whether in letters, ad-

vertising messages, or even product maintenance instructions—is a major key in getting understanding—and desirable action.

Most authorities on business writing agree on these four keys to good writing:

- (1) Plan and outline
- (2) Consider the reader
- (3) Use short sentences and simple words
- (4) Be critical of your writing

MAKE A BLUEPRINT

Although a builder would not consider going ahead with the construction of even a simple structure until the architect had given him approved plans, many executives start writing without the hope of an organizational structure. Yet, such a plan is a “road map” for the piece of writing. Unless it is well developed and organized, the letter, memo, or other written communication will not “arrive” at the destination.

A written outline of what you want to say is necessary. Make an outline. Every type of writing has

its own structure. A report, for example, is a specialized form of expository writings whose order should be apparent through section headings, subheadings, and even numbered paragraphs.

The detailed planning should not be hurried. Professional writers point out that after making an outline, the writer should temporarily forget about the writing. Go on to something else. This is suggested for all major writing projects—long memos, reports, proposals and other presentations. It is important that you do not write after your mind is apparently primed for it. Psychologists agree.

A lapse of even a few hours will help produce better writing. During this unproductive time, your subconscious will be “working” on the memo or report. Finally, when you sit down to write, you will find it much easier than you had anticipated.

YOU MUST CONSIDER THE READER

To write well, you must consider

your typical reader and write for him or her. The typical business reader is not interested in impeccable grammar. (He or she is just as hazy about the many "rules" as you are). Readers are interested in information—briefly and interestingly told.

You must present your information to suit the demands of your reader. You are writing for him or her—not for yourself.

Here are some of the specific things you must do:

(1) **CONSIDER YOUR READER'S "IGNORANCE"**—Business specialists have a tendency to assume a greater stock of knowledge than the typical reader possesses.

(2) **GIVE YOUR READER INFORMATION**—Business readers are serious people who read solely for information. Not for entertainment. Not to kill time.

(3) **TELL YOUR STORY QUICKLY**—Your reader is a busy person. Use summary-type reports. Write concise memos. Don't dramatize—summarize. Don't expand—condense.

(4) **MAKE YOUR "STORY" EASY TO READ**—Two easy ways: Use short words. Use short sentences. Short sentences help prevent grammatical errors.

(5) **BE CLEAR, CONCISE**—Clear writing can be obtained chiefly through simplicity and precision. Feed information to your reader in small doses. Otherwise, the reader will get "mental indigestion." Conciseness can be obtained through planning and outlining. It reveals redundancy.

(6) **SEE IT FROM THE READER'S VIEWPOINT**—Who cares what you think? Unless you are writing an opinion report, which is based on your professional and technical expertise, keep your feelings out of your writing. Look at your presentation from your reader's self-interest.

USE SHORT SENTENCES

Use of short sentences is one of the professional writer's "tricks-of-the-trade." It's the greatest single aid to understandable writing. It

permits the spacing of ideas. As sentences become longer, relationships between words become less clear. Such sentences are difficult to understand. They often lead to errors in grammar.

The consensus of language experts is that when sentences run over 25 words, meanings are difficult to grasp. Sentences of 10 to 15 words are easy to read.

To measure the readability of your writing, pick several blocks of seven sentences at random throughout your manuscript. Average the sentence lengths of each block of seven. Then average the average of each block. A sentence of over 25 words can often be cut into two shorter ones.

Because of misplaced deference to convention, many bookish formalistic and legalistic words and phrases creep into our writing. Substitute "action" words. For example:

AVOID	USE INSTEAD
with respect to	for, about
effectuate	carry out
ascertain	find out, learn
in the nature of	like
for the purpose of	for
in view of the fact	because, since
subsequently	after

BE CRITICAL

Being critical of your writing is the fourth key to good presentation. This involves more than a mere reading over and insertion of a comma or the substitution of a better word.

After you have written the first draft, read it over several times to get the "feel" of it. Are you telling a story? Simply? Read it again. Look for poor sentences, lack of topic sentences and obvious errors in grammar.

If you do this, your readers (bosses, customers, and others you want to influence) will love you.

The memos, letters, report, proposals and agreements that you write and send out reflect on your firm—and you. Hence the need for good writing. Despite the wide use of the telephone, letters are still important in the business world.

If your letters are couched in 1890-style language, they do an in-

justice not only to you, but to your firm. You want your letters and other written and printed communications to indicate to the recipient that yours is a modern, progressive firm, managed and staffed by people who are in the forefront of the technologies of your area.

Modern letters are more direct, more concisely written, pay more attention to the desires of the reader and generally sound more genuine than the stylized pre-World War II letters.

However, most firms still have not recognized the need for a correspondence editor or annotator to exercise quality surveillance of the company's letters and presentations. So, if writers want to assure themselves that their written output is up to standard, they will have to criticize their own writing on their own. (A good idea; give your subordinate encouragement to criticize your letters. After all, two heads are . . .). Every letter you write should be:

- (1) Courteous
- (2) Brief
- (3) Helpful
- (4) Friendly

Any letter that will run more than one page should be planned—outlined at least mentally if the "story" you plan to tell is simple.

Overall, anything written by you or printed with your name or that of your firm—from a business card to a fancy sales brochure—reflects on you and your firm.

If the message is poorly presented or difficult to understand, you have short-changed yourself of an opportunity to sell something, be of service to somebody, or influence somebody. Good writing reflects on you and is part of the "know-how" that your employer is buying with the periodic paychecks you get. Your writing does affect other people, and thus affects your personal and business success. Any improvement you make is money in the bank.

SENIOR ADVISORY COUNCIL

To serve in an advisory capacity to the Grand President, National Executive Committee and Board of Directors and to assume special assignments or studies.

CHAIRMAN: Charles L. Farrar, 9424 Goodwood Boulevard, Baton Rouge, LA 70815

MEMBERS: Harold L. Cannon, 216 Menands Road, Loudonville, NY 12211; Ralph C. Hook, Jr., 311 Ohua Avenue, Apt. 11-D, Honolulu, HI 96815; M. John Marko, 1720 Clarendon Drive, Greensboro, NC 27410; R. Nelson Mitchell, 7206 Fairfield Drive, Santa Rosa, CA 95405; Thomas M. Mocella, 1024 Skylark Drive, Palatine, IL 60067; Kenneth B. White, P.O. Box 31003, Dallas, TX 75231

COMMITTEE ON PROFESSIONALISM

To promote the professional focus of the fraternity and professional programs in the chapters and to promote community service among the chapters and alumni clubs.

CHAIRMAN: Marc P. Franson, Gamble, Riepe, Burt, Webster & Davis, 2600 Ruan Center, Des Moines, IA 50309

MEMBERS: Kurt W. Boveington, 147 Plumwood Road, Apt. 303, Dayton, OH 45409; David D. Brzozowski, 199 Rosemont Drive, Apt. 8, Coraopolis, PA 15108; Eugene Conrad, 604 East Buchetell Avenue, Akron, OH 44304; John V. Henik, 5413 Buchanan Street, Merrillville, IN 46410; Barry A. Kleypas, 3853 Old Post Road, San Angelo, TX 76901; C. Lee Myers, 7001 Wren Lane, Lanham, MD 20706; Garry R. Spencer, 508 Douglas MacArthur, NW, Albuquerque, NM 87107

COMMITTEE ON MEMBERSHIP

To assist chapters in being as productive as possible in recruiting new members through the development of promotional materials and study of areas related to membership.

CHAIRMAN: Jeffrey L. Philippi, 952 S. 23rd, Apt. 211, Richmond, IN 47374

MEMBERS: Kurt W. Boveington, 147 Plumwood Road, Apt. 303, Dayton, OH 45409; David A. Brumbaugh, 5 Duckford Circle, Nashua, NH 03063; C. Dean Ferguson, 3149 Bobolink Drive, Decatur, GA 30032; Barry A. Kleypas, 3853 Old Post Road, San Angelo, TX 76901; Joe S. Loomis, P.O. Box 2053, El Macero, CA 95618

COMMITTEE ON COMPUTERIZATION OF THE CHAPTER EFFICIENCY INDEX

To study the computerization of all operations within The Central Office especially the Chapter Efficiency Index.

CHAIRMAN: John C. Blackshire, Jr., 2450 Sheila Lane, Marietta, GA 30062

MEMBERS: Michael L. Marcotte, 2730 Chautauqua, Apt. 233, Norman, OK 73069; Michael M. Mazur, Jr., P.O. Box 230, Oxford, OH 45056-0230

COMMITTEE ON LEADERSHIP DEVELOPMENT

To develop educational programs for volunteer national officers and for potential national officers through publications and workshops.

CHAIRMAN: Richard J. Parnitzke, 214 Capen Boulevard, Eggertsville, NY 14226

MEMBERS: Marilyn R. Doskey, 6208 Milne Boulevard, New Orleans, LA 71024; Marc P. Franson, Gamble, Riepe, Burt, Webster & Davis, 2600 Ruan Center, Des Moines, IA 50309; Albert S. Gordon, 422 Albemarle Road, Cedarhurst, NY 11516; Randy L. Hultz, 415 S. Baltimore, Kirksville, MO 63501; Elaine M. Norton, P.O. 100733, Ft. Lauderdale, FL 33310; Jeffrey L. Philippi, 952 S. 23rd, Apt. 211, Richmond, IN 47374; Loren A. Poucher, 11718 Oban Avenue, Tampa, FL 33617; Mark A. Roberts, P.O. Box 230, Oxford, OH 45056-0230; Michael T. Walsh, P.O. Box 230, Oxford, OH 45056-0230

DIRECTORY

NATIONAL AND SPECIAL TASK COMMITTEES

COMMITTEE ON EXPANSION AND REACTIVATION

To promote efforts to reactivate inactive chapters where favorable and to encourage the establishment of chapters at universities where one does not exist by volunteers working in conjunction with The Central Office.

CHAIRMAN: William W. Tatum, Jr., P.O. Box 2082, El Macero, CA 95618

MEMBERS: Dan R. Harrington, 4146 Humboldt, North, Minneapolis, MN 55412; William T. Kelly, 722 Monterey Drive, Hattiesburg, MS 39401; William J. Nelson, Jr., 1535½ Third Street, Portsmouth, OH 45662; Richard J. Parnitzke, 214 Capen Boulevard, Eggertsville, NY 14226; Mark A. Roberts, P.O. Box 230, Oxford, OH 45056-0230; Carolyn S. Walsh, 639 W. Chestnut Street, Apt. 10, Oxford, OH 45056

COMMITTEE ON DIAMOND ANNIVERSARY

To determine appropriate ceremonies and celebrations and other commemorative actions to observe the 75th Anniversary of the fraternity in 1982.

CHAIRMAN: Thomas M. Mocella, 1024 Skylark Drive, Palatine, IL 60067

MEMBERS: Anthony Z. Fernandez, 5929 N. Nina Street, Norwood Park, IL 60631; Michael J. Mazur, Jr., P.O. Box 230, Oxford, OH 45056-0230; William J. Nelson, Jr., 1535½ Third Street, Portsmouth, OH 45662

COMMITTEE ON CONSTITUTIONAL REVISIONS

To examine the National Constitution and Bylaws to clarify any ambiguities or discrepancies, to recommend change by amendment where appropriate and to examine a new code of regulations in relation to federal and state corporate regulations.

CHAIRMAN: William R. Leonard, Globe Corporation, 3634 Civic Center Plaza, Scottsdale, AZ 85281

MEMBERS: James F. Deaton, Star Route, Welty, OK 74882; Marilyn R. Doskey, 6208 Milne Boulevard, New Orleans, LA 71024; Timothy D. Govér, School of Business, EIU, Charleston, IL 61920; David L. Hahn, 5312 Cal Avenue, SE, Albuquerque, NM 87108; Michael W. Moegenburg, 2720 S. 16th Street, Sheboygan, WI 53081

COMMITTEE ON ADMINISTRATIVE RESTRUCTURING

To examine the governing structure of the fraternity and recommend change, if needed, to simplify and strengthen the governing of the fraternity.

CHAIRMAN: Jeffrey L. Philippi, 952 S. 23rd, Apt. 211, Richmond, IN 47374

MEMBERS: Frank M. Busch, Jr., Box 3004 Tech Station, Ruston, LA 71270; Anthony Z. Fernandez, 5929 N. Nina Street, Norwood Park, IL 60631; Michael M. Johnson, Box 452-Route 2, Shannondale, Harpers Ferry, WV 25425; Barry A. Kleypas, 3853 Old Post Road, San Angelo, TX 76901; Daniel W. LaFont, 810 Liberty Street, Houma, LA 70360; William R. Leonard, Globe Corporation, 3634 Civic Center Plaza, Scottsdale, AZ 85251; Joe S. Loomis, P.O. Box 2053, El Macero, CA 95618; William J. Nelson, Jr., 1535½ Third Street, Portsmouth, OH 45662; Richard J. Parnitzke, 214 Capen Boulevard, Eggertsville, NY 14226; William W. Tatum, Jr., P.O. Box 2082, El Macero, CA 95618; Jere W. White, P.O. Box 230, Oxford, OH 45056-0230

COMMITTEE ON LONG RANGE FINANCIAL PLANNING

To study long range financial needs and solutions for the fraternity.

CHAIRMAN: Michael M. Johnson, Box 452-Route 2, Shannondale, Harpers Ferry, WV 25425

MEMBERS: Albert S. Gordon, 422 Albemarle Road, Cedarhurst, NY 11516; David G. Jones, 102 Shipley Drive, Lafayette, LA 70503; William R. Leonard, Globe Corporation, 3634 Civic Center Plaza, Scottsdale, AZ 85251; Keith N. Masuda, 3237 15th Avenue, S., Apt. 15, Minneapolis, MN 55407; Michael J. Mazur, Jr., P.O. Box 230, Oxford, OH 45056-0230; Samuel F. Shaheen, 2708 Clearview, NW, Canton, OH 44718; William W. Tatum, Jr., P.O. Box 2082, El Macero, CA 95618

COMMITTEE ON NATIONAL ENDOWMENT FUND LOAN REVIEW

To serve as a review board on applications for loans from the National Endowment Fund of the fraternity.

CHAIRMAN: Marilyn R. Doskey, 6208 Milne Boulevard, New Orleans, LA 70124

MEMBERS: Marc P. Franson, Gamble, Riepe, Burt, Webster & Davis, 2600 Ruan Center, Des Moines, IA 50309; Albert S. Gordon, 422 Albemarle Road, Cedarhurst, NY 11516; Richard J. Parnitzke, 214 Capen Boulevard, Eggertsville, NY 14226; William W. Tatum, Jr., P.O. Box 2082, El Macero, CA 95618

COMMITTEE ON THE HISTORY OF THE FRATERNITY

To conduct research and to develop a comprehensive history of the International Fraternity of Delta Sigma Pi.

CHAIRMAN: James L. Prescott, 4901 N. Marmora, Chicago, IL 60630

MEMBERS: Charles L. Farrar, 9424 Goodwood Boulevard, Baton Rouge, LA 70815; Anthony Z. Fernandez, 5929 N. Nina Street, Norwood Park, IL 60631; Thomas M. Mocella, 1024 Skylark Drive, Palatine, IL 60067

COMMITTEE ON RITUAL REVISION

To study and make recommendations on changes or additions to the Ritual of the fraternity.

CHAIRMAN: Anthony Z. Fernandez, 5929 N. Nina Street, Norwood Park, IL 60631

MEMBERS: Linda S. Beckett, 2101 Grandin Road, Apt. 707, Cincinnati, OH 45208; Robert M. Drewniak, 565 River Oak Way, Lawrenceville, GA 30245; Marc P. Franson, Gamble, Riepe, Burt, Webster & Davis, 2600 Ruan Center, Des Moines, IA 50309; Michael T. Walsh, P.O. Box 230, Oxford, OH 45056-0230

COMMITTEE ON SUNSHINE POLICIES

To examine what policies or procedures, if any, should be modified to keep fraternity members fully apprised of the activities of the fraternity nationwide and of actions of the Board of Directors and the National Executive Committee.

CHAIRMAN: Daniel W. LaFont, 810 Liberty Street, Houma, LA 70360

MEMBERS: Lyn M. Ahlgrim, 1902 9th Street, Lake Charles, LA 70601; Carl Brown, P.O. Box 13105, Phoenix, AZ 85002; Barry C. Melancon, 9 South Belle Court, Houma, LA 70360; Gus W. Schram III, 3520 Lake Street, Lake Charles, LA 70605; Samuel F. Shaheen, 2708 Clearview, NW, Canton, OH 44718

Committees

Continued

COMMITTEE ON INVESTMENT ADVISORY

To study and make recommendations on the investment policies of the fraternity.

CHAIRMAN: William W. Tatum, Jr., P.O. Box 2082, El Macero, CA 95618

MEMBERS: Michael J. Mazur, Jr., P.O. Box 230, Oxford, OH 45056-0230; Richard J. Parnitzke, 214 Capen Boulevard, Eggertsville, NY 14226; Gus W. Schram III, 3520 Lake Street, Lake Charles, LA 70605; (Advisory) Loren A. Poucher, 11718 Oban Avenue, Tampa, FL 33617; (Advisory) John D. Richardson, 1731 Mission Hills Road, Northbrook, IL 60062; (Advisory) Samuel F. Shaheen, 2708 Clearview, NW, Canton, OH 44718

COMMITTEE ON HAZING INFRACTIONS

To monitor and review any and all violations of the fraternity's regulations against physical and mental hazing. The formation of this committee was requested by resolution of the delegates to the 33rd Grand Chapter Congress.

CHAIRMAN: Gulf South Region—Marilyn R. Doskey, 6208 Milne Boulevard, New Orleans, LA 71024

MEMBERS: Western Region—Susan J. Feldmeir, Box 9457 Menlo College, Menlo Park, CA 94025; Central Region—Leo A. Garcia, 384 Eileen Drive, Bloomfield Hills, MI 48013; Eastern Region—Albert S. Gordon, 422 Albemarle Road, Cedarhurst, NY 11516; Intermountain Region—David L. Hahn, 5312 Coal Avenue, SE, Albuquerque, NM 87108; North Central Region—Dan R. Harrington, 4146 Humboldt, North, Minneapolis, MN 55412; Southeastern Region—Sharon D. Hundley, 123 Mockingbird Drive, Lexington, SC 29072; Mideastern Region—Joseph Krupka, 103-B Taylor Avenue, East Brunswick, NJ 08816; South Central Region—Monroe M. Landreth, Jr., 100 Placid Place, Charlotte, NC 28211; Southern Region—J. Alfred Moroni, FSC, 650 E. Parkway South, CBC, Memphis, TN 38104; South Atlantic Region—Megan A. Poucher, 11718 Oban Avenue, Tampa, FL 33617; Midwestern Region—Dennis G. Sartain, 10369 N. Cherry, Kansas City, MO 64155; Southwestern Region—Victor A. Tabor, 3500 Tangle Brush Drive, Apt. 18, The Woodlands, TX 77380; East Central Region—Carolyn S. Walsh, 639 W. Chestnut Street, Apt. 10, Oxford, OH 45056; Great Lakes Region—Stephen J. Wlodarski, 117 N. Hamilton, Lockport, IL 60441

COMMITTEE ON LEGAL ADVICE TO CHAPTERS

To serve as an advisory team to chapters having legal questions.

CHAIRMAN: James F. Deaton, Star Route, Welty, OK 74882

MEMBERS: Marc P. Franson, Gamble, Riepe, Burt, Webster & Davis, 2600 Ruan Center, Des Moines, IA 50309; Robert T. Nall, 2701 E. Thomas, Suite F, Phoenix, AZ 85016; Ernest J. White, 424 S. Washington Street, Alexandria, VA 22314

OFFICIAL NOTICE

National Executive Committee Meeting

Year-End Meeting
The Holiday Inn- North
Indianapolis, Indiana
August 6, 7, 8, 1982

alumni in action

BALTIMORE

The first half of our fiscal year has proven to be extremely successful for the Baltimore Alumni Club. Since September, 1981, we have held four business meetings with a professional program at each meeting. At our September meeting we were honored to have Robert W. Lindsay, vice president of the Noxell Corporation, compare the business environment that confronts businessmen today. At our October meeting, we were pleased to have Dulaney Foster, Esquire, former judge of the Supreme Bench of Baltimore City, discuss individuals in Baltimore's past who played important roles in shaping the destiny of our great city. At November's meeting we were delighted to have Isaiah Fletcher discuss the political and economic policies of the Reagan Administration. In January we were fortunate to have Ben Laden, Vice President and Chief Economist at T. Rowe Price and Associates, Incorporated, speak on Reaganomics and its effect on inflation and unemployment in today's economy.

A combination of contacting over 500 Brothers in the Baltimore Metropolitan area and our aggressive professional program has resulted in an almost 100% increase in dues-paying members over the prior year.

Our chapter planned to continue these monthly meetings until May of 1982.

—James P. Randisi

CHICAGO

Next month not only marks the end of another fiscal year but also marks the end to my term as club president. As the only individual in club history to be elected president three times, I look back on my terms of office with a feeling of accomplishment. We have been increasingly successful in attracting recent graduates and we now have a balanced membership. Our club is made up of large numbers who are in their 20's, 40's and 60's. Our membership comes from two dozen chapters from across the U.S., and we are growing. Our program of activities is reviewed each year to make sure that we don't fall into the habit of just repeating what was done before. Our goal is to have something for everyone. Many of our functions include spouses or dates. So, yes, I feel my terms in office were beneficial and I am confident that my successor will prove

equal to the task.

June 3 is our annual Golf Outing and Election. Only dues paid club members will be allowed to vote, so please send in your dues payment of \$12.50 for the 1981-82 year now if you haven't already done so. As usual, elections for new club officers and directors will follow the dinner in the evening. Early reservations for golf and dinner are needed.

And don't forget what is just around the corner. October will see another great regional conference in which we will also be celebrating the 75th Anniversary of the founding of Delta Sigma Pi. A national celebration is planned for November in Cincinnati. I'll be at both. Will you?

Again, thanks for the opportunity to serve. There was plenty of work to be done, but many moments that made it all worth while. Your active support of the new administration will make their jobs much easier. I'll do everything I can to help; I am sure you will too.

—James L. Prescott

CINCINNATI

The Cincinnati Alumni Club has had a very busy spring of 1982. Once the social calendar was set at the Alumni Recall in January, we just took off. February found the Cincinnati Alums pounding the racquetball courts at Pat Matson's. Afterwards, everyone enjoyed pizza, beer, and stories of their conquests on the courts.

St. Patrick's Day came late for the Cincinnati Alumni Club this year! Due to scheduling conflicts, the party wasn't held until March 27 at Larry Lusby's "River Estate," but that didn't dim anyone's spirit. Everyone sported green for the event.

The Cincinnati Alumni Club invited graduating seniors from the four area undergraduate chapters to our annual Wine and Cheese Party. This year it was held on April 17. The annual party is our recruiting event, a way to show undergraduate Deltasigs that there still is life after graduation for a Deltasig! Through our slide show and conversations with us, they learn more about what a Delta Sigma Pi Alumni Club is all about.

We are looking forward to our elections in May, a trip to Latonia Race Track in June, and the Pool Party and Steak Fry in July at Amy Poynter's. The 1981-82 year has gone by quickly for the Executive Committee, and we would like to wish the best to the newly

elected committee. We only hope they have the success and fun we had in running the Cincinnati Alumni Club for the 1982-83 year.

—Amy A. Poynter

COLUMBIA, SOUTH CAROLINA

Spring of 1982 was a great success for the Columbia Alumni Club. We kicked things off on Saturday, February 20, with our second annual Casino Night at the Essex Park Clubhouse. It was by far our most successful event of the spring, with nearly 200 people in attendance.

More than 30 alumni, along with their spouses and dates, attended the annual Rose Dance put on by the undergraduate Beta Gamma Chapter at the University of South Carolina on Saturday, April 3. Finally, the annual alumni picnic held on Saturday, April 27, was a big success despite the bad weather we endured that day.

Our membership drive during 1981-82 netted us over 70 alumni. We hope to have as many as 100 dues-paying alumni during the 1982-83 year. Dues are \$15.00 and should be made payable to the "Columbia Alumni Club." Remit all payments to our President, Terry Hundley, 123 Mockingbird Drive, Lexington, SC 29072: (H) 803 359-7457 and (W) 803 256-4949.

Best wishes to all Brothers of Delta Sigma Pi for an enjoyable summer!

—Dennis J. O'Keefe

DENVER

A bit of "old news" and some "good news" to keep everyone posted. Our September, 1981, meeting was held in conjunction with the Hotel and Restaurant Management School members of the fraternity, and 36 people came out. In November we had an outstanding Founders' Day and Reunion celebration for the 82 people in attendance. We are fortunate that our host, J. Bernard Haug, is a member and so we get the finest meals anywhere for half price; this one was a Prime Rib affair with five courses, and wine supplied by members Don Drake and Phil Konsella! The best part of the affair was the representation of 10 chapters among the alumni, 10 undergraduates of the Alpha Rho Chapter at Colorado University and five from Alpha Nu Chapter at Denver University. We encourage a close contact with the undergraduates in the area and, like other clubs, offer a one year non-voting

alumni in action

membership to any graduating member.

Our attendance levels off in the cold months and December was normal with 21 out to hear a talk on energy, one of the prime subjects in this part of the country, since over 10 per cent of the jobs are energy related and growing. January is always fun as we feature the psychic predictions of yours truly and three featured speakers giving their ideas on the coming year; Bob Leary of Creighton, Ernie Breeden of Southern California and George Koustas, a guest who is responsible for moving 11 million dollars worth of land development in the area . . . both his Brothers Tom and Gus are members from Alpha Nu Chapter! Thirty-four members made it which broke the records for any January meeting in my memory! At the end of 1981 our membership was just short of the present number—over 130—and 21 chapters are represented! This was a direct result of using The Central Office's list of alumni in the area and it took five years to work it around to fruition. We are presently completing a three-year task and sending The Central Office over 400 "lost member" addresses! We meet the first Thursday of the month, "Try Us—You'll Like It."

—Fred O. Jeffries

HARTFORD

The Hartford Alumni Club has been busy during the past few months. The Membership Committee has been working diligently to expand our membership. It was rewarding to see many new and old faces at our recent January and March meetings, which were held at the 36 Lewis Street Restaurant in downtown Hartford. We look forward to seeing more new faces at all our events. Activities planned for the upcoming months include a golf outing, picnic and business meeting. We would welcome the attendance of all alumni in the area at these events. Also, all graduates who will be residing in the Hartford area are encouraged to get in touch with the officers listed, either by mail or telephone, to let us know that you are in the area. Please contact Jim Mahoney, president, Box 486, Cherry Lane, Durham, CT 06422, (203) 349-8378; Sheldon Paul, District Director, 103 Abbottsford Avenue, West Hartford, CT 06110, (203) 527-8009; or Tom Gorzkowski, Treasurer, 590 Nott Street, Wethersfield, CT 06109, (203) 529-5308.

Recently members have joined the

Theta Iota Chapter at the University of Connecticut for their spring initiation and annual spring semi-formal.

We invite all Deltasigs in the Hartford area to come and join us as we wish all to continue the fraternalism begun as undergraduates.

—Thomas W. Gorzkowski

HOUSTON

Do you live in Houston? Thinking about moving to Houston? Are you bored with your daily routines? Need some new excitement in your life? THEN, the Houston Alumni Club is for YOU! Here in Houston, things are changing every day and the Houston Alumni Club is meeting and challenging those changes. We have had a very busy and rewarding year so far.

The Houston Alumni Club's 12th Annual Softball Tournament in March was a huge success and lots of fun. Sixteen teams from all over Texas participated in the event and the feeling of sportsmanship and Brotherhood engulfed us. For those of you who missed the softball tournament, you missed the experience of your lifetime! For those of us who did attend, it was a weekend that will fill our minds with memories forever.

The alumni club attended the Basketball Tournament at North Texas State and even though we came home sore and bruised, the weekend was a blast.

The April Fool's Day barbeque held at Brother Dunlap's home turned into an afternoon to remember. Great food, drink, and friends combined to make this event a success.

The alumni club has many events of its own, but we also share our Brotherhood with the Eta Psi Chapter at the University of Houston. Among these events are their pledge acceptance night, their Houston Festival fund raiser, and their initiation and banquet. I don't think there's a more beautiful moment than when the initiation of new Brothers is shared by all.

The alumni club has its share of initiating new Brothers, also. Our club is very active in the "Initiation and Reactivation" program of the fraternity. Come help us spread "Delta Sigma Pi Fever" with others.

Again I ask, are you bored? I hope I have managed to show you the alumni club is for you! We welcome every Brother new to the Houston area or any Brother who has swayed from the fraternity to join us. Our meetings are held every second Tuesday of the month

at Richmond Steak and Ale Restaurant. If you have any questions, please contact our president, Brother Vic Tabor, 3500 Tangle Brush Drive, Apt. 18, The Woodlands, Texas 77380, (713) 363-1444 home: (713) 363-5641 work. We look forward to hearing from you soon.

In closing, I just want to say we in Houston hope all alumni clubs are having a successful year and are fulfilling the goals you've set.

—Mary Anne Hamlin

INDIANAPOLIS

This spring finds the Brothers of the Indianapolis Area Alumni Club both digging out and winding down from one of the busiest club years ever.

The 1981-82 operating year was the first in recent memory where some sort of club event was offered every month of the year. Central Indiana Brothers enjoyed a variety of club activities designed to suit everyone's taste while keeping one important goal in mind throughout: continuing the fun and fellowship that Delta Sigma Pi is all about.

We certainly did a lot during the past year! We had both a card party and a tax party (April 15, of course), we went to a Pacers' basketball as well as a Checkers' hockey game and we hosted Grand President Mike Mallonee at one of our meetings to name just a few. But we have saved the most important event of the season for last.

Our Rush Picnic for newly-graduated Deltasigs will be held Saturday, June 20, at 2:00 P.M. at Eagle Creek Park on the west side of Indianapolis. Club members, look for details in this month's club newsletter. New graduates moving to Central Indiana, we want you there! To reserve your part of the fun is simple: just call Don Stump at (317) 925-0060, Paul Guckenberger at (317) 298-8459, or Rich Garber at (317) 297-1942 for full details. Be there or we will just have to have all the fun and eat all the food without you!

—Richard M. Garber

MILWAUKEE

We are proud of our five years as a chartered alumni club. During this period we have maintained an average of about 300 paid-up local members and a substantial number of Life Members. Each year we have maintained a schedule of Sports Night in September, Professional Night in November, a March

alumni in action

St. Patrick's Dinner Party, Founders' Day in May, and a Summer Theater Party.

One of the goals of the alumni club was to reactivate Delta Chapter at Marquette University. This was accomplished in 1979, and they now have 50 active members. Ninety-five members have been initiated since the chapter was reactivated.

Effort is now underway to establish a chapter at the University of Wisconsin-Milwaukee.

A monthly noon luncheon on the third Monday has taken place regularly, dating back several years before Milwaukee became a chartered club. It has become the homecoming center for members located in distant places, as well as a place for local members who cannot attend regularly to stop in occasionally. There is always a nucleus of old timers present to converse with even though there may not be a guest speaker every month.

The monthly noon luncheon is usually held at the Seventy-Six Club, 304 North 76th Street, Wauwatosa, telephone number: 774-7676. To be sure of no change in meeting place, call co-chairmen Robert Neimon, 476-2316, or Gene Schramka, 464-4040, before dropping in.

There was an excellent turnout including wives for the December noon luncheon held at North Hills Country Club, at which Ralph Zaun, President, Grafton State Bank and last year's recipient of the Outstanding Citizen Award, City of Grafton, presented a travelogue on Egypt. He has become an expert on Egyptian history through his several business and pleasure trips to Egypt. He was present during the days before and after Sadat's assassination.

Be a member of the Milwaukee Alumni Club and receive news about members and events. Write to P.O. Box 635, Hales Corners, Wisconsin 53130. A 1982 addendum to our 1981 roster that listed over 300 members is being prepared, listing new members and changes of address. Both are available for your asking.

—Milton A. Kassner

MINNEAPOLIS-TWIN CITIES

The Twin Cities Alumni Association has been meeting every other month for business meetings and on the alternate months for social gatherings. We wish to thank the Cincinnati Bengals and the San Francisco Forty Niners as well as the Brothers and guests attending our

Super Bowl Party for providing entertainment for the event.

Because our education in business continues after graduation from college, we are continuing professional activities in our business meetings. A brief professional development program is presented followed by presentations by several Brothers on their careers, businesses and professional interests. Not only do we enhance our own knowledge of business, but we provide undergraduates with opportunities to learn more about jobs and careers in the business world.

Future events will include a Career Night Party for the undergraduates of Alpha Epsilon, Theta Tau, and Epsilon Iota Chapters and the eighth annual Pig Roast as well as the business meetings.

Brothers interested in participating can contact us at: Twin Cities Alumni Association, c/o John Dixon, 6008 Wooddale Avenue, S., Edina, MN 55424.

—Joel Erlandson

NEW ORLEANS-CRESCENT CITY

As another academic year comes to a close, we at the Crescent City Alumni Club will not slow down our activities due to the summer break. Plans are to intensify our efforts to make us one of the strongest alumni clubs in the Gulf South Region.

During the past year the CCAC has seen a substantial increase in membership, activities, fund raising projects and a closer working relationship with the local undergraduate chapters.

While our social scene started off slowly, we came on strong at the year's end. At each event attendance drastically increased and lasted into the wee hours of the morning. Our summer plans will include our Seafood Party, picnic, other summer related events and the ever popular Ft. Walton Beach Blowout. Our thanks to Genie Dellsperger for a fine job. This year we saw two new events, our City-Wide Founders' Day Dance and our Invitational Basketball Tournament Dance, both proving quite successful.

Spring is not only a change in the weather, but also a change in our leadership. Our new officers will need the help and support of each of us to have another successful year with the club.

If anyone in the Crescent City area desires more information concerning our club's activities, please feel free to contact me either at work 504-561-4495 or

at home 504-885-9488 or write me at 813 Carnation Avenue, Metairie, LA 70001.

—Terrell F. Ford

NEW YORK-METROPOLITAN

The New York-Metropolitan Alumni Club congratulates the graduating seniors in the area. Please feel free to give us a call and join us in some of our activities.

The winter activities proved to be high spirited. The Deltasigs had an enjoyable evening at Rockefeller Center at our Ice Skating Party. We were able to take in a Broadway show, "Woman of the Year" (an encouragement for the all-male chapters!).

On a more serious side, we are continuing to improve business professionalism. We now plan to form an investment club. With a group pooling our money, we hope to take advantage of better interest rates than we could obtain individually.

Currently the New York Metropolitan Alumni Club is accumulating a file on all of our members. The listing includes company, position and business activities. We hope this will aid the many job seekers expected to be knocking on corporate doors.

We were very excited to be able to attend the installation of Kappa Rho Chapter at Adelphi University. We wish them the best of luck and look forward to sharing Brotherhood in the future.

If any Deltasig is moving into the area, please let us know. We'd love to have you join in. Call or write Maureen Vanacore, president, 275 Taylor Avenue, Levittown, NY 11756, Home 516-731-6751, Business 212-623-1452.

—Carol A. Galimberti

NORMAN-OKLAHOMA CITY

Since this is the last issue of The DELTASIG for this academic season, we in the Norman-Oklahoma City Alumni Club would like to remind graduating seniors to give us a call and let us know that you are interested in becoming affiliated with the alumni club.

Also, I have recently been in touch with several of the Tulsa area alumni, who are interested in getting monthly meetings of the Tulsa Alumni Club going again, so if you happen to be moving to Tulsa, or are already working there, be sure to get in touch with that group. To find out more about the Tulsa Alumni Club, call Rob Suchland at (918) 749-

alumni in action

1567, Maureen Kiely at (918) 583-9190, or Doug Morgan at (918) 341-8257. In Oklahoma City or Norman, call Gina or Jim Burns at (405) 360-0864, or Michael Marcotte at (405) 329-8069 to find out about scheduled activities of the Norman-Oklahoma City Alumni Club.

We are still holding our monthly get together at Branigan's in the Sheridan Century Center after work each third Friday of the month, so feel free to drop in and get acquainted. We're usually there from about 5:00 P.M. until 6:30 P.M.

The club schedule for the spring included a professional meeting for the Beta Epsilon Chapter at O.U. in late February and participation in the reactivation of Delta Theta Chapter at Oklahoma City on March 6, a Joint Initiation at Norman on April 10, and a joint chapter Rose Formal and Banquet in Tulsa, April 17.

We hope that you have an enjoyable summer, and look for our article in the November, 1982, DELTASIG.

—Michael Marcotte

NORTH JERSEY

As our club enters into its fourth year of operations, we can look back at the past year with a great sense of pride. After experiencing normal growing pains, our direction now can only be described as up. Membership is continuing to grow, due primarily to the efforts of Secretary Ron Axelrod, and it currently stands at a small but growing 26.

Our social and professional activities, under the guidance of Vice Presidents Debbie Glendenning and Angela Cordova, have also undergone massive improvement, as witnessed by our recent visits to a Budweiser brewery and to the IBM Corporation. In addition, the holiday bashes we have sponsored, both by ourselves and the undergraduate chapters in the region, have helped to improve the camaraderie of our members and earn us the nickname "The Rockers of North Jersey."

In the near future, we will be going to several Broadway shows, as well as to the various sports palaces in the area, most notably the New Jersey Meadowlands. Additionally, visits to Atlantic City and Philadelphia are currently under way.

If anyone happens to be in our area and would like to visit with us or join us, please feel free to contact either myself at 110 Hauxhurst Avenue, Weehawken, New Jersey 07087 (201) 864-

4917, or Debbie Glendenning at 2 Davidson Street, Belleville, New Jersey 07109 (201) 751-4341. Our monthly meetings are held the last Wednesday of the month at 8 P.M. at the Plankroad Inn in Secaucus. We look forward to meeting you.

—Patrick S. Devery

ST. LOUIS-GATEWAY

The St. Louis-Gateway Alumni Club welcomes the warm air and freshness of spring. Our hats are off and congratulations are more than in order for Brother Cathy Wagoner for passing all four parts of the Illinois CPA exam—the first try!

Our annual spring picnic is planned for this month and if you are going to be in the area, give us a call—we would enjoy sipping suds together and getting acquainted. Some of our activities for the summer will include a Cardinals baseball game in June, election of new officers, the Munny Opera in July, a boating trip in August with the Eta Sigma Chapter, and a trip to Six Flags in September. If you have never been to the Munny in St. Louis, you are really missing something special. It is an outside production with live trees gracing the stage area.

Some of our Brothers are planning extensive and exciting vacations this year. However, with all of the snow that we have had this past winter, most plans do not include winter resort areas. St. Louis is a fun place to be and all of the Brothers extend a warm welcome to all of you who may be passing our way this summer.

—James C. Winston

SAN ANGELO

It was great seeing all the alumni at Eta Theta Chapter's 15th Anniversary in April.

The new officer format that has been constructed centers around five project chairmen: Special Project Chairman, C. Stuart Shelton in charge of Spring Tennis Pyramid to begin in May, 3009 Southland Boulevard, San Angelo, Texas 76901, (H) 915 949-0888; Family Picnic and Field Day Chairman, Barry Kleypas, 302 E. Avenue K, San Angelo, Texas 76903, (H) 915 944-9947, this event to be held in June; Golf Tournament Chairman, Mike Wheeler, 3837 Driftwood, San Angelo, Texas 76904,

(H) 915 949-0664, to be held in August; Homecoming/Founders' Day Chairman, Randy Harbin, 917 S. Bryant Boulevard, (W) 915 653-3358, to be held October 17. Special Project Chairman, Van Branham.

These committee chairmen will be seeking committee members to help organize their specific project. If you would like to contribute, please give them a call.

Those alumni that have missed the last few functions should send their name, address, and phone number to Randy Harbin for "Project Update." To be included in the alumni club's mailing list, include in your correspondence a membership fee of \$15.00. We invite every alumnus to attend each and every function. We invite every alumnus to help provide a variety of functions. We exist with your continued attendance and we will continue to thrive with your continued HELP!

—Barry Kleypas

SHEPHERDSTOWN

"Welcome to the working world, graduates!" A vote of confidence and congratulations to all graduating Deltasigs, but especially to those of Epsilon Kappa Chapter at Shepherd College, Shepherdstown, West Virginia.

The Shepherdstown Alumni Club stands ready at many different levels and occupations to lend assistance to graduate Deltasigs on that first job or in any other way that expertise or experience may be required.

Our past year was a complete success, thanks to the dedication and hard work of our officers, Board of Directors, and club members. We have had an interesting mix of social and professional functions.

Not only can we offer assistance, interesting social and professional functions, benefits of Delta Sigma Pi that began back in your college days, but many other advantages.

Alumni, I hope all of you are members of your local alumni club. If not, what's the problem? "An alumni club can't exist unless it has members like you."

The Shepherdstown Alumni Club presently meets the second Wednesday of each month at the Elks Lodge in Frederick, Maryland. We would be more than glad to have you join us. Write to us at Box 238, Hagerstown, Maryland 21740 or call Brother Bob Grim at (301) 655-8926.

ALUMNI DIRECTORY NEARS COMPLETION

All telephone contact with our alumni has been completed by Harris Publishing Company, publishers of our official Diamond Anniversary Alumni Directory. The purpose of the telephone contact was to verify the information which alumni provided on the directory questionnaires and the information currently held on the alumni records at The Central office.

At the same time, the telephone representatives of the publishing company invited alumni to purchase personal copies of the directory.

The Diamond Anniversary Alumni Directory is tentatively scheduled for release in EARLY SEPTEMBER. If you have not received your copy by October 21, 1982, or if you are interested in ordering a copy and have not heard from the publisher, you may contact them directly at the following address:

Doreen Luff
Customer Service Representative
Bernard C. Harris Publishing Company, Inc.
3 Barker Avenue
White Plains, NY 10601

Executive Director Mazur recently had the opportunity to visit the headquarters of Harris Publishing and is extremely pleased with the progress that is being made on this project. As we will not have the opportunity to do so until well after the directory is released, we wish to thank Mr. Bernard Harris, Brian Smith, Susan Thompson, Rae D'Atorre and Dick Falcone of Harris Publishing for all of their efforts to make this special publication available in time for our Diamond Anniversary.

LIFE MEMBERSHIP FEE INCREASE TAKES EFFECT FOR 1982-83 FISCAL YEAR

Effective on July 1, 1982, the basic Life Membership fee will be increased from \$75.00 to \$125.00. Due to the ever increasing costs of the benefits of the Life Membership Program, the National Executive Committee voted at their February, 1982 meeting to increase this fee for the first time since 1975. All discount plans currently in effect will remain unchanged; in other words, undergraduates will continue to receive a 20% discount if application for Life Membership is made prior to graduation and undergraduates will also still be eligible to receive the CEI discount of an additional 10% if their chapter achieves 85,000 or more points in the Chapter Efficiency Index and application is made after the receipt of this point level but before December 31st of the year in which the points are earned.

Members of Delta Sigma Pi can begin a Life Membership on the installment plan with a minimum payment of \$10.00 and successive monthly minimum payments of \$10.00. Only those Life Memberships begun prior to July 1, 1982 will be eligible to obtain the Life Membership at the fee of \$75.00; applications received on July 1, 1982 and after will be registered on the financial records of the fraternity at the rate of \$125.00.

CUT AND MAIL TO: Delta Sigma Pi, 330 South Campus Avenue, P.O. Box 230, Oxford, Ohio 45056-0230

**FEE

UNDERGRADUATES OF THE YEAR REPORT

We are nearing the end of yet another academic year and Delta Sigma Pi has once again proven that this is THE PROFESSIONAL BUSINESS FRATERNITY. It has been an exciting year for the fraternity, from the Grand Chapter Congress at The Grand Hotel to reaching that big 200 mark. And down the road just a bit, the 75th Anniversary. We really covered quite a lot of ground these past few months. Now is probably an appropriate time to recap some of the major issues which we've recently faced and provide some insight into what is coming up in the future.

Amazing expansion and reactivation efforts highlighted this past year, a year in which we broke the 200 mark in the number of chapters installed, and the prospects for the future are even brighter, with expansion and reactivation potential in every region. Past Grand President Brother Bill Tatum visited our inactive Northwestern Region on a three week spree, and came up with some very promising prospects. It does not look like the Northwestern Region will be inactive much longer. And Canada is next on our list of expansion priorities.

With the fraternity growing at the rapid pace that we have established, it became very apparent that another Chapter Consultant is urgently needed. The Executive Committee approved the funding for another Chapter Consultant at our meeting in Memphis. The new Consultant will be on the road next year, with the responsibility of visiting our chapters and aiding in expansion and reactivation

efforts. With two Consultants on the road, hopefully, every chapter will receive a visit next year.

Also at our meeting in Memphis, the Executive Committee approved a plan to immediately begin a major national fund raising effort. The plan will be centered toward achieving the continuing support of our Brothers through the endowment of our fraternity. As a result of the fund raising effort, we will be able to expand the fraternity's programming into several areas which will be of great benefit to us all.

One of the most promising efforts in new programming will be geared toward establishing leadership and personal development activities. Our goal is for the development of seminars and other programming structured toward developing leadership and personal skills which will not only benefit the participants in their fraternal service, but also in their outside pursuits. The potential in this area is virtually limitless.

Another area we are currently looking at is that of developing increased participation of undergraduates on the regional and national levels. We, your Undergraduates of the Years, have taken on this assignment. We are in the process of surveying the Regional Directors to find their views on this subject, but we are also interested in hearing directly from you. Feel free to contact us with your thoughts, suggestions and ideas regarding this issue. Any direction you give us will be most appreciated.

As a sidenote to this area, Executive Committee Meetings are presently open to all Brothers of the fraternity. In Memphis we saw the results of this

policy, as the meeting was attended by several Brothers. It should be noted that Brothers Gerhardt and Ciaglia travelled all the way from Chicago and Brothers Belke and Kosch from Wisconsin to see the Executive Committee Meeting in action. We hope to see many more of you this summer in Indianapolis.

Congratulations to all our graduating Brothers. Remember, you are a Deltasig for life. There is an ever increasing number of alumni clubs around this country just waiting for you to become a part of them. Don't risk losing touch with the fraternity even briefly. As soon as you know where you will be settling down, contact the local alumni club immediately. If there is not an alumni club in the area, why not start one? You are a Deltasig for life!

Again, congratulations to all graduating Brothers and best wishes to all the continuing undergraduates. We hope to personally see many of you at the 75th Anniversary celebration in Cincinnati next November. In the meantime, feel free to contact us with whatever is on your mind. Have a great summer!

ALBERT S. GORDON

MARILYN R. DOSKEY

EASTERN REGION

SUNY-BUFFALO ALPHA KAPPA

Alpha Kappa Chapter's spring semester began with a day in Toronto. We began the day with a tour of the stock exchange. It was exciting to watch the floor brokers run frantically to buy and sell shares of stock. All of us arrived home with a piece of ticker tape. After a delicious lunch we visited the Toronto Science Center. Bob Brach was a whiz in the game room and Mike Schneider was

the chapters speak

amazed by the ant exhibition. A good time was had by all. Dinner was a delightful experience in Old Chinatown. One of our new Brothers, Horng Shuh Hao, a native of Taiwan, enlightened us as to the origin and delectability of the Chinese cuisine.

Our fund raising and professional activities were great successes, and each of us gained from the experiences. The spring pledge class was a dedicated, active, and close-knit group of individuals. They will add a lot to the chapter, and we all looked forward to their involvement.

The highlight of the semester was our annual Rose Dance. The fraternity spirit was undoubtedly present as we joyfully sang chorus after chorus of the "Rose of Deltasig." We celebrated the year end with many happy moments. We would like to thank our officers, especially Tom Sonricker, our president, for keeping the fraternity spirit alive and for doing an outstanding job.

Congratulations to the graduating Brothers. We wish them much success and happiness in future endeavors. Keep in touch and remember you're an Alpha Kappa for the rest of your life.

—Katherine Eisenhauer

SUFFOLK DELTA PSI

The spring semester was filled with events, both traditional and innovative. To begin with, the chapter sponsored a raffle that attracted the attention of all the undergraduates. The prize consisted of a weekend ski trip for two at Loon Mountain in Lincoln, New Hampshire. The package included lift tickets and lodging which interested both skiers and non-skiers alike.

The Delta Psi Chapter moved into its new office in the Ridgeway Building in Suffolk. Each Brother added his own personal touch to recreate the atmosphere of our former office. Several alumni Brothers visited our new facilities and were impressed by the chapter's spirit and determination in making this place the beginning of a more successful and prosperous future.

Traditionally, the chapter held the annual Easter bunny raffle which was another successful endeavor. Plans for the Rose Dance were put underway, with the proceeds from chapter raffles utilized to lower the cost of the dinner. The spring pledge class assembled a creative assortment of activities and entertainment for the Brothers. They were re-

sponsible for a presentation featuring a professional speaker, a party for the Brothers, a raffle, and a fund raising project. Their studies of Delta Sigma Pi history, rules and regulations were rewarded after initiation by a dinner held in their honor.

Plans for the summer include a "Casino Night" to be held on campus. This is a new attempt by the chapter to create a greater interest in Delta Sigma Pi at the university. In the same manner, we sponsored a wine and cheese social for the faculty at the school. This social, in addition to placing decals of the Coat of Arms in faculty alumni office windows, raised our visibility in the School of Management. "A Night at the Races" was coordinated by the Boston Alumni Club and the Delta Psi Chapter as a summer social event. Entrance fees for the night include a dinner for two at the track club house and seats for the races. We intend to dedicate a race to Delta Sigma Pi.

All the Brothers of the Delta Psi Chapter would like to wish all our Brothers a very prosperous, enjoyable summer.

—Bruce A. Caldwell

ROCHESTER TECH EPSILON LAMBDA

Epsilon Lambda Chapter at Rochester

Institute of Technology has been quite active during these cold winter months. One of our largest projects ever was accomplished by completely removing a room from our floor. I think that special thanks should go out to one of our Brothers, Mike Montalto, who did most of the demolition himself with the help of the rest of the Brotherhood in removing the rubble.

We have been very active in several community service events including assistance to a hospital with their multiple sclerosis patients, removing logs and branches from trails at a nature humane society, and participating in an event called Love Day. This was particularly enjoyable to the Brothers because it gave us a chance to help both the young and old alike.

I would like to send out congratulations to the basketball team which made the Greek playoffs for the first time in this chapter's history.

Our winter quarter ended on a good note. We held a winter formal this year that was open to both Brothers and alumni. We also inducted our new officers for next year: president, Steve Cameron; senior vice president, Wayne C. Achey; vice president for pledge education, Mike Browne; treasurer, Geoff Kupferschmid; vice president for professional activities, Rick Prenatt; chancellor, James Denzak; secretary, Joe Yaegy; CEI Chairman, Steve Roth and

Dean Benjamin Perles joined in a recent recruiting event conducted by Zeta Omicron Chapter at C. W. Post. Shown, left to right, are Doug Gerbosi, Brother Perles, District Director Steve Kuptsis and Michael Killeen.

the chapters speak

historian, Chris Myer.

I wish every chapter a great summer vacation.

—Wayne C. Achey

C. W. POST ZETA OMICRON

Zeta Omicron Chapter at C. W. Post Center/LIU is in the process of completing one of its best years ever.

Doug Gerbosi completed his second semester as chapter president and, together with his administration, we initiated our first female Brothers and completed a professional program that included trips to the New York Federal Reserve Bank, the New York Stock Exchange, and Newsday, a Long Island newspaper. We had professional lectures with representative from the AFL-CIO and PATCO, Dean and Brother Benjamin Perles on careers after college, and numerous seminars with national officers of the fraternity.

Our pledge education program had 100 per cent completion by all members of the pledge class.

The Area Conference at Kappa Lambda Chapter was attended by eight Brothers. Thank you, Kappa Lambda!

Our spring 1982 schedule included a faculty-alumni-undergraduate semi-formal, a "Dress for Success" fashion show, our annual spring formal, and some excellent lectures on resume writing and money management. We will conclude our year with our annual professional trip to the Brotherhood Winery in Washingtonville, New York.

The new spring administration under the direction of President Ben Campbell wishes to thank Doug Gerbosi and his officers for a truly inspiring job, and Zeta Omicron Chapter wishes to formally thank Steve Kuptsis, Dick Parnitzke, Albert Gordon, Maureen Vanacore, Gail Younger and The Central Office staff for all the help and support we received from them.

—Richard Safaty

SUNY-ALBANY ZETA PSI

This being the commencement of our 15th year, the Zeta Psi Chapter at SUNY-Albany would like to take this opportunity to thank all those Brothers who contributed to the progress and success of our chapter.

Enthusiasm has never been lacking within the Zeta Psi Chapter, and this semester proved to be no different. This year, our annual trip took us to Montreal where we toured the sites and enjoyed the night life of old Montreal. In addition, several Brothers took a trip to Long Island.

Our chapter activities included an extremely diversified and productive professional program and several equally successful community service projects. Additionally, this semester's outstanding pledge program brought us 17 new Brothers, bringing our undergraduate total to 74.

One of the highlights of this semester was our 15th anniversary formal, where we were joined by many of our distinguished alumni, our District Director, Lew Tischler, and our Regional Director, Richard Parnitzke. This proved to be a truly enjoyable evening for all those who attended, and we are looking forward to spending our 25th anniversary in much the same manner.

Looking back on this semester, we can all reflect upon fond memories of good times we've had. Additionally, we, the Brothers of Zeta Psi Chapter, would like to congratulate and thank all of those graduating Brothers who have contributed so much of themselves.

—Dorri P. Blank

SIENA THETA UPSILON

Theta Upsilon Chapter at Siena College is pleased to announce the completion of another banner year and we would like to wish all our Brother chapters the same success. With our aim for a perfect 100,000 points well within our grasp, Theta Upsilon Chapter began the semester with various social rush pledge events. Under the watchful guidance of Brother Charlie Faas, vice president for pledge education, the pledges conducted all required fund raising, professional, social and community service obligations and were initiated into Delta Sigma Pi on April 3, 1982.

Our professional events kept all Brothers busy with tours and speakers that encompassed nearly every facet of the economy. On the social scene, the pledge party was both an interesting and exciting time. Our annual semi-formal banquet, held after initiation on April 3, proved to be a great time. Dining and dancing were the highlights of the night to honor the 13 graduating

Brothers and to welcome the newly initiated Brothers.

We would like to congratulate and wish good luck to our chapter's graduating seniors: Mary Baker, Ann Bazaar, Fran Bidell, Mary Liz Blowe, Charlie Faas, Lisa Hart, Bill Irwin, John Maloney, Mary Lee Williams, Carol Montgomery, Bettianne Stymacks and Mary Ellen Walsh. We would like to thank them for their spirit and efforts that helped contribute to our feeling of fraternalism. We would also like to wish the best of luck and extend our wishes for an exciting and enjoyable summer to all Deltasigs.

—Steve Faas

SUNY-BINGHAMTON KAPPA LAMBDA

The Kappa Lambda Chapter of Delta Sigma Pi has had a very exciting and prosperous spring semester. We wish to congratulate both our graduating seniors and our new officers on a job well done.

In February, as we prepared ourselves for the celebration of our first anniversary, we started our never ending pursuit for new Brothers. Headed by Vice President for Pledge Education Alison Tobin, we added two new faculty Brothers and several undergraduate Brothers to our ranks. Also during this time we had "cupiding" to honor St. Valentine's Day, whereby each Brother left special goodies at various campus locations for another Brother. We also set plans for our first annual Rose Dance, which was held in early April.

Since Delta Sigma Pi is a professional fraternity, we've done our best to share our professionalism with our campus. We've had speakers from Merrill Lynch, N.Y. Telephone, and nearby Singer Link. Dean Lundberg, of our own School of Management, also shared his views with us in an interesting lecture. Highlighting our professional program was a business fashion show, sponsored by local merchants.

Our chapter is heavily involved in local affairs, as shown by our many Community Service projects. We have had a clothing drive, set up a Big Brother/Big Sister program, and again graced Willow Point Nursing Home with our overwhelming talent. As a special fund raiser, during SUNY Binghamton's Carnival Weekend, we set up a "pie-in-the-face-of-a-professor" booth. This event in particular brought in a great deal of

the chapters speak

money, as well as providing many students with a long awaited opportunity.

We also have had several events to raise money for the Brotherhood over the past few months. During a semester wide effort, we distributed Sears Credit Card Applications to much of the student population. We sold green carnations for St. Patrick's Day, have had two car washes, and a "rent-a-prank" for April Fool's Day.

As can be seen by the events mentioned above, our chapter has been keeping quite busy spreading the spirit of Delta Sigma Pi throughout our campus and community. We wish all our Brothers nationally a great summer!

—Evelyn B. Yanatos

MIDEASTERN REGION

JOHNS HOPKINS CHI

Chi Chapter at Johns Hopkins University secured 12 pledges in phase one of its spring rush and the ceremony featured the famous fireball Mickey Johnson, Regional Director, who gave a rousing welcome to the neophytes.

Chi President Marie Karpinski has succeeded in leading the Brothers at Hopkins toward the chapter's stated goal of significant expansion in 1982. There are as many as 10 more pledges possible in a second wave this spring. The new members will help Chi Chapter in its objective of achieving 20% more CEI points than it did last year.

—Jay Dunn

PENN STATE ALPHA GAMMA

The Alpha Gamma Chapter of Penn State has had an eventful and exciting winter term. Interesting speakers and projects kept the chapter active on campus.

On January 25-26 and February 2-3, the chapter participated in a phonathon. The phonathon was designed to raise scholarship funds and other monies to aid the College of Business Administration at Penn State. It was of extreme importance that we raise money, due to the current administration's severe budget cuts in financial aid. Through teamwork and much effort we placed first out of all the business clubs and organi-

zations on campus. A total of \$4,500 was raised by the Alpha Gamma Chapter.

We had five excellent speakers in January and February. Mrs. Eileen Jenkins from the health industry spoke to us on the importance of motivation and how to be a good manager. She was an enjoyable speaker and gave us insight into managing. On February 8, we were lucky to have four well informed executives speak to the chapter about themselves and their companies. F. L. Joseph Chalmers, Vice President of Operations for 7-Up Bottling Companies of Southern California, Charles F. Ratcliff, Jr., Group Controller-Land and Timber Group of International Paper Company, Warren W. G. Travers, Marketing Director of Weyerhaeuser in the Far East and James W. Wick, Vice President of Employee Relations of Revere Copper Products, Inc., answered questions and explained how their companies function in the US and abroad.

Other projects for the chapter surely kept us busy. There was a Pancake Breakfast at the Wesley Foundation in State College, Pennsylvania, and a visit to Laurelton State Mental Hospital. The biggest project for the quarter was the Special Olympics "Spring Games." Alpha Gamma Chapter helped sponsor the event and judged several events.

Besides having speakers and community projects we had two trips. March 12, 13 and 14 we were in Washington visiting the Pentagon, White House, Treasury and several other attractions.

We also visited the Lehigh Valley on another trip. On the Lehigh Valley trip we took plant tours of Mack Truck, Bethlehem Steel, Air Products and Martin Guitar. These events, plus a new 13 member pledge class, kept the Brothers of the Alpha Gamma Chapter busy for the spring quarter.

—Fred Powell

RIDER BETA XI

Beta Xi Chapter completed a very eventful fall semester and had many ideas and events planned for spring 1982.

During winter break, many Brothers and their friends attended the Second Annual Beta Xi Ski Weekend held in Catskill, New York, at Hunter Mountain. Once again, everyone had a fantastic time skiing and socializing. What a way for our chapter to begin a busy new year!

Then it was almost time for our recruiting functions to begin. Our new President, Joe Lenzi, along with Senior Vice President Francine Schiano and the rest of the chapter, planned our Intro-Rush, Beer Blast, Professional Activities, and a Social Mixer. Prospective pledges were kept very busy at Rider this semester.

As for the Brothers, Social Chairmen Wayne Bloom and Rob Klepner have already planned many events, including a

Participating in a Phone-A-Thon for a local charity are members of Alpha Gamma Chapter at Penn State.

the chapters speak

Racquetball Night, an alumni picnic in May, and a Social Dinner held in a chic restaurant.

Our other officers are also contributing greatly to help make Beta Xi Chapter's spring semester very memorable to everyone on campus. Hopefully, we'll soon know about plans for organizing a community service along the lines of a Big Brother/Sister program.

The Beta Xi Chapter has achieved enormous goals since this school year began. In such a short time tremendous strides have been made in campus recognition, unity, and the true essence of Brotherhood. None of this could have been accomplished without the support, dedication, and hard work of our entire chapter, as well as such terrific motivation from Mickey Johnson, our Regional Director and Jere White, Chapter Consultant. We'd like to thank you for all the guidance we so gratefully appreciate.

To my fellow Brothers—"Coming together is a beginning; keeping together is progress; working together is success."

—Laura A. Baron

MARYLAND GAMMA SIGMA

The spring semester turned out to be one of our most successful, due to the hard work of our officers and entire Brotherhood. Starting with our MASH party, the semester kicked off to a great start. Dressed as their favorite MASH character, everyone enjoyed martinis and attended to the incoming wounded.

Thanks to our vice president for professional activities, Susan Meizlish, we had the opportunity to meet with top executives from such fields as cable television, the stock market, the U.S. gold exchange market, and the advertising industry. Wendy Lozinsky, our fund raising chairman, exceeded her planned budget with such activities as doughnut sales, coupon booklet sales, Sears Credit Card Application drive and a car wash.

Due to the combined efforts of our Senior Vice President Mike Warner and Vice President for Pledge Education Dawn Schoenmeier, the recruiting program turned out to be successful with 15 newly initiated pledges.

The semester ended with a dinner/dance formal held in Crystal City, Virginia. Thanks to our Rose Weekend Committee headed by Susan Brougher, Tracey Cohen, Sandy Haas and Callista

Harden, it turned out to be a memorable event.

Special thanks go to our president, Kail Tseng, and the rest of our executive committee. Finally, we wish everyone good luck, especially our 14 graduating seniors.

—Michele Levy & Eddie P. Blaustein

SHEPHERD EPSILON KAPPA

Preparations were made for our second annual "Lightside" held April 22, 1982, just outside Shepherd College. This is our largest social fund raiser of the year and we combine our business and social talents to make Lightside a success.

Hard work is the main ingredient we have to add before we can partake in the fun. The beer has to be arranged for, five bands, a large power generator, insurance, stage, tickets and food. Many committees are set up to take care of the planning functions.

Special thanks to Brothers John R. Foley and Steve Barns for the time and patience they devoted to organizing this project.

Epsilon Kappa Chapter would like to say farewell and good luck to our graduating seniors: Gregory S. Crawford, Charles V. Carpenter, J. R. Funkhouser, John R. Erickson, Stanley Peterson, Jody P. Mayes and Earl Kelly.

To our new officers we say good luck and to our past officers we say thank you. Hope to see everyone at the summer meeting and summer parking job.

—Charles V. Carpenter

LA SALLE EPSILON SIGMA

The Epsilon Sigma Chapter at LaSalle College began its spring semester of 1982 with a concentration on Points, Pledges, and Money. Our goals were the unlimited successes in all three areas by the use of business practices.

Marketing was used by the senior vice president to send more than 300 letters to the freshman and sophomore classes. Prior to rush week, we had more potential rushees than ever before.

Accounting was used as usual, but with a closer watch on expenses. Certificates, as well as other money market funds, were looked into to gain maximum interest from pending invest-

ments. This was also the first semester in recent chapter history in which two parties were held, with a portion of the first party profits helping defray the expenses of the second one. Both of these actions involved finance and management. Computer Science helped create a program that kept a current list of Brothers and their addresses and phone numbers, and deleted or added the names of Brothers when necessary.

The first few pages of the Chapter Operations Manual became our CEI Chairman's Bible and helped him keep a close watch on dates. Our professional program included four speakers, ranging from a business lawyer to a major Philadelphia politician. Our program also included a tour of a Philadelphia newspaper. None of our goals would have been possible without the total effort of all the undergraduate Brothers and the careful watch of the Executive Board.

Lastly, we bid farewell and good luck to all the graduating Brothers; namely, Dave Dorman, J. Brett Marks, Vance Melchiorre, Mike McDonald, Nick Michael, Rich O'Donnell, Tom O'Mara, George T. Rizzuto, Joe Spadaro, and John Seay.

ST. JOSEPH'S ZETA PI

The Zeta Pi Brothers at St. Joseph's University enjoyed another successful semester. Our executive committee officers were President Rich Anthony; Senior Vice President Frank J. Hayes; Vice President for Professional Activities Nick Casale; Treasurer Karl Krass and Secretary Jim McElhiney.

Rushing this past semester was made possible by Dave Kelly and Mike Bonner. Vice President for Pledge Education Kevin O'Connor had his hands full with nine pledges.

Zeta Pi Chapter held the 5th Annual Basketball Marathon benefitting the National Hemophilia Foundation. Community Service Chairman Vince Waldron, along with Dave McElroy and Pete Scarani, did an outstanding job in organizing this event. Also, our intramural hockey team led by goalie Eric Heck finished a strong season by reaching the finals.

Our 12th Annual Professional Dinner Award Ceremony honored Benjamin Fox, whose contributions aided our school and furthered the ideals of Delta Sigma Pi.

Fund Raising Chairman Ken

the chapters speak

McKeown aided by Joe DeRita completed several successful events. These included a Valentine Party on campus, a "basket of cheer" raffle, and our annual spring car wash.

Zeta Pi Chapter enjoyed meeting our regional Brothers at the Area Conference. We are looking forward to coming events such as the Rose Dance, Senior Sendoff, and summer softball.

The Brothers of Zeta Pi Chapter would like to wish the graduating seniors of Delta Sigma Pi the best of luck in their futures.

—Tom Mattia

HOWARD IOTA RHO

"... to encourage scholarship, social activity, and the association of students for their mutual advancement by research and practice..." These words are included in the Purpose of Delta Sigma Pi and hold much meaning to those of us who believe in them.

The interpretation of this phrase stems from one's own experiences as a member of the fraternity and of his/her chapter. To Iota Rho Chapter this phrase means not only interaction among Brothers of our chapter for our mutual advancement, but also the association of students in all chapters and regions of Delta Sigma Pi. Through association of every member of Delta Sigma Pi our knowledge of the business world, by sharing our experiences, would be greatly enhanced.

Although Area Conferences and the Grand Chapter Congress are provided as a mixture of business and pleasure for the Brotherhood, these gatherings are not events in which a majority of the Brothers can interact. The Brothers of Iota Rho Chapter are aware of the availability of business contacts and close friends that are afforded a fraternal environment and would like to bring it to the attention of the Brotherhood that nationwide bonds between chapters need to be made available.

Being at Howard University in Washington, DC, we are not familiar with our Brothers in the neighboring East Central Region, not to mention those in the Western Region. This is a problem that does not have to exist in a fraternity of professional business persons and business students. Because of the possibility of interacting with our Brothers in future business dealings, it would be an excellent advantage for all of us to begin

our association as true Brothers at this early stage in our careers.

A few pictures in The DELTASIG of our Brothers engaged in various activities do not compensate for actual contact and conversation with the general Brotherhood. The "association of students for their mutual advancement" could easily provide all of us with a greater feeling of belonging to a fraternity in which all are at least aware of the problems, experiences and concerns of others so that the Brotherly bond that exists within a fraternity can be fully realized.

To alleviate the problem of a lack of affiliation between regions at separate ends of the country, as well as those regions in between, the Diamond Anniversary celebration may serve as the perfect outlet. But must we wait another 75 years to unite the Brotherhood in its entirety? Must those chapters that cannot afford to participate in this event be excluded from the festivities? Will the feeling of Brotherhood allow for assistance to those that wish to attend? These questions represent only a few of the concerns of Iota Rho Chapter and, hopefully, the Brotherhood will agree with our desire to unite.

This fraternity and the members of it are connected by one primary interest—our desire to participate in the world of business. Let us act as future business leaders and current professionals by organizing to form a council dedicated to the association of the total Brotherhood for everyone's mutual advancement. This council could be responsible for conventions that would serve as a retreat for the Brothers and the council could produce fund raisers that would aid those chapters with insufficient funds to bring all of their members to such a retreat. If this plan were to be carried out, we at Iota Rho Chapter feel that a stronger bond would exist between the members of the Brotherhood and that it would "promote closer affiliation between the commercial world and students of commerce."

—Denise Y. Williams

SOUTH CENTRAL REGION

NORTH CAROLINA-CHAPEL HILL ALPHA LAMBDA

Alpha Lambda Chapter at the University of North Carolina has had one of

their most active years ever. The fall semester was geared up with the initiation of a great pledge class and a weekend at the beach. With the active new Brothers, the already strong Brotherhood was able to plan more activities, social functions, and business trips than in several previous years.

The spring semester is when seniors are doing their most intense interviewing and job hunting. Appropriately, the semester was started with a "Dress For Success" presentation by the manager of The Hub clothing store and an interview workshop by the campus placement office. A wine and cheese party was held with the business school faculty to help acquaint Brothers with teachers other than their own.

The Brothers joined together in February for a project of distributing and collecting Sears Credit Applications to raise money for the fraternity. In April, a campus wide blood drive was sponsored by the Brothers. All of the Brothers were expected to participate in both of these projects.

The professional activities consisted of a speaker from Fieldcrest Mills, a tour of the IBM office at Research Triangle Park, a visit from Phil Wilson of the accounting firm of Peat, Marwick, Mitchell and Company, and a two day trip to Asheville, North Carolina, for a tour of Spring Mills and a stop at Biltmore House and Gardens.

The fraternity was represented in the campus intramural program with a co-rec volleyball and basketball team. We are completing the year with a trip to the beach and then off to a great summer.

—Brenda Behringer

VIRGINIA TECH ZETA UPSILON

The Zeta Upsilon Chapter at Virginia Tech is as busy as ever. We initiated four pledges last quarter and we have three new pledges this quarter. We've had some interesting professional events including a speaker on "Starting a Small Business" and Dr. Houck, one of our faculty Brothers, speaking on the advantages of attaining an M.B.A. Fund raising has been one of our chapter's major undertakings this quarter. We've had several hotdog sales; we're also raffling off a trip to Florida over spring break and now we're collecting Sears Credit Card Applications. Our chapter is once again in the market for a

the chapters speak

new house and we've been scouring Blacksburg for a house that is appropriate. As always the Zeta Upsilon Chapter has several intramural teams; this quarter we're playing women's and men's basketball; we also have several bowling teams.

On the weekend of February 6 several of our Brothers made a road trip to Longwood College to visit the Kappa Nu Chapter; we had a great time visiting with some of our fellow Deltasigs. Socially, our big events this quarter include our pledge party which will be a Pearl Harbor party and our annual Rose Dance. We hope that you will all feel free to drop in at our house at 1105 N. Main, Blacksburg.

—Cathie L. Child

SOUTHEASTERN REGION

GEORGIA SOUTHERN EPSILON CHI

Epsilon Chi Chapter is proud to announce the acquisition of nine new pledges this quarter.

On January 30, 1982, we were honored with a first place trophy for our crazy car entry in Southern's 75th Diamond Jubilee Homecoming Parade.

Our major community service this quarter entailed a project, in which we had the pleasure of working with Dr. Doug Nettleton, professor of economics, for use in the local high schools.

Professional activities included a tour of T. J. Morris Distributing Plant of Statesboro and a visit to the local accounting firm of Dabbs, Deal and Thigpen.

Our traditional "Meet the Faculty" night, held on February 22, was made complete when we were visited by Executive Director Mike Mazur. The occasion enabled Deltasig students and the entire faculty of the School of Business to meet and chat with Brother Mazur.

Epsilon Chi Chapter was also honored with a personal invitation from the Southeastern Regional Director, Dean Ferguson, to host an Area Conference at Augusta. Everyone who attended enjoyed the camaraderie and fellowship.

A T-shirt sale rounded out our quarterly activities and gave the chapter a head start on fund raising for next quarter.

—Melanie Morton

COLUMBUS THETA MU

Theta Mu Chapter was proud to host the Area Conference in February. Attending were delegates from Auburn University, University of Georgia, Troy State and Columbus College. It was interesting, informative and fun.

Professional activities have been our main concern this year; speaker luncheons have been held as well as tours—two of which were over 150 miles from campus.

Our first social activity this year was a Valentine's Party—a great success; we hope to make it an annual event.

A spring tradition at Theta Mu Chapter is our formal banquet in May. Plans are well underway to make this the festive, memorable occasion it is always.

Our chapter boasts what is probably an unusual "first" for Delta Sigma Pi—our president, and the vice president of professional activities are both expecting babies in early summer; one, the day after her graduation.

GEORGIA COLLEGE IOTA MU

There was quite a turnout for our fall

open rush and many of those also came to our closed rush which was a pajama party. Out of this, we acquired 19 new pledges, 17 of which later went on to become new Brothers.

At the beginning of winter quarter, we once again had the Deltasig Book Exchange. Here, students were able to sell their books at their own prices and purchase used books. As usual, it was a great success.

A small group from our chapter recently went to Fort Valley to tour the Blue Bird Bus Factory. We were shown how the different buses were put together. It was a very interesting tour.

In February, we worked on Operation Valentine. We planned to sell carnations to students on campus and deliver them to the student of their choice. We also looked into several other fund raising projects for the rest of the scholastic year.

—Lynn Hinton, Laurie McElroy &
Angela Walker

SOUTH ATLANTIC REGION

FLORIDA BETA ETA

The Brothers of Beta Eta Chapter, at

Pledges of Beta Eta Chapter at Florida sponsored a "M*A*S*H Bash" during the past semester.

the chapters speak

the University of Florida, embarked upon an exciting spring semester beginning with extensive recruiting activities, coordinated by Senior Vice President Cynthia Martin. We held two rush smokers from which we selected 23 new pledges. The second rush smoker was highlighted by the attendance of Chapter Consultant Jere White. We were also pleased to have South Atlantic Regional Director Loren Poucher attend our pledge induction ceremony. We would like to thank both Jere and Loren for visiting Beta Eta Chapter.

In an effort to expand our service and scholarship programs, Beta Eta Chapter recently established two scholarships for scholastic achievement and has organized a weekly coffee table to distribute free coffee to U. of F. students and faculty. To include the pledge class in service, Vice President for Pledge Education Marna Hecker helped organize a Deltasig casino night for the business college, with all proceeds going to charity.

The chapter's professional program got off the ground with a speech from two local entertainers on their experiences with operating a night club. Vice President for Professional Activities Wendi Barsky planned an array of guest lecturers, a professional trip to Tallahassee, and a campus-wide presentation focusing on "Sexual Harassment in the Work Place." This spring, Beta Eta Chapter enthusiastically entered its second semester working with the Junior Achievement Program in Gainesville and the chapter also recently became members of the Area Chamber of Commerce. As new members of the Chamber, we hope to meet and work closely with this city's prominent business people.

Beta Eta Chapter would like to wish all other chapters the very best of luck this spring and a special good luck to all graduating Deltasigs!

—Bill Heiden

MIAMI-FLORIDA BETA OMEGA

Greetings to all Brothers from the Beta Omega Chapter. The Beta Omega Chapter is in excellent shape, going into the new year with 35 undergraduate Brothers. February 7 we installed 18 very enthusiastic pledges. The new year also saw the reactivation of the Greater Miami Area Alumni Club, a proud moment for us all. We expect to see a lot

Members and pledges of Beta Eta Chapter at Florida gathered before initiation activities for this group shot.

from our alumni (as we always do) in the coming months.

Beta Omega Chapter is very involved in campus life and events. This semester we have already taken part in Career Day Jamboree, bringing firms from all fields on campus to exchange ideas with students and in Special Olympics, working with handicapped children.

February 25 marked the beginning of Carni Gras, the largest college carnival fair in the nation. Carni Gras is traditionally a combined effort between the alumni and the Brotherhood. Beta Omega Chapter is one of the leaders in this festive event, last year being the organization with the largest dollar volume sales. This year should find us even more successful. The chapter had the concession for pizza, and we kept six ovens busy for the duration of the carnival!

Another combined effort between the alumni and the Brotherhood in a more social and athletic area is the "Black Sox," a softball team. The fraternity is gearing up for a successful season under the leadership of alumnus Brother Bruce Morecroft.

In our professional department, we had a very interesting speaker from Avis Corporation and planned tours to Burger King University and a local radio station. We are also hoping to get Mr. Lee Lawrence, a prominent investment banker to speak at one of our functions for a second time.

We would like to take this opportunity to thank our District Director Elaine Norton for her interest and enthusiasm in our chapter. Congratulations also to Richard Lawrence, our chapter presi-

dent, who was recently appointed as student body treasurer, and Georgina M. Marty, who was awarded a Fulbright Scholarship, funded by I.T.&T. Corporation to study International Economics at the University of Coimbra in Portugal.

—Alejandro M. Casonova

FLORIDA STATE GAMMA LAMBDA

The Gamma Lambda Chapter here at Florida State University began spring semester with an excellent rush program, led by Senior Vice President Gerald Ullmann. Rush activities included an informative letter sent to each undergraduate business student, a rush informational meeting highlighted by a slide presentation, and a cocktail party held at a local clubhouse. These fine activities resulted in 29 prospective Brothers.

On the social side, we have several great events still to come. For example, we have some coed softball and volleyball games planned against other business organizations here at Florida State University. Also, we planned a beach party, a skating party, a pot-luck dinner, and a camping trip for both the Brothers and pledges this semester.

Our professional program, led by Brother Al Bridwell, has been one of our strongest areas. Currently, the Gamma Lambda Chapter is getting involved with the Junior Achievement Chapter here in Tallahassee. Also, we are initiating a "Business-Person of the Year"

the chapters speak

awards banquet for some deserving business person in the Tallahassee area. Speakers are an important part of the professional program, and two of our speakers were Larry Schmidt and Veronica Voss, co-owners of Pita Cab Company. The following were scheduled to speak at this semester's meetings: Mr. Ray Burton, an insurance agent; Mr. William Stafford, a Florida Federal Judge; Dr. Corbett, a Deltasig and faculty member here at Florida State University; Dr. Bob Leach, Vice President of Student Affairs; Charlotte Williams, professor of Women and Minorities in Business; Hurley Rudd, Mayor and City Commissioner of Tallahassee; and Van Poole, a Florida Senator. Another aspect of the professional program has been the tours. We had a tour to New Orleans, Louisiana, for this semester, and planned to tour Haskins and Sells, Proctor and Gamble, and the Superdome.

Motivated by President Michael C. Edwards and other senior Brothers the Gamma Lambda Chapter here at Florida State University has tried to make this semester a very productive one.

—Debbie Barker

FLORIDA SOUTHERN DELTA IOTA

The Delta Iota Chapter of Florida Southern College in Lakeland, Florida, has enjoyed an increase in both professional as well as social activities this year, under the leadership of President Craig Peterson and his officers: Senior Vice President Phil Kniskern; Secretary Lisa Maynard; Treasurer Marty Kidwell; Vice President for Pledge Education Donna St. Germain and CEI Chairman Ann-Marie Kemp. Professional activities, coordinated by Terrie Eldridge, included distinguished guest speakers of the community and successful business professionals in Florida.

Delta Iota Chapter's most recent social activity was held in honor of the newly initiated members. This social activity gave the new Brothers an opportunity to share fun and fellowship with older Brothers of Delta Iota Chapter.

—Lisa Maynard

CENTRAL FLORIDA THETA SIGMA

Theta Sigma Chapter at the University of Central Florida is experiencing a

remarkable rebuilding.

Recently, Theta Sigma Chapter joined other fraternities in raising money for the Ronald McDonald houses, and finished in respectable second place by donating \$105.00. In early March the Brotherhood took a group of 30 mentally disabled children to the Central Florida Zoo which was a great learning experience for the kids.

During the homecoming week, we participated in the parade with our fraternity's float. Once again we hit second place among the many.

Professionally, our chapter had the opportunity to have different professional speakers from Merrill Lynch, Martin Marietta, Sun Banks N.A., International Business Consultants, Real Estate and Retail Banking.

Our chapter extends the best of luck to Kappa Pi Chapter at the University of North Florida in Jacksonville. We were most fortunate to participate in the installation of the 201st chapter of our Brotherhood. Our own Brothers, Jean, Jerry, Joni, Julie V., Mike L., Rasesh and Victor, assisted in the Ritual. We cordially invite Kappa Pi, and all other chapters to visit us when in the Orlando area.

We wish to thank our new pledge class, our guest speakers, faculty and especially our Brothers in continuing our tradition of professionalism and fellowship.

—Rick Halcomb

NORTH FLORIDA KAPPA PI

Kappa Pi Chapter had a very busy spring semester. This term was our first as the Kappa Pi Chapter of Delta Sigma Pi and our activities were many and varied.

We spent a lot of time working with our new pledges at their fund raising activities such as car and airplane washes. In conjunction with a local department store, we put on a "Dress for Success" fashion show; this event was very well received by the students on campus as it was held the week before our local Career Expo. We also sponsored a blood drive on campus and student participation was great.

A lot of the members and pledges complained of sore feet for a while this semester—after competing in the 20-mile March of Dimes fund raising walk, it's no wonder!

Congratulations to the newly elected officers of Kappa Pi Chapter. We are sure they will do a terrific job for our fraternity in the coming year, and another round of congratulations for our four graduating seniors. They've helped us a great deal in our efforts toward building a good foundation for our Kappa Pi Chapter of Delta Sigma Pi business fraternity here at the University of North Florida.

—Linda C. Simons

EAST CENTRAL REGION

OHIO STATE NU

The Brothers of Nu Chapter would like to congratulate the new officers elected in February. All have been doing a fine job. Additionally, we would like to thank all of the old officers for all their efforts and for a job well done!

With a highly competent executive board and a multitude of fund raiser, social and professional events, how could we go wrong? Over spring break our Florida trip to Daytona Beach was very successful. The trip, which was put together by our fund raiser committee, was opened up to other chapters and OSU students. The trip included seven nights' lodging, the bus ride down, two free parties, and miscellaneous discounts all for only \$189.

On the social side of things, our annual picnic in the park was held with an All-American theme including baseball and apple pie.

The 1982 Rose Formal of the Nu Chapter of Delta Sigma Pi was held at the Officers' Club of the Defense Construction and Supply Center in Columbus. The evening included cocktails, a buffet dinner, and dancing. We would like to thank all the alumni who came!

Congratulations to Rhonda Cherry, Patty Frate, Lisa Graeff, Joe Kessler, Manoj Narang, and Greg Rose, all Brothers of Nu Chapter who received the Pacesetters Award! This award is given to less than 2% of the students in the business college and recognizes outstanding academic and leadership achievement. A banquet was held for all those awarded, with an attendance of over 500 people.

Our spring quarter initiation will be held on May 22. The prospective pledges are outstanding and we are anticipating the day to call them all Brothers!

the chapters speak

In closing, we would like to congratulate and wish the best of luck to all the Brothers of Nu Chapter who will be graduating next month. Best wishes to you and all our Brothers across the nation!

—Peggy Stratman

CINCINNATI ALPHA THETA

Alpha Theta Chapter at the University of Cincinnati wound up the year with heavy emphasis on community service events. A booth was set up for the Sigma Sigma Carnival which is a fund raiser for charity sponsored by U.C.'s social fraternities. Alpha Theta Chapter, along with the Arnold Air Society, sponsored a campus wide event for the Cystic Fibrosis Foundation. The event "Stairway to Help" was held at U.C.'s Nippert Stadium. "Stairway to Help" was a stair climb where individuals and organizations got sponsors and donations for each flight of stairs they could climb. The event received city wide coverage and prizes were awarded to those who brought in the most money. Members of the chapter also participated in the Greater Cincinnati Easter Seals program.

Professional activities included tours of nearby manufacturing plants and businesses and prestigious speakers who visited the chapter to speak on various topics of interest.

In May, members and guests enjoyed golf and softball among other activities at the Chapter Birthday Picnic which was celebrated at the G. E. Park. Once again, Alpha Theta Chapter's Talent Show had members rolling on the floor in laughter as our alumni and Brothers displayed their so called "talents." The talent show, of course, was emceed by our illustrious chapter advisor.

Elections to offices were held in May. Afterwards a transition dinner was given so that both new and old officers could exchange ideas and information on an informal basis.

Good Luck, new officers, and we hope everyone has a nice summer vacation.

—Stephanie Kanistros

OHIO ALPHA OMICRON

Alpha Omicron Chapter at Ohio University started activities off with a bang! We began with a tour to Nation-

wide Insurance Company in Columbus. Various speakers from McDonough-Caperton and DANA World Trade were on our agenda.

Several service activities contributed to our busy schedule. We published a review of courses taught in the School of Business Administration. Our quarterly "Goody Bag" was distributed, which consisted of 9,000 packets of coupons from area merchants. The sale of coffee also contributed as a major fund raiser. For fun, our 14 winter quarter pledges threw a Luau party for the members.

The highlight of the year was our annual spring trip—Chicago was the site for broadening our business minds. The four day excursion consisted of a tour in the windy city's financial district. The First National Bank, the Sears Tower, the International Monetary Market and the Chicago Mercantile Exchange were a few of the tours on the trip. We also socialized with Gamma Pi Chapter of Loyola University.

At the end of the winter quarter nominations were held for new officers. After much deliberation, a fantastic team was elected and Alpha Omicron Chapter continued on its way to another 100,000 CEI point goal.

On March 6, 14 neophytes were initiated to make a total of 79 members.

We at Alpha Omicron Chapter wish all chapters success throughout the year.

—Janice Koelliker

MIAMI-OHIO ALPHA UPSILON

Alpha Upsilon Chapter at Miami University completed another banner semester with an array of professional, social and service activities.

Our pledge education program, run by Vice President for Pledge Education Tawnya Potts, was extremely successful and culminated in the initiation of 20 new Brothers. These Brothers are very enthusiastic and promise to make next semester even better than this semester!

At the Alpha Upsilon Chapter Birthday Party in April, 20 graduating Brothers were honored, including Dan Leiser and former officers Kac Huber, Anne Olson, Roy Ritter, Patti Border, Mike Williams, and Greg Livingston.

We were kept abreast of the activities of the business world through a strong program of speakers, tours and projects. In March, Alpha Upsilon Chapter visited Avon; in April, Kroger. Both are in Cincinnati, so we invited Theta Lamb-

Members of Alpha Upsilon chapter at Miami University recently toured the Montgomery Ward Distribution Center in Cincinnati.

the chapters speak

da Chapter at Xavier University and Alpha Theta Chapter at the University of Cincinnati to join us. Such topics as top-level management and personnel relations were discussed by excellent speakers from the Southern Ohio area. All Brothers enjoyed these interactions with the business community.

Fund raising projects such as showings of "Caddyshack" and "Stripes" helped finance the activities of the semester.

Lastly, social activities including a skating party, a slumber party, and an intramural innertube waterpolo team helped to bring Alpha Upsilon Chapter members closer together.

Alpha Upsilon Chapter is looking forward to celebrating the Diamond Anniversary of Delta Sigma Pi with the rest of our Brothers in Cincinnati in November. . . . Have a super summer!

—Kevin M. Sypolt

KENT STATE BETA PI

Another school year is drawing to a close and Beta Pi Chapter has been on the go once again. We had a record response to our recruitment program and we pledged 34 people. We were also engaged in many other programs and activities that made for a successful spring.

The Fourth Annual Summer Job Fair was held here at Kent State and we served as the Reception Committee for the recruiters and the students who attended the fair. Other activities included a number of speakers and films held before our business meetings each week. These events were open to the public in an attempt to make the name of Delta Sigma Pi better known and respected in the Kent community.

Those who went to Robert Morris returned with many tales indicating that a good time was had by all. The Spring Formal was another highlight of the semester, as was the annual golf outing.

We are now wrapping up our work in the Chapter Efficiency Index and are planning a proper farewell to those who will be graduating. So, as we look toward the summer I remind you once again that we are—flying high with Beta Pi.

—Patrick T. O'Hara

WEST LIBERTY STATE DELTA OMEGA

The Delta Omega Chapter started off

the new year with a bang as we combined a profitable fund raiser with a great public service. Under the direction of Donald Manley, the Brothers of Delta Sigma Pi sold advertisements to businesses in surrounding communities in order to produce a six month academic calendar. The 2500 calendars were then distributed to all West Liberty college students and we are looking forward to doing it again next year.

As another public service our chapter helped out with the West Liberty Snow Trot. This was a 5000 meter race held on campus in which our own Bob Herron placed second over all.

Our professional activities also kept us hopping as we enjoyed speakers discussing such things as employment opportunities, job interviews, and outdoor advertising. Visits to Creative Displays and Perry Nuclear Power Plant were once again on our agenda of interesting and educational tours.

Several Brothers attended the Area Conference at Robert Morris College and had a wonderful time. This busy semester also found everyone enjoying themselves at our annual Rose Dance.

The Delta Omega Chapter would like to extend warm congratulations to Ron and Kathy Munk, on the birth of their son, Brian Eric.

—Angela Nutter

DAYTON EPSILON TAU

Epsilon Tau Chapter at the University of Dayton has had an extremely busy semester. Aside from the recruiting, pledging and initiation of our 11 pledges, numerous other activities have kept the Brothers active.

On the professional side we initiated a Town Hall Series of different speakers and debates on campus. One debate involved Dr. Dar, from the Management Department, and Msgr. Louis, from the Economics and Finance Department. They debated the "US vs. USSR Economics." Another activity Epsilon Tau Chapter sponsored was "An Evening with Brother Fitz." Brother Raymond Fitz is president of the University of Dayton, and he answered questions from students. The Town Hall Series proved to be a successful venture.

The fund raising committee successfully landed the flower lottery and sold flowers for the Annual Turnabout Dance. Sales went well, thanks to the hard work of the fund raising committee.

In the community, the children at St. Joseph's Orphanage enjoyed a picnic given by the Brothers of Epsilon Tau Chapter. A good time was had by all and new friendships were established. As a special service project, some of the Brothers have been volunteering for the handicapped office by recording books and helping handicapped students get around campus.

Socially, January brought the usual informal rush and "get to know the pledges" parties. February had a different twist with a fix-up dance for the Brothers. In March, the pledges gave the Brothers a party, and April was busy with initiation and a chapter picnic and birthday party.

Looking back, Epsilon Tau Chapter had a great year. Looking forward, we anticipate a better semester next fall. Have a nice summer and good luck next fall.

—Cora Robison

AKRON THETA KAPPA

Things are coming to an end for the Theta Kappa Chapter for this year. It has been a successful year, and one for most of us to remember. Many of our Brothers are graduating, and they are starting a new part of their lives. For the ones who are staying behind to carry on the chapter, the best of luck for the coming year.

The chapter had a great second semester. We started off with "Meet the Chapter Night" where the Brothers met prospective members. Another major event was a fashion commentary on dressing for the job market which was put on for the entire student body. We also had many interesting speakers as usual at our professional meetings.

Socially, Theta Kappa Chapter was very active. Several trips were taken: one was to Ohio State University to observe their initiation with another trip to Pittsburgh to the Area Conference. Other social activities were skiing, ice skating and dancing, as well as several parties. In April, the chapter rented a racquetball club, and we tested our skills!

The chapter ended the semester with a dinner dance at Tangier's Restaurant, which is one of the finest restaurants in the Northeastern Ohio area. We had a delicious buffet dinner, then the dancing began and everyone had a fantastic time.

—Amy E. Hand

the chapters speak

BOWLING GREEN STATE THETA PI

Theta Pi Chapter enjoyed a very prosperous and rewarding winter quarter. To start the quarter off in the right direction, we held our annual Beer Blast. This is a major fund raiser as well as a social event for our chapter. It was a huge success, thanks to all our members' cooperation and Deltasig spirit.

Our second fund raiser was selling candy bars. This was a quick and easy project, and it turned out to be very profitable. We also continued our coffee and tea sales and added hot chocolate to enhance our sales during the cold winter months.

Our professional program was very enlightening. Various speakers came and presented such topics as "Business Communication Skills," and "Antitrust and Company Mergers." We also had a tour to the Bendix Corporation in Fostoria, Ohio. It was very informative

and enjoyable to all those who attended.

Our big social event of the year was our formal dinner dance which took place on February 20. It was held at the Top of the Tower Restaurant in Toledo. There was plenty of food, drink, and dancing music provided, and a great time was had by all who went. This event involves our alumni, and gives our chapter the opportunity to strengthen our relations with them.

Elections were held for the spring quarter. The newly elected officers are doing a great job so far, and we are sure that they will maintain our well established unity and Brotherhood.

In closing, our chapter wishes all graduating seniors the best of luck and a very enjoyable summer to everyone.

—Yvonne Brennan

ROBERT MORRIS IOTA TAU

Iota Tau Chapter has continued with its busy schedule of fund raisers and professional, social and community service activities. We were very proud to participate in a 30-hour Dance Marathon, with all of the proceeds going to the Muscular Dystrophy Association. Delta Sigma Pi wishes to thank our entrants, Joy Klemenic and Dave Brzozowski, who "danced for those who couldn't" and helped make the Marathon a success.

The Brothers helped to make April 24 a little more enjoyable for many orphans of the Holy Family Institute by having a picnic for them. These special kids really touched our hearts and we hope that we made their lives a little happier.

A new fund raiser was added this semester, with the help of Sears. Sears supplied us with special credit card applications for students and also gave us a fee for every application returned.

Two tours were scheduled recently, with our Brothers once again returning to Washington, D.C. Also, a tour of KDKA, America's 1st radio station, offered valuable information to all attending.

Socially, Iota Tau Chapter has once again outdone itself! April saw much celebration condensed into one long weekend, starting April 16 with our formal party, followed the 17th and 18th with the formal and picnic. Special thanks go to our sponsor and Brother, Dr. Daniel Rota, for being kind enough to offer his home for our picnic. The weekend ended April 19 as Iota Tau Chapter celebrated its second anniversary.

It has been a great year for all of us and we, the Brothers of Iota Tau Chapter, wish our Brothers everywhere a long and enjoyable summer.

—Sandy Dzera

CENTRAL REGION

INDIANA ALPHA PI

The Alpha Pi Chapter started the 1982 spring semester with a full calendar of events. Under the guidance of Laura Bender, our successful membership drive brought in a pledge class of 19.

Our professional events program headed by Jim Mazur developed around the theme, "Business in the 80's, Potentials and Problems." Featured speakers were Mr. James C. Snow, Partner-in-Charge of the Small Business Department of Deloitte, Haskins & Sells, and Mr. John D. Demlow, Manager of College Relations for Chrysler Corporation.

The two main fund raising projects gave our chapter a greater supply of funds to work with. Linda Porter involved the entire chapter in distributing Sears Credit Card Applications, while Brad Marks had everyone display posters advertising a new kind of schnapps.

On the social side, Sue Blonsky began the semester with a "Welcome Back" party. Other social gatherings were the traditional pledge/member kegger, a Valentine's Day party, and the Senior Brunch at Jeremiah Sweeney's.

All in all, Alpha Pi Chapter has pros-

Also visiting The Central Office recently were members of Epsilon Xi Chapter at Ball State.

pered both professionally and socially and we hope to continue this success in the future.

—Linda P. Porter

WAYNE STATE-MICHIGAN GAMMA THETA

Gamma Theta Chapter, reactivated in 1979, has come a long way. The Brothers here are alive and strong and we celebrate our 33rd birthday on May 7. We would like to share a few things we've done and plan to accomplish this semester.

Kathi Heller, our CEI Chairman, is proud to report that we are very close to our goal of 100,000 CEI points for this year. We accumulated approximately 50,000 CEI points last semester and are confident of obtaining our goal this term.

This semester we successfully completed an all new chapter newsletter. Included were current chapter events, an article on the past pledge class and fund raising activities.

In February, the Brothers held a special fund raiser as a community service project. We sold Valentine's Day carna-

tions on campus and all proceeds were donated to the Oncology Center at Children's Hospital of Detroit. Patients at the hospital are given a small toy after treatments for Leukemia and the money donated will be used to purchase more toys. The donation was a memorial to Leslie Gentz, a niece of one of the Brothers, who died of Leukemia in November 1981. Leslie would have been one year old on Valentine's Day, 1982.

This month we will treat a few of the underprivileged children in the area to a fun-filled day at the park. Planned activities include a picnic, with baseball and volleyball games as well as other events.

Eric Walters, a past president of the chapter and CEI Chairman last semester, graduated with a 3.8 honor point average in accounting. Eric will be remembered for his professionalism, dedication and loyalty to his Brothers.

Special thanks also go out to Brother Ed Cochran who served as Vice president for Pledge Education last semester and has been a backbone of our chapter since reactivation. Ed graduated in December and continues to offer his assistance and participation in chapter functions and events. A man of Delta Sigma Pi indeed.

—Derrick J. Morgan

INDIANA STATE DELTA TAU

After an enjoyable Christmas Break, the Brothers of the Delta Tau Chapter were ready to start an exciting, new spring semester at Indiana State. The semester started off with an excellent rush campaign. On February 7 our chapter installed 18 new members into pledgeship. Congratulations to our newest members!! Our chapter would also like to congratulate another of our newest members, our Chapter Advisor, Dr. Daniel Wade!

The Central Regional Conference was held at Ball State on January 29-30. We are proud that our chapter sent the largest delegation to the conference, outside of the Ball State delegation!! The Brothers who attended the conference were Dan Cockrell, Len Mroz, Peggy Arnett, Dan Lewis, Sheila Conley, Rick Smith, Leisa Kussy, and Linda Barrow. Brother Dan Cockrell gave an entertaining speech on the social aspects of Deltasig. Our delegation brought back many useful ideas that we hope to incorporate into our chapter.

As I mentioned before, this was an exciting semester for our chapter. First, our vice president for professional activities lined up many interesting speakers. The subjects of the speakers ranged from owning your own franchise to the dealings of the Better Business Bureau. Second, our chapter became more involved and better known with the other fraternities on Indiana State's campus by participating in the intramural sports program. Third, our members were busy with our fund raisers and community projects. One of our fund raisers was selling School of Business buttons. Our main community project was the Cancer Roadblock. Last, but not least, the social aspects of the fraternity took up a few Saturday nights.

The success of our chapter depends on everyone working together and remembering the purpose of our Brotherhood. Thank you, Brothers, for the great semester, and from the Brothers of the Delta Tau Chapter—"Have a nice and fun semester"!!

—Cary Jo Stievenart

BALL STATE EPSILON XI

The Epsilon Xi Chapter ended winter quarter with 22 new pledges! We held our annual banquet at the Hyatt Regen-

cy in Indianapolis. Everyone that made it through the blizzard conditions had a great evening with good food, atmosphere, and lively music. Area Conference was hosted by Epsilon Xi Chapter. It was a very rewarding fellowship interval for all Brothers. It is always good to meet new and old friends from other chapters and exchange ideas!

Epsilon Xi Chapter is helping the Muncie Community get businesses regenerated. Muncie is holding breakfast meetings once a week for all merchants. This provides communication of ideas, fellowship and new ideas. This project is called Muncie On The Move. We are really proud to be a part of it.

Spring Break proved much needed. We started a new quarter fresh and anticipated those good old spring activities. A computer show was hosted on campus by Epsilon Xi Chapter for the benefit of area business and any interested students. Many other events were the annual Golf Open against the Business Faculty, Bike-A-Thon, much needed sunbathing, and terrible fates of "Senioritis"! We want to wish all graduating seniors good luck, and we will miss them greatly. We hope they won't forget us and will always remember our great fellowship in Epsilon Xi Chapter!! Happy summer and congratulations to all!!

—Rhonda McKee

INDIANA NORTHWEST THETA PSI

Theta Psi Chapter has completed another busy and successful semester. The annual blood drive co-sponsored with the American Red Cross got the chapter and the students of IUN off to a good start under the direction of Carol Gondell. Spring rush for new members began with three "Meet the Chapter" events presided over by Senior Vice President Dwight Vigna and ended with the traditional smoker at Tiberon Trails Clubhouse.

In February, Edward Pachapa assumed his position as Vice President for Pledge Education with the induction of 18 pledges. During March the annual Pledge-Brother Bowling Tournament was held. The pledges also became involved in a fund raiser and a community activity which was a visit to St. Anthony's nursing home.

Vice President for Professional Activities Mark Sebben arranged an excellent professional calendar. The topics of career management, auditing, the stock

market, and the role of a bank president expanded Theta Psi Chapter's knowledge of the business world. Tours included a visit to Bethlehem Steel and a trip to Chicago to see the Continental Illinois National Bank and Trust Company.

The month of April brought the initiation of our new Brothers and the spring banquet. As the 1981-82 school year comes to a close, the Theta Psi Chapter would like to congratulate all graduating seniors and wish them the best of luck in their future careers.

—Susan C. Jebens

INDIANA-PURDUE IOTA LAMBDA

The Iota Lambda Chapter began its new school year by going to Ball State University for the Area Conference. Our chapter spoke on the topic of professional activities.

At the beginning of February we had our "Meet the Chapter" nights followed by our famous rush party on February 5. We all seemed to enjoy ourselves, especially at the party where the prospective pledges had a chance to see the social side of the fraternity.

For a fund raising project, we used the excellent idea of selling credit card applications for Sears. We received 75¢ for each application filled out.

One of our tours during the semester consisted of a trip to Oxford, Ohio, to see how The Central Office operates. It proved to be quite informative. Also in April, we took a joint tour with the Epsilon Xi Chapter of Ball State to the State Legislature in Indianapolis.

We also had several interesting speakers who spoke on such topics as "Equal Employment Opportunity" and "Owning and Operating Your Own Accounting Firm."

Last, but certainly not least, was our spring initiation and banquet in May. We issued award plaques and crowned our new 1982 Rose Queen.

Overall, it was a very successful and worthwhile semester.

—Shelly R. Hinkley

EVANSVILLE IOTA SIGMA

Iota Sigma Chapter at the University of Evansville has had a fulfilling year. The chapter's enthusiasm and involvement has grown! The transition period

the chapters speak

of officers had been completed and all of the members are looking forward to an exciting new chapter administration. 1982-83 officers include: Randy Corley, president; Jamie Sering, senior vice president; Joni Rahman, vice president for pledge education; Aleta Smith, vice president for professional activities; Sally Doyle, secretary; Ruth Fox, treasurer; Denise Punak, chancellor; Beth Will, Chapter Efficiency Index Chairman and Tammy Wulff, historian. Congratulations!

At the same time we wish to extend our thanks and best wishes to our chapter's graduating seniors. Good Luck!

In March, Iota Sigma Chapter celebrated its second birthday with a big bash!

Iota Sigma Chapter of Delta Sigma Pi's Award for Professionalism in Community and Commerce was also a big success. Deltasigs got a chance to rub elbows with area businessmen during a luncheon held in honor of Mr. Vaughn, Chairman of the Board and Chief Executive Officer of the Southern Indiana Gas and Electric Company. Mr. Vaughn was chosen as the second recipient of the award.

Also the members of Iota Sigma Chapter wish to congratulate the newly initiated members in hopes that each one will continue to be an enthusiastic and involved member.

Also, special thanks to our advisors and the Dean of the School of Business Administration for all their help!

—Aleta Smith

GREAT LAKES REGION

MARQUETTE DELTA

The Delta Chapter at Marquette University started a new year and a new semester in the true spirit of Brotherhood by initiating 30 new members.

Junior Vice President John Roche directed the pledge process which began last September and was filled with professional, service, fund raising and social activities. Our service projects included organizing and conducting a bingo night at St. Ben's community center and assisting with a telephone survey for the Southeastern Wisconsin Center for Independent Living. Social events were market by holiday parties, an Ice Cream Social in observance of Founders'

Day and a combination social-fund raiser roller skating party.

The new members hope that we will be able to uphold the fine example set by the initiates and all Brothers looked forward to this semester's itinerary of continued activity. Some highlights were intramural volleyball, a Delta Sigma Pi cocktail party at the Business Administration Student Council dinner dance, a tour of AC-Delco, and a spring service project of preparing Easter baskets for those less fortunate.

The Delta Chapter sends wishes that every chapter may have a very successful semester.

—Therese Ashley

CHAMPAIGN-URBANA UPSILON

After a cold and snowy winter in Champaign-Urbana, Upsilon Chapter was delighted to feel the warmth and freshness of spring. Just as spring is a time for fresh starts, Upsilon Chapter started the semester off well with a pledge class of 14 outstanding members! Paul Johnson, senior vice president, coordinated a very successful and fun-filled rush. Frank Sclavenitis, vice president for pledge education, did a fantastic job in working with the pledges and expanding the pledge program.

Early in the semester, an Area Conference was hosted by Epsilon Omega Chapter at Eastern Illinois University. Tony Fernandez provided a well organized and informational seminar. Upsilon Chapter was proud to have the most members attending, each of us learning a great deal about our chapter as well as about others in the area.

Vice President for Professional Activities Ann Loomis did a terrific job in organizing speakers and field trips this semester. Besides looking forward to our professional program, our annual faculty brunch was a highlight of the term, with over 15 staff and faculty members attending. Our former treasurer, Tim Drazba, deserved credit for this, making this our largest faculty turnout.

Not only was Rose Formal a highlight in our social calendar, but our road trip to Eta Rho Chapter in Wisconsin was a time to reacquaint ourselves with members we had met last fall. They stopped by on their way home from Oxford and we had some business to take care of—right, guys?

Fund raising was also very successful for us. Among the many drives, we had

a trip to Florida over spring break, coordinated by Ron Strong. Daytona Beach will never be the same and the three busloads of students can attest to that. Some of the money that we raised will be used to help pay for the trips to the Regional Conference in October and to Cincinnati shortly afterwards for our Diamond Anniversary. Speaking of celebrations, Upsilon Chapter's birthday party—The Big 60—was April 24. We are looking forward to many more successful years.

The executive board really worked hard and enforced all fraternity policies and are happy with this semester's results. A great deal of credit has to go to all the members who "got involved," especially last fall's initiates and this semester's new members. We anticipate a bright future remembering our motto: The 80's belong to Upsilon!

—Paul Johnson

WISCONSIN-MADISON PSI

Psi Chapter at the University of Wisconsin-Madison has had a super semester. Our schedule of events for both Psi Chapter and the University has kept us at the top in many areas.

Athletically we have stayed on top. We won the championship in intramurals volleyball and are presently winning in hockey, basketball and volleyball. The Badger hockey team is ranked the best, which provided many great reasons for celebrating on Friday and Saturday nights.

Other reasons for celebrating on the weekends was our great social schedule. Starting out the semester was our initiation banquet and party. With seven new members there was a lot of celebrating going on. Next came a Valentine's party, a pledge party for the Psi Chapter of Kappa Alpha Theta, a 50's party with Alpha Xi Delta, and our annual Polish wedding with Delta Delta Delta sorority. Our Rose Formal was on May 1 which promised to be an excellent time for all. Deltasigs will also be sponsoring a five mile run for muscular dystrophy. We're hoping to help out and have fun, too.

Professionally, Deltasigs in Madison have enjoyed an extremely interesting semester. We held a business attire and resume writing workshop from which everyone benefitted, especially our interviewing seniors. In conjunction with the university's business school, Psi Chap-

the chapters speak

ter held a presentation which showed what the school of business is like and what the world of business has to offer.

—John Wallace

LOYOLA-CHICAGO GAMMA PI

Gamma Pi Chapter has opened a new office on the 16th floor of Lewis Tower. Father Raymond Baumhart, president of Loyola, opened the fraternity office at a ribbon-cutting ceremony. Chapter President Ed Perez explained, "Our new office will help the fraternity function in a more efficient manner by providing a central location for our files and also a convenient meeting place."

Fraternity members enjoyed a program on resume writing and interviewing. Vice President for Professional Activities Jack Tsalalis explained, "The program was not only beneficial to our graduating seniors, but also to those members looking for part-time jobs." Joyce Wagman, a speed-reading instructor, gave mini lessons at both Water Tower and Lake Shore campuses. Delta Sigma Pi was a co-sponsor of this event.

Fund raising Directors Jack Liga and Tom Simpson have worked very hard on one of our major projects, the Delta Sigma Pi Academic Calendar. The calendar will include pictures of "scholarly looking" female Loyola undergraduates.

During spring break in March, 16 Deltasigs enjoyed a "restful" trip to Fort Lauderdale, Florida. Social Directors Holli Brickman and Pete Perkins announced that the Annual Spring Formal will be Saturday, May 15. All undergraduate members of Delta Sigma Pi and alumni are invited to attend. Many activities including a pig roast have been planned for this summer.

Delta Sigma Pi wishes the following seniors the best of luck in their new careers: Diane Bunse, Dave Ito, Todd Kramer, Mark Kurkul, Steve Pederson, and Tom Radtke. Tom Radtke was awarded a certificate in recognition of outstanding scholarship.

Delta Sigma Pi also wishes all members and alumni a safe and happy summer.

—Michael W. Myers

EASTERN ILLINOIS EPSILON OMEGA

Epsilon Omega Chapter had a very busy and productive fall semester. The

chapter was very successful in their fund raising efforts for the American Cancer Society. Bedtime stories were conducted which raised \$237 for the charity. The chapter is sponsoring a Florida trip through a local travel agency in order to obtain added income for this semester. The trip will include transportation, hotel accommodations, several parties, and many other activities for the students.

Already this spring semester the Epsilon Omega Chapter conducted a very successful ski trip in conjunction with Phi Gamma Nu. The trip consisted of a tour of Northern Trust Bank and the Chicago Board of Trades Association. It was then followed by an overnigher at Alpine Valley Ski Resort in Wisconsin.

Also on the agenda again this spring, the Epsilon Omega Chapter is sponsoring a softball tournament with area chapters. Last year's tournament did not meet our expectations; however, the chapter is planning a more successful bout and hopes to come out on top. Our annual Rose Banquet has been scheduled for April 25 in Champaign, Illinois. The Brothers of the chapter would like to invite all the alumni members to attend.

At this time, I would like to congratulate the new officers for the Epsilon Omega Chapter on behalf of all the members: Dennis Cannon, chancellor; Al Siepker, vice president for professional activities; Jeff Lewandowski, senior vice president; Scott Johns, historian; Jim Criag, vice president for pledge education; and Jerry Grim, secretary. Best of luck to all of them in the year to come!

—Jon M. Olson

LEWIS ZETA XI

Zeta Xi Chapter, after a year of total reorganization, is glad to be back in the DELTASIG. After almost dissolving the chapter, we are glad to announce that the chapter is back in full swing due greatly in part to the fine new initiates and the chapter's active alumni.

This semester Zeta Xi Chapter presented an educational professional activities program. Speakers included Marilyn Maier, Pat Liska, John Dellert, and Bill Newby speaking on the topics of public relations, changes in food retailing, and marketing. We would like to thank these speakers and all who attended their presentations.

Several new Brothers were initiated

into our chapter on April 16, 1982. We have high hopes for these new members and would like to congratulate Mary Jo DiDesiderio for conducting an excellent pledge education program.

Zeta Xi Chapter was also pleased at the turnout of our activity day, which took place on April 3, 1982. Events included a car road rally, in which participants followed a set of directions while having to check in at certain points. The day was capped off with a dance that was sponsored by both Zeta Xi Chapter and Student Government. Music was provided by Amusement Park. The chapter would like to thank all the Brothers, alumni, and students who helped to make it an enjoyable day.

Commendation is also due to our faculty and alumni Brothers whose renewed support and enthusiasm this past semester have been great. It has been marvelous seeing all of them again and we look forward to their continued participation in our activities.

The Brothers of Zeta Xi Chapter wish all of our Brothers everywhere a very successful and profitable summer.

—Robert M. Plutz

NORTHERN ILLINOIS ETA MU

Eta Mu Chapter at Northern Illinois University has had a very successful spring semester. We commenced our semester with a very famous speaker, Frank Abagnale, the world's greatest forger, imposter, and con man. Mr. Abagnale spoke to a captivated audience and told of his eventful life story.

Our rush program for pledges began with three coffee hours coordinated by Senior Vice President Janet Cappeck, followed by a semi-formal pledge/member dance held at the local Holiday Inn. During our Ritual we pinned 13 newly chosen pledges who worked through our extensive pledge program with Vice President for Pledge Education Rocky Nelson.

For spring break, Eta Mu Chapter sponsored a very profitable trip to Daytona Beach, Florida, organized by a committee led by Mark Kimak and Joe Pacentine. Those fortunate enough to go enjoyed an action-filled week on the beautiful beaches of Daytona.

March 27 was our annual Rose Dance honoring our selected Rose, Therese Smith. The formal dance took place at the Sheridan Hotel in Naperville.

All the Brothers of Eta Mu Chapter

the chapters speak

Celebrating another successful initiation are, left to right, Frank Petropoulos, Keith Mueller, Tim Juliusson, Roger Cisco, Julie Tykla, Valarie Kot and Jim Gootee, all members of Iota Chi Chapter at Illinois State.

hope that all the Deltasigs have a very healthy and happy summer.

—Donna Erdal

WISCONSIN-LA CROSSE ETA RHO

With rush out of the way, Eta Rho Chapter at the University of Wisconsin-LaCrosse was more than ready to begin what promised to be the best semester ever in its history. We kept to our pledge to make Eta Rho Chapter the best known chapter in the nation by sending two members down to Memphis, Tennessee, to the National Executive Committee Meeting. They brought back many new ideas and an excitement that spread like wildfire. They still smile whenever someone mentions the word "Memphis" to them.

Jack Belke, our vice president for professional activities, supplied us with an abundance of activities starting with our Minneapolis tour. We toured General Mills and Control Data on February 12. Later that day we were treated to a reception by the Brothers of Alpha Epsilon Chapter of the University of Minnesota-Minneapolis. On February 26 we toured the National Fishery here in Wisconsin. Again this semester we traveled out of the area, this time to St. Louis. We met with Iota Nu Chapter and exchanged ideas.

Charlie Simpson of Heileman's Corporation was our guest speaker at our Speaker Dinner. He brought along the advertising campaign for the year and explained its objectives.

Our fund raising events are reaping handsome rewards for us for another se-

mester. Even though our contract with the food service on campus had to be reduced slightly due to budget cuts, we made up for the loss by soliciting credit cards. Our second annual Pre-Test Fest, scheduled for May 12, promised to be the biggest fund raising event we have ever undertaken.

We sponsored a very rewarding day of fun for youngsters 8 to 10 as our community project. We went to a nearby forest for a day of hiking and exploring which found the big boys having more fun than the little boys, if you can believe that.

The whole semester built to the climax of the year, Rose Banquet and initiation. Thirteen new initiates joined our ranks on April 23. This year's banquet was held at the Veterans Building in LaCrosse and, as always, ended with some very interesting memories.

We welcomed back alum Bob Newberry at the start of the year. Brother Newberry joined the faculty of the university this semester to teach economics on an introductory level. We also started a newsletter to keep other chapters informed of the events that are upcoming so Brothers elsewhere can join us in our celebrations. We hope to see more chapters in the future and thank those chapters who have joined us this past semester.

—James P. Sowatzke

ILLINOIS STATE IOTA CHI

Spring semester has proven to be a busy one for the Brothers of Iota Chi Chapter. Our professional program

opened with a presentation by Christie A. Sever, a financial consultant from Inland Steel. Next the chapter traveled on to the Quad Cities for a tour of the John Deere Harvester Works and their Corporate Headquarters. During Business Week at Illinois State we sponsored Paul Schmitt, the Educational Lieutenant Governor of District No. 54 Toastmasters, as our speaker. We also welcomed Pat Catania, a marketing manager from the Chicago Board of Trade.

Our Florida bus trip to Daytona Beach over spring break is sure to become an outstanding tradition here at Illinois State. Another of our fund raising activities included a raffle for a weekend package with a certificate for dinner for two and tickets to see James Taylor and Beatlemania at our very own Braden Auditorium. Babysitting was added to the Brothers' list of responsibilities when we volunteered to take care of children for mothers visiting a Women's Career Conference at the university. For Business Week the College of Business produced a paper listing all activities, events, and feature articles for which all key staff members were Deltasigs.

Many of our social activities focused on getting to know our 12 new little Brothers recruited for spring initiation. Iota Chi Chapter welcomes and congratulates Randy Rainville, Victor Conrad, Vicky Jones, Robert Chavin, David Dykstra, Dennis Benford, Chris Siebert, Dan Dornblaser, Sheryl Sears, Louie Weisbach, Jesse Hurtado, and Alex Kolief. With their help we will be able to hold the top position in our region for Chapter Efficiency Index points and be proud that once again we will be able to reach and achieve well over the goal of 100,000 points.

Rose Formal was a success and brought back many alumni for an exciting evening. There is much to be said about the 30 graduates that are beginning a new life out in the real business world this spring. They have constructed a great foundation from which the rest of us can continue to build. Their contributions will not be forgotten for without their hard work and cooperation our chapter here at Illinois State would never have been established. We will always hold the memories of this fraternity close to our hearts and continue to grasp and keep a hold on the bond of Brotherhood that keeps us all together. Unity in Brotherhood does prevail at Illinois State.

—Jacqueline A. Jankowski

the chapters speak

SOUTHERN REGION

MISSISSIPPI ALPHA PHI

Greetings from the Alpha Phi Chapter at Ole Miss! We are excited to have 12 pledges this semester. They include Mitzi Butler, Connie Cox, Susan Filer, Marcia Forester, Lelia Graf, Revonda Harris, Terrell Lewis, Donna Lilard, Leigh Phelps, Georgia Russell, Mark Wilkinson, and Judy Wong. A Big Brother week was set aside for the members to get to know the pledges. The week was concluded with a party for everyone, and the pledges were presented with a Deltasig sweatshirt by their Big Brothers.

Our professional program this semester has been very good. We have sponsored a speaker, Mr. John W. Lange, with Globe S. M., Ltd. The title of his talk was "The Nuts and Bolts of Foreign Trade." Also, we have made a tour of Holley Carburetor Company in Water Valley, Mississippi. We were fortunate to be able to hear Mr. Dwight Young, a CPA from Oxford, Mississippi.

We want to recognize our faculty Deltasigs . . . Dr. Russell Briner, Dr. Roy Carpenter, Dr. James Davis, Dr. John Filer, Dr. Carl Nabors, Ms. Kathy Smith, Mr. L. Murphy Smith, Dr. Gerald Skelly, Dr. Charles Treas, and Dr. Frank Wiebe. We are glad to know that we have so many Brothers at Ole Miss!

Finally, congratulations are in order to these graduating seniors . . . David Bradshaw, Dana Dallosta, Judy Dukes, Ruth Ingram, Paul McClain, Elizabeth Martin, Jerry Rudman, David Shaw, and Nan Torbert. Good luck in the future!

—Nan Torbert

MISSISSIPPI STATE GAMMA DELTA

Gamma Delta Chapter at Mississippi State University started the spring semester with great enthusiasm. Our calendar of events began on January 21, 1982, with a professional dinner meeting. Barbara Blankenship, Assistant to the Vice President of Student Affairs, spoke on student organizations and leadership.

The spring rush began on February 1-3, with the formal rush party on February 4. Due to the efforts of chapter

members 13 pledges were initiated on February 18, 1982. We were happy to have Chapter Consultant Jere White visit our chapter. He enriched us with beneficial ideas to make our chapter more efficient. Several members joined him after the meeting for dinner.

Gamma Delta Chapter is determined to account for 100,000 points in the Chapter Efficiency Index again this year. With the great enthusiasm of the chapter members, along with the pledges, we will achieve our goal.

The chapter would like to express deep sympathy for the loss of one of our Brothers. David Isbell, stricken with a severe case of arthritis, died in February, 1982. In memory of our beloved Brother the chapter plans to send contributions to the Arthritis Foundation.

MEMPHIS STATE GAMMA ZETA

The Brothers of Gamma Zeta Chapter started out the New Year with a BANG! Recruiting was the main project at the beginning of the semester. Recruiting devices included a professional program composed of professors from each department in the Business College, each speaking on his area of instruction. This enabled undecided business students to gain awareness in the various fields of business. "Get Acquainted" parties were also used in recruiting prospective pledges. We are

very pleased with the results of our efforts. Over 50 students showed an interest in becoming a Deltasig.

The National Executive Committee held their meeting in Memphis the weekend of February 5. We were honored and excited to have them attend a joint party held by our chapter and Epsilon Psi Chapter on February 6. Our party was also visited by Brothers of Alpha Omega Chapter from DePaul University in Chicago and Eta Rho Chapter from the University of Wisconsin in LaCrosse. The night was definitely one of promoting Brotherhood between Deltasigs. Thank you to all Brothers who attended!

The Gamma Zeta Chapter is working hard on continuing to be the largest professional business fraternity on campus. Our plans include having donut and coffee sales continuously for the remainder of the school year, and giving presentations at local high schools to promote our campus and our fraternity. Making Delta Sigma Pi a well known and respected name on our campus and in our community is our chapter's main objective.

Good Luck to all chapters and to all May graduates. And for those Brothers who are not graduating in the near future—Hang in there!

—Janet Perry

SOUTHERN MISSISSIPPI GAMMA TAU

the chapters speak

Gamma Tau Chapter continues to be the active, involved and growing chapter it is known for at USM. Spring is our exciting time of the year here in the South, with the onset of warm weather, blooming flowers and sunny days. This helps to add to our excitement of joining together for professional activities, fund raisers, community service projects and, of course, social activities.

We have been very busy this semester. Among our professional activities were several speakers before our business meetings, which our pledges attended; touring South Central Bell in Jackson, Mississippi, touring Hancock Bank in Gulfport; and our annual professional dinner during the week of recruiting. We were very fortunate to be able to host a reception for the recruiters from Amoco Oil Company.

Among our fund raisers were the Sears and Zales credit card tables. We offered students the opportunity to apply for credit cards and establish some credit before they finish school. We were also able to promote Delta Sigma Pi through this activity. Other fund raisers have been working the inventory at McRae's Department Store, and we have had several bake sales.

Gamma Tau Chapter enjoys its share of social activities. We meet together at our Deltasig House on campus daily, between classes and in our spare time. We've had a Big Brother-Little Brother party under the direction of the vice president for pledge education, Keith Hilderbrand. Our annual Rose Formal was held in April on the coast. Alumni from all over the surrounding area were present.

Gamma Tau Chapter is very alive and well at the University of Southern Mississippi. Thanks to our dedicated president, Jimmy Pendergrass, our alumni, faculty and our entire undergraduate chapter, we have the Deltasig Spirit which makes our fraternity special.

—Kelly Eldridge

CHRISTIAN BROTHERS EPSILON PSI

Spring 1982 proved to be yet another productive and rewarding semester for the Brothers of Epsilon Psi Chapter. The variety of professional and social activities held this semester has helped to mold the chapter into a well-rounded Brotherhood.

The spring pledge class overflowed with talented individuals who can only

help to further the growth of the chapter. Congratulations are in order to Lauren McCabe, vice president for pledge education, and to the new Brothers on their initiation into the chapter. We wish them the happiest years here in the chapter.

The professional program, run by Philip Babin, was a major factor in the growth in the chapter. Speakers included Mr. James Stock of Memphis Uniport and Ms. Jackie Nerren from a local Market Research firm. Both speakers provided the chapter with new and interesting information. The program also consisted of a number of tours and films along with service projects. The semester also marked the visit to our chapter by Mark Roberts, Director of Chapter and Alumni Club Operations. His visit brought the chapter new ideas as well as providing him with some of our own.

We are very proud to announce that the 1982 Christian Brothers College Homecoming King was Brother Mike Owens. Mike was also the MVP for the basketball game. Other Brothers on the court were Keith Weir who tied for first alternate and Marybeth Herring who was second alternate on the Queen's court. Delta Sigma Pi was well represented in the Homecoming Court this year and we congratulate our Brothers on this honor.

One of the many highlights of this term was the reception held for the National Executive Committee on February 6 in conjunction with the Gamma Zeta Chapter. The true spirit of Brotherhood was shown as we danced the "cotton-eye Joe" and played "quarters" with some of the committee members. I would especially like to thank all those who attended for the wonderful feeling of fraternalism that they left on me and the other Brothers of this chapter. I also hope that this feeling did not end with the close of the meetings here in Memphis, but will continue to grow and spread wherever we may find ourselves so that the bond between all Brothers may be strengthened. We look forward to hearing from our new friends and learning more about them and their chapters.

The Rose Dance, held February 27 at the downtown Ramada Inn, was a success as the chapter extended a welcome to campus friends. The meaning of our celebration doubled this year as we recognized the chapter's 18th Birthday in conjunction with the dance. Thanks to Joe Donnelly and all who helped him organize such a memorable evening.

Grand President Mallonee, District Director Don Helton and Chapter Advisor Brother Alfred Moroni (*Christian Brothers*) enjoyed the reception for the National Executive Committee sponsored by Gamma Zeta and Epsilon Psi Chapters.

The close of the term brings both joy and sadness. We are proud of our accomplishments this year and of our 21 graduating seniors. The times we have spent together will always be happy memories, and yet a sadness comes with the thought that they are over. Time changes all things, but it can never change the love and caring this chapter shares among its Brothers. We rejoice in this knowledge and look forward to the future, new Brothers and new friendships. Goodbye, Seniors, and Good Luck.

—Peggy Hourican

WESTERN KENTUCKY ZETA THETA

Great things are happening to Zeta Theta Chapter at Western Kentucky University. Our semester began well with the "Meet the Chapter Night" where prospective members had a chance to meet the Brothers of the fraternity. Rush went well as did the entire pledge program as 19 pledges were initiated into Delta Sigma Pi on March 27.

On March 23, Zeta Theta Chapter held its Fifth Annual Recognition Banquet, which honors a Bowling Green businessman for his achievements and contributions to the business community. The Brothers, with the aid of the Business Advisory Committee, selected Mr. Alan Baker, Plant Manager for Lord Kinematics, for this award and induction into the "Wall of Fame."

While we were busy with many tours

the chapters speak

and speakers, and sponsoring a professional seminar as well as a Skatathon for the National Kidney Foundation, we had time for fun, also. On two separate nights Zeta Theta Chapter sponsored the Alibi, a local campus nightspot. The Spring Fling was held on April 17. The Brothers went on a riverboat cruise in Nashville on the Cumberland River.

The members of Zeta Theta Chapter wish the best of luck to all other chapters and all graduating seniors in achieving their goals in the fraternity and in the business world.

—Mark Mills

MISSISSIPPI COLLEGE ZETA IOTA

The Zeta Iota Chapter would like to welcome Dr. Lloyd Eugene Roberts to the faculty at Mississippi College. Dr. Roberts is from Jackson County, Mississippi, and received his B.P.A. in Public Administration from the University of Mississippi in 1966. It was during his undergraduate years at Ole Miss that Dr. Roberts became a member of the Alpha Phi Chapter of Delta Sigma Pi. Dr. Roberts said that Deltasig helped him to learn to mix with all types of groups and prepare in dealing with others in the business world. Dr. Roberts said "this is a world made of many different types of people and in order to succeed you must be able to communicate effectively with all of them."

Several Brothers of the Zeta Iota Chapter have been honored by the M.C. student body. Jackie Holifield, chapter president, was elected Senior Maid in the Homecoming Court. Hal Fisher, chapter chancellor, was elected president of the M.C. student body. Brother Fisher has recently returned from Washington, DC, where he attended a conference sponsored by the National Association of Independent Colleges and University Students. Also, Brother Mark Courtney was elected president of the senior class. Deltasigs selected to *Who's Who Among Students in American Universities and Colleges* are Jerry Comfort, Hal Fisher, Baron Gibson, Lanae Koonce, Jim Lee and John Travis. ODK, the national leadership honorary society, elected into its membership Deltasigs Jackie Holifield, Jerry Comfort, Sheila McGee and Hal Fisher.

Zeta Iota Chapter has been successful in its recruiting efforts, enjoying a Coke Party and a Mexican Dinner after which 11 new pledges were inducted, following

the fall semester when 20 new members were initiated.

—Deborah Collins

WEST FLORIDA ETA UPSILON

On February 8, 1982, the Eta Upsilon Chapter of Delta Sigma Pi at the University of West Florida held a professional activity program. Our speaker, Mr. Ted A. Kirchharr from Merrill Lynch, Pierce, Fenner and Smith, Inc., of Pensacola gave an informative speech on "The Economic Recovery Act of 1981—How to Benefit from The New Tax Laws." The activity was open to the general public. We were able to use local radio stations to help promote the event through public service announcements.

Mainly he spoke about the savings one can have from his/her Federal Income Tax through deductions that could be achieved through the new tax law. He also elaborated on the fact that the future outlook of saving money was a big part of new tax law and how to benefit. This gave the fraternity great exposure to the university students as well as to the community.

GULF SOUTH REGION

LOUISIANA STATE BETA ZETA

Eta Upsilon Chapter at West Florida sponsored a campus-wide forum on the Economic Recovery Act moderated by a representative of Merrill, Lynch, Pierce, Fenner and Smith.

Spring semester for Beta Zeta Chapter was a rewarding time. Our first activity was the rush reception which took on a new look this year. The program featured speeches, slide presentations, and fine food buffet style. This overwhelmingly successful rush culminated in the initiation of 36 new members.

On the social side of the chapter we once again held our traditional Louisiana "crawfish" boil headed by Brother Duane Duhon. The boil was given in a style that only a true Cajun could give and was enjoyed by all. Beta Zeta Chapter also sponsored three basketball and two softball teams in the university intramural program this spring.

The spring professional program stressed "Success in the Sun-Belt." The chapter went on a two-day field trip to New Orleans which was highlighted by a boat tour of the port of New Orleans and a tour of a large petroleum related company. The professional program also included a unique two-day business machine exposition which was held on campus and opened to the public. The exposition featured the latest in data processing and office communication systems.

Civic service played a major part of the chapter's spring activities. Members of the chapter participated in the Mardi Gras Film and Video Festival which attracted movie producers from all over the nation. However, our most rewarding experiences were Easter parties which were given for underprivileged children in Baton Rouge.

In conclusion, our newly initiated members and veteran members will con-

the chapters speak

Graduating seniors, left to right, Danny Willmeyer, Garlon Ebanks, Ruthie Bacina, Janet Boulos and Donna King at Delta Mu Chapter at Loyola-New Orleans will be missed by their fellow Brothers.

continue to make Beta Zeta Chapter productive and a community servant.

—Keith J. Taylor

LOUISIANA TECH BET PSI

Greetings to all Brothers from Beta Psi Chapter at Louisiana Tech University. 1982 arrived with a bang here in Ruston, Louisiana, bringing ice and snow with it. After we all got thawed out we got busy with a variety of projects and activities.

Officer elections were held on January 28, and our new officers are definitely a very enthusiastic group. Debbie Moore and Lisa Rich did an excellent job organizing winter quarter's formal rush, which was held on February 9. Everyone enjoyed a delicious cake, an interesting speaker, and a fascinating slide show. Then on February 11 we held informal rush. Some of our more talented members entertained everyone with a crazy skit. Installation of our new officers, along with pledging ceremonies, was held on February 16.

Everybody was very excited with the reopening of the business building this quarter. Teachers and students both were anxious to move back into the newly renovated building.

So that more members could attend the basketball tournament in New Orleans, we held a car wash fund raiser on March 6. Everyone had a blast and lots of money was made (to be put to good use at Pat O'Brien's). With many Beta Psi members attending, the Annual Gulf South Regional Basketball Tournament was held on March 20. We all enjoyed the games and a big bash thrown

by the Crescent City Alumni Club afterward.

Phillip Burmaster did a very good job of scheduling many educational tours and speakers. The main event was a grand tour of Dallas April 22-25. Many fascinating businesses were toured and for a little fun we went to the Playboy Club. Back in Ruston, initiation and the initiation banquet were held on May 8. We are very excited about this new group of members and know that they will contribute much to the Brotherhood.

Beta Psi Chapter was more than willing to run two booths at Tech's Spring Fling this year. We had a lot of fun, not to mention raising a little money. BSA Day was also a big success this year, with Beta Psi members participating in all games and activities. To close the year out with good memories, an end of the year party was held at President Taylor's camp on Lake Darbonne.

Beta Psi Chapter would like to wish all graduating Brothers much success and may everyone have a great summer.

—Anne Smith & Trish Smith

LOYOLA-NEW ORLEANS DELTA NU

Delta Nu Chapter has had quite an active spring semester, both socially and professionally. It was an exciting Mardi Gras, here in New Orleans, and the Delta Nu Deltasigs added to the fanfare with their own Mardi Gras parade day. As an escape from the craziness, we rented a cabin on Lake Pontchartrain where members and friends could get together for a little more quiet relaxation. Other social events that have brought unity to our chapter include a retreat

held in Rosaryville, Louisiana, on February 27-28, our monthly community projects held with the Methodist Home for Abused Children, our Hawaiian luau party, and our gala spring formal held at the Fountain Bay Hotel (we danced the night away).

On the professional side, we have been just as active. An employment fair which was held in February brought much recognition to our fraternity. Many members and students have expressed their appreciation to Delta Sigma Pi for sponsoring such a career-oriented event. Mr. Vince Boynan from Monsanto chemical plant spoke to us about social responsibility. Everyone enjoyed the lecture. Our public relations committee published an informative newsletter to keep members and alumni up to date on the activities of the fraternity. And finally, we'd like to thank our alumni for their support of our ATARI game raffle. It was one of our most successful fund raising events.

Everyone is looking forward to graduation. More than 20 seniors are leaving us. But we are confident that with our new members the Delta Nu Chapter will be going strong when we begin the fall semester.

—Kristy A. Kloster

NEW ORLEANS EPSILON NU

Epsilon Nu Chapter at the University of New Orleans is proud to say that another semester has taken off successfully. We had 21 prospective pledges and all seem to be enthusiastic and hard working individuals.

Thanks to our vice president in charge of professional activities, Jim Wall, we have had many promising guest speakers to come and confer with us about such topics as accounting, banking, and tourism in the New Orleans area.

Among the rest of our officers for the spring semester are: Barry Rodriguez, president; Kevin Rooney, senior vice president; Dick Collins, vice president for pledge education; Keith Macke, secretary; Frank DiFulco, treasurer; Don Hingle, CEI Chairman, and Gary Kurz, chancellor. All are trying their best to keep our chapter's standards as high as they've ever been.

Our spring activities began this semester, as usual, with our rush program. The program consists of various rush parties, a wine and cheese party, and our rush smoker. Paul Arigo, alum-

the chapters speak

nus of Deltasig, was our guest speaker at the rush smoker.

This semester, we also celebrated the 20th Birthday of the Epsilon Nu Chapter. April 15 was the date and a festive event was planned for the occasion. HAPPY BIRTHDAY, EPSILON NU!!!

NICHOLLS STATE ETA IOTA

The Eta Iota Chapter's spring semester at Nicholls State University has been very active.

Brothers Rene Landry and Jacques Frere organized two rewarding community projects. We enjoyed playing games, dancing, and handing out gifts to the handicapped children at the Acadia Day Care Center. Our second project took us to Thibodaux General Hospital, where we were fake victims for the hospital's emergency room staff.

With the help of Ashley Richard, "Pledge Pop," the pledges were initiated as new members on April 17, 1982.

Dancing and partying were the scene at the Rose Ball which was held at the Labadiville American Legion. Special credit was given to Melissa Gros and her social committee for organizing such a successful evening.

A softball tournament organized by Brothers Kentley Fairchild and Mark Arceneaux was held in Chackbay for local teams in the LaFourche area. A great time was had by all.

Rene Landry, vice president for professional activities, kept our professional program agenda filled with many luncheons and interesting speakers.

Finally, we would like to congratulate the new members of the Eta Iota Chapter. We are looking forward to a very successful semester.

—*Pamela Markham*

NORTHEAST LOUISIANA ETA OMICRON

Our third annual Information Systems Day was a wonderful learning experience as well as an enjoyable social event. It was held on the Northeast Louisiana University campus in the Student Union Building. The Eta Omicron Chapter has sponsored the Information Systems Day for the past two years and we have had many businesses attend to display their computer systems; this year we had more vendors than ever be-

These members of the Eta Iota Chapter at Nicholls State recently toured the Waterford-3 Nuclear Plant.

fore! There was also a record turnout from the students, faculty, local businesses, and the public in general. Everyone seemed very interested in the effect that computers have had on businesses, corporations, and the people who use them.

There were representatives from local businesses who were able to demonstrate the use of their computers and the amazing things they can do. Data processing systems, word processing systems, telephone systems, and microcomputers were on display so that we could see how they operate in the professional world as well as in the home.

—*Robin Kennedy*

McNEESE STATE ETA TAU

After a fun-filled and very successful fall semester the Eta Tau Chapter returned from the Christmas break with a brand new group of enthusiastic, energetic and hard working officers. They are: Karen Parden, president; Mary Gauthier, senior vice president; Pete Dever, vice president for professional activities; Eva Pettefer, vice president for pledge education; Gilbert Broussard, treasurer; Paula Sheffield, secretary; Wayne Patterson, chancellor; Mary

the chapters speak

Guillory, CEI Chairman; Renee Vaughn, historian; Cherie Cooper, Deltasig Correspondent; and Mr. John Moreau, chapter advisor.

Rush went over very well. After two weeks of hard recruiting, we had 35 prospective members that showed up at our "Meet the Chapter" function. To celebrate the evening, we had a professional speaker, Dr. R. Tinsley from McNeese's Economics Department. After his spell-binding speech, we had a wine and cheese party in which everyone who was present undoubtedly had a good time.

On February 12, the Brothers had an "Alumni Appreciation" Party at Suffolk Manor Club House where we honored our alumni Brothers with a buffet supper. Everyone had a great time and we're looking forward to our next party.

On February 20 the Brothers stood on street corners to collect money for the Heart Fund. We have a special "thanks" to give to the pledges who helped us with the drive.

The chapter has done a great job of getting its feet back on the ground and we'd like to thank the spring officers and the alumni club for helping us do that. The chapter wishes all the Brothers a safe and happy summer break.

—Cherie Cooper

NORTH CENTRAL REGION

IOWA EPSILON

The end of the school year is upon us, and Epsilon Chapter has certainly been busy. We finished our second semester by initiating 20 new members who were educated by Vice President Lisa Hines.

Professional functions were very successful this semester. Jane Cohen, vice president for professional activities, arranged for many prominent speakers who informed us about everything ranging from owning a small business to working in a large corporation. Brother Cohen also planned an interesting field trip that took us to Peoria, Illinois. There we toured such businesses as Caterpillar Tractor Co., and Ruppman's Marketing Services.

Our spring social activities began with our traditional pig roast at Brother LeBeaux's farm. Many of our alumni joined us there for an exciting game of softball and plenty of good food and drink.

Looking ahead to next semester, Epsilon Chapter has been busy planning alumni tailgate parties to help cheer our Hawkeyes on to the Rose Bowl once again! We hope that all of you had as good a year as we did.

—Valerie Geiger

NEBRASKA-LINCOLN ALPHA DELTA

Alpha Delta Chapter at the University of Nebraska-Lincoln once again enjoyed a very prosperous and rewarding semester. Twelve new pledges were welcomed into the chapter after a successful rush. Fund raising ranged from cleaning cars at a car wash to raffling off a "night on the town."

Professionalism continues to be emphasized by the chapter. Activities included tours of Jantzen, Duncan Aviation in Lincoln and a trip to Omaha, Nebraska, to tour Mutual of Omaha. Speakers included: Dr. Don Aripoli, Director of Financial Aids; Jerry Kromberg, President of Media Productions and Marketing; Senator Shirley Marsh; Jerry Gregor, Management Officer, Corps of Engineers-Missouri River, Omaha District; Wayne Battenfield of Scouler Grain Company and Alan Young of Alan Young Buick. Two dinners were also included in the activities.

Social activities started out with a Welcome Back Party at the beginning of the semester, and included an undergraduate-alumni party and parties after the dinners. The Regional Basketball Tournament was held in Lincoln this year, and was a huge success. Our chapter won three of the seven events.

We would like to congratulate and wish continuing success to our Brothers that are graduating at the end of this semester. We would also like to thank them for the efforts and enthusiasm they put forth for the chapter and the fraternity.

—Norman Kromberg

SOUTH DAKOTA ALPHA ETA

Alpha Eta Chapter at the University of South Dakota had a very interesting and productive second semester, which started with an excellent pledge class.

A few of the many activities Alpha Eta Chapter participated in included faculty teas and a Beer and Cheese Par-

ty on February 5 at the Old Style in honor of our prospective pledge class. We also sent delegates to the area Invitational Basketball Tournament in Lincoln, Nebraska, and the pledge class organized several walkouts. In the spring we had our annual Pig Roast and Softball Tournament with the Business School Faculty, which always proves to be a good time to socialize with the professors in a more informal atmosphere.

Our Ways and Means Committee is to be commended, along with the rest of the Alpha Eta Chapter, on the success of this year's fund raisers. We had fun making and selling silk Valentine's Day roses and holding our biannual auction of the pledge class, with Dr. Hadley officiating as our auctioneer! A bake sale in the Business School helped us financially, and enabled fellow Business Schoolers to store up enough energy to attend their next class! We also participated in the 24 hour Dance for Dystrophy which was held in the Dakota Dome and put together energy paks the week before finals.

Marge Coler did a super job this semester as our Vice President for Professional Activities. A few of our professional speakers included Ron Williamson, who is Executive to the Governor of S. D. State; a member from BANCO and Chief Justice Wollman.

We found ourselves in Minneapolis, Minnesota, this year for our annual field trip. Some of the professional tours included the Federal Reserve Bank, 3M, Control Data, and the Hamm's Brewing Company. We also attended the Chan Hassen Dinner Theatre, which definitely added to our cultural background and was very enjoyable. On a less formal note, we also attended a North Stars Hockey game that was brutal and exciting. Since our hotel was conveniently located in the heart of the city, many members were able to partake of some of the better known night spots and clubs on their own!

Alpha Eta Chapter is looking forward to an exciting fall semester and wishes the best of luck to all the graduating seniors. May everyone have an enjoyable future.

—Mitch R. Zoch

DRAKE ALPHA IOTA

Alpha Iota Chapter at Drake University wound up this academic semester as successfully as prior semesters. We

the chapters speak

welcomed 15 new members into the Brotherhood following their diligent efforts during the pledge period.

Quality was the key word for the professional program this spring. We were fortunate to have several local speakers and a field trip to the Des Moines Marriott Hotel. The highlight of the semester was the field trip to Houston, Texas, where we toured Shell Oil, Touche-Ross, Nieman-Marcus, and NASA. All those attending felt it was a greatly rewarding experience and a well deserved respite from the ravages of an Iowa winter.

Alpha Iota Chapter has attempted to strengthen its faculty and alumni relations. Several activities were held, mostly social in nature, which increased our faculty/alumni participation. A good time was had by all, and there has been a definite improvement in the chapter.

All Brothers kept their spirits up despite the winter cold by attending the many social activities this spring. Several individuals attended the Regional Basketball Tourney in Lincoln, Nebraska, and returned with many intriguing tales.

We would like to thank our president, Jim Schmidt, for his wisdom and guidance which has led to another 100,000 CEI point year. Also, we extend the best of luck to all Brothers departing the academic realms for a successful career!

—Lori A Watts

MANKATO STATE EPSILON IOTA

Epsilon Iota Chapter at Mankato State University started a busy winter quarter with a presentation by Mr. Larry Schnoor, chairman of the speech department at Mankato State, who spoke about parliamentary procedure. He gave our chapter helpful suggestions on how to modify Roberts' Rules of Order to best fit our group. February 3 saw the installation of Epsilon Iota Chapter's new executive officers during the regular meeting. Our new officers will serve until the end of the school year.

The second recruiting drive of the 1981-82 school year was successfully conducted from February 8-19. An informational table manned by Epsilon Iota Chapter Brothers was set up in the Morris Hall Addition. An informational meeting was held to answer any questions of potential pledges on February 10 in the Centennial Student Union. Posters were hung in the dormitories and in class buildings, and leaflets were

dropped under dormitory doors to advertise that Epsilon Iota Chapter was rushing. A tour and presentation was given by Hubbard Milling Company during the second week of recruiting.

Eighteen Brothers from Epsilon Iota Chapter spent the weekend of February 12-14 in Lincoln, Nebraska. They were attending the tournaments and festivities sponsored by the Alpha Delta Chapter. The basketball, volleyball, ping pong and pool tournaments were some of the contests that our Brothers participated in during their eventful weekend in Lincoln.

A haunted house was sponsored and operated by the Epsilon Iota Chapter for area mentally and physically retarded children. This community service project was held in the Student Union Ballroom on February 22 in conjunction with the Snow Carnival festivities. Both the children and the Brothers enjoyed themselves while participating in the haunted house.

—Mike Stauffer

WAYNE STATE ETA PI

The 1982 spring semester of the Eta Pi Chapter of Wayne State College proved to be quite successful. We began the year by being rewarded with 23 pledges, thanks to the efforts of Senior Vice President Lynae Barry. Under the direction of Cheryl Wamberg, our prospective new members gained the knowledge and experienced the Brotherhood needed to become a true Deltasig. Initiation was held April 24 with the Rose Formal following. This year we held the formal with Alpha Eta Chapter of South Dakota in Sioux City. It was a fantastic experience which we hope will become a tradition!

Our professional program contained speakers on topics which ranged from loans to IRA's. We traveled to Grand Island for our mini-tour and toured the Stuhr Museum, Rainbow Bread and Cargill Seeds. The Eta Pi Chapter also toured NuCor Steel and Sherwood Medical Supplies in Norfolk. Much knowledge was gained in these trips. Well done, Suzy Schrage!

Fund raisers included raffling off a color television set and selling T-shirts to the business students. We also sold our biannual Energy Packages to feed those starving brains during finals week.

We had several social functions including a "Get to Know the Pledges"

Roger Linde, left, and Bob Nelson take a break in the action during the Alpha Eta Chapter Valentine's Day rose sale at South Dakota.

M.A.S.H. party and a roller skating party. All these functions helped to increase our sense of Brotherhood.

The North Central Region Basketball Tournament was attended by 10 of our members and the report back was that Lincoln knows how to hold a basketball tournament! Congratulations, Alpha Delta!

The best of luck and success to all those graduating this semester. May your efforts be rewarded by achieving your goals.

—Kathy M. Forbes

ST. AMBROSE THETA OMICRON

Spring 1982 proved to be a busy semester for Theta Omicron Chapter. We began the semester with one of the most aggressive recruitment campaigns in the history of the chapter. Rush week got underway with all the Brothers making personal contacts with prospective members, followed by a "Meet the Chapter Night" including a guest speaker, Dr. William Bakrow, president of St. Ambrose College. Throughout the pledge education period we provided many opportunities for the pledges to get acquainted with the members of the chapter. The real highlight of our pledge program was a visit from Assistant Executive Director Mike Walsh.

Our professional activities committee had their hands full with a schedule of on campus speakers on topics ranging from Reaganomics to Twenty-First Century Telecommunications. Some of our

the chapters speak

away from home activities were a trip to a Chicago Big Eight accounting firm as well as a visit in Minneapolis with our fellow chapter, Alpha Epsilon.

Some of our social and fund raising events included pool and euchre tournaments and a "Bucket Night" in the campus pub. We added variety to our annual Rose Formal by inviting all of the alumni and faculty members. Finally, we wound up the semester on May 10, our chapter birthday.

—Alan Tokheim

ST. CLOUD STATE THETA TAU

Theta Tau Chapter at St. Cloud State University sent over 30 members to the Lincoln, Nebraska, Basketball Tournament over the Valentine Day weekend. It was an experience that allowed us to strengthen Brotherhood both within our chapter and with other chapters in the region. As usual, we showed ourselves to be great competitors.

Our chapter's annual Florida trip, under the guidance of Joel Sutherland, proved to be one of our most successful ever. The addition of our new payment plan enabled 30 Brothers to participate this year. It was also our largest trip, filling five and one half buses with almost 50 people choosing our flight option.

Some of our spring events included a marathon sponsored by Theta Tau Chapter, a clean-up of Riverside Park, and Parents' Day that allowed our parents to share some activities with us. We also looked forward to seeing our alumni attend our Rose Dance at the Holiday Inn in St. Cloud on May 8. The evening began at 5:30 P.M. with drinks being served at pool-side, followed by dinner at 7:00 P.M., with a very special program.

—Bentley C. Lein

MIDWESTERN REGION

MISSOURI-COLUMBIA ALPHA BETA

Alpha Beta Chapter began the new semester with lots of activity as we sought to finish our 42nd consecutive year to attain the 100,000 CEI points. President Steve Rasche promised much activity and enjoyment in the busy se-

mester ahead.

Rush activities were the focus of our energies for the first few weeks of school under Senior Vice President DeRee VonderHaar. Successful rush activities brought a pledge class of 30 very promising business students. Vice President for Pledge Education John Holland began his duties shortly afterwards, guiding the pledges in plans for the semester and in the election of their officers.

Vice President for Professional Activities Mark Matthews planned many informative and interesting activities. Our first professional meeting in February, attended by the new pledges, was a video-tape presentation, "A Tale of O," presented by the Woman's Center concerning discrimination and biases in the workplace. Other speakers for the semester were George Spaulding, small businessman of the year, and a representative from the Missouri State Labor Council. The highlight of Mark's planning for the semester was the professional trip to New Orleans over spring break.

Alpha Beta Chapter participated in the first Missouri Quad-Initiation on April 3. The initiation took place in Warrensburg, Missouri, with arrangements made by the Iota Omicron Chapter of Central Missouri State University. The joint initiation involved participation in the Ritual ceremony by members of the different chapters.

Alumni as well as undergraduate members and pledges enjoyed the annual Rose Dance formal with dinner and dancing at a local restaurant. Other activities for the semester included a theme party for the pledges by the members and a graduation party for the 50 graduating seniors.

Fund raising for the semester was based on a raffle of multiple prizes, of which a portion of the proceeds were donated to the Cystic Foundation. The chapter also sponsored a Road Apple party and the Sears Credit Card program.

Business week in April proved to be an interesting week. Alpha Beta Chapter was involved in many activities such as B&PA King and Queen elections, student council elections, a picnic, honor day and a volleyball tournament. We also planned to participate in a joint meeting with the other two professional business organizations on campus.

The remaining members of our Executive Board are Eileen Huhmann, treasurer; Sue Paley, secretary; Ned Shine, chancellor; Ron Hall, historian; John Boettcher and Angie Phillips, CEI

Chairman and assistant and the guides Sam Mejia and John Layman.

As our busy semester shows, Alpha Beta Chapter has continued our standing tradition of leadership and excellent performance in all areas of importance to Delta Sigma Pi. Attaining the 100,000 points again this year shows our commitment to this organization and the importance and pride we all feel toward this goal. We wish all chapters good luck and the challenge to strive for the 100,000 CEI points in the current year.

NORTHEAST MISSOURI STATE IOTA NU

Under the guidance of President Randy Hultz, Iota Nu Chapter continued to grow and excel during this past semester.

Our professional program was headlined by a trip to the Amana Colonies, an Amish community where wooden and woolen goods are produced, along with Amana appliances. We also toured a local business and hosted several speakers.

Our community service involvement included sponsoring an Easter egg hunt for disabled children and helping with a cerebral palsy telethon and a Heart Association skateathon and collection drive. We are already planning a Monopoly tournament for cystic fibrosis for next year.

The Sears Credit Card Application program and a softball tournament were some recent fund raising projects. The success of these projects was the result of working together, and a big "Thank You" goes out to each Brother who dedicated time and hard work.

Iota Nu Chapter enjoyed some diverse social activities this semester. The emphasis was on non-alcoholic events. Our Valentine's Day party was held at the racquetball club. We also took a ski trip and had a games party where we challenged the business faculty to a volleyball match.

A highlight of the semester was Missouri's first quadruple initiation. We thank the host chapter, Iota Omicron, for their hospitality.

We held our second annual awards ceremony during which we recognized deserving Brothers with honors such as Delta, Sigma, and Pi awards and Iota Nu of the Year. Congratulations, recipients!

Congratulations, too, to all graduating Deltasigs! Iota Nu Chapter wishes

the chapters speak

you the best of luck and urges you to look into joining your local alumni club—or start one in your area!

Happy summer, Brothers! We're looking forward to our chapter's summer reunion. How about you?

—Nancy Dintleman

CENTRAL MISSOURI STATE IOTA OMICRON

Iota Omicron Chapter at Central Missouri State University began spring term with a professional tour on March 9 of Hallmark Cards, Inc., and the Kansas City Board of Trade. The day proved to be very insightful, enjoyable, and interesting for those who participated.

The high point of the academic year occurred on April 3 when the Warrensburg chapter was host to the first quad-initiation in the fraternity's history. The guest chapters included Alpha Beta Chapter from the University of Missouri-Columbia, Iota Nu Chapter from Northeast Missouri State University, and Kappa Omicron Chapter from Southwest Missouri State University. The day's events included the initiation of many new Brothers (11 of whom belong to the Iota Omicron Chapter), a gala banquet, and a huge party to top off a history-making day.

Our annual Rose Formal was held on March 13 at the Hyatt Regency in Kansas City, Missouri. A wonderful evening consisted of dining and dancing for the members and many alumni. Our Rose King and Queen were also crowned that night.

The week of April 26 was declared Delta Sigma Pi week by President Horner. The varied activities included coffee and donuts with the faculty, T-shirt day, Business day, Business Olympics, officer transition, and our very special anniversary banquet on April 28. This year's banquet was especially meaningful because it was the final time the charter members would be in attendance as undergraduates. The week was memorable and moving for all the members.

Fund raising events for the term included a variety of interesting activities. These included hanging Schnapps posters around town, securing Sears Credit Card Applications, and selling candy bars. Proposed events include the selling of carnations, Mule Tails, and a spaghetti supper.

The Iota Omicron Chapter wishes to extend hearty congratulations to our

Brothers who are graduating. Our best wishes and sincere hope for success go with each and every one of you. And to all chapters of Delta Sigma Pi, may a happy and prosperous summer be yours.

—Dennis W. Long

SOUTHWEST MISSOURI STATE KAPPA OMICRON

Kappa Omicron Chapter at Southwest Missouri State University is on the move and growing rapidly. Our newly chartered chapter recently chose a pledge class of 55 enthusiastic neophytes out of 100 excellent prospective applicants. We are losing some very hard working seniors and we are sure that our new neophytes will fill in their places with original ideas and much enthusiasm.

Our professional activities committee has been very active and a big success in the school of business. Robert Stelzer, a Deltasig alumnus, has been a very big help to us. We recently held a "Dress for Success" fashion show at Mr. Stelzer's department store, Heer's. It was held on two separate days with three different shows attended by students in the school of business, faculty, and prospective pledges. It went over very well and was a good learning experience for all who attended.

After our final fashion show a wine and cheese party was held in the garden room at Heer's Department Store with the faculty from the school of business. A wine connoisseur gave a lecture on his family's wine business in Springfield and provided all the wine for our party. Different varieties of cheeses were served along with the wine. This atmosphere provided a perfect opportunity for the students and the faculty to mix in a comfortable setting. Everyone enjoyed the time spent together and much good will came from this encounter.

Our chapter planned many activities for the spring such as a trip to Kansas City touring the Ford and Hallmark Companies, speakers from local businesses, a Rose Dance and a spring float trip. We all looked forward to a productive and fun semester. Our chapter is moving up and up and up.

—Sue Rohlfingsmeyer

SOUTHWESTERN REGION

BAYLOR BETA IOTA

Beta Iota Chapter at Baylor University has been involved in a wide variety of activities this spring. The semester started with a successful rush and subsequent pinning of 30 pledges. After the pinning, a party was held for the pledges to help kick off the pledging period.

The pledges wasted no time in getting started on a history project in which they hope to recreate the 51 year history of Beta Iota Chapter. In seeking information, they contacted The Central Office and some of our chapter alumni.

Along with our pledges, we welcomed Dr. David Lill to our chapter. Dr. Lill was previously a sponsor of Epsilon Upsilon Chapter at New Mexico State University. He joins Mr. James King and Mrs. Jane Williams as one of our sponsors.

This spring, Beta Iota Chapter had the pleasure of sponsoring speakers Orval Sorensen and Dr. Calvin Kent. Mr. Sorensen is the top salesman for SMI, Inc. He spoke to us about goal setting and personal and organizational achievement. Dr. Kent, a noted economist and Baylor professor, spoke on President Reagan's economic policies.

In intramural sports, we managed to take a lead over all other professional and honorary clubs at Baylor. We are currently maintaining a slim edge over our arch rival, Alpha Kappa Psi.

In other activities, preparations have begun for the November Regional Conference to be held in Waco near the Baylor campus. Beta Iota Chapter extends a hearty invitation for all Brothers in the Southwestern Region to attend the conference.

—William J. Morgan

TEXAS-AUSTIN BETA KAPPA

Under the leadership of President Eddie Thomas, it was another big spring semester for Beta Kappa Chapter at the University of Texas near Austin. The semester got off to a roaring start with the most successful spring rush in our history. Senior Vice President Curtis Cannon's rush program brought us over 75 prospective rushees to pick from. The program included two smokers in late January with Head Coach Fred Akers and State Treasurer Warren Harding as speakers, a rush TGIW party at a local beer garden after the Texas-SMU basketball game with special guest Texas

the chapters speak

star Ken Montgomery, and a blowout Country & Western rush party with Joe Ely playing. At the second smoker, Beta Kappa alumnus Charles Holcomb presented Jack Allen with the Bob O'Keefe Memorial Scholarship. At our pledge banquet on Valentine's Day, we pledged all 52 of the rushees that we extended bids to. Hats off to Curtis and his rush committee which included Mark Jacobs, David Kelley, Scott Night, Robert McDonald, Frank Furillo and Jim Jongir.

The pledges undertook a seven week pledge education program under the supervision of Junior Vice President Jack Allen and his pledge committee. During this period, the pledge class worked in the School of Business placement office, participated in cleaning up Memorial Stadium after the Texas Relays as a fund raiser and worked at the Travis County School for the Blind as a service project to the community. In April, these pledges became members of the Beta Kappa Chapter at the spring initiation banquet.

Professionally, the chapter benefitted greatly from the hard work put in by Vice President for Professional Activities Thomas Giles. In early February, Tom, accompanied by Jerry Blount and Tavo DeLeon, went to the Regional Conference at Corpus Christi State to put

on a multi-media seminar on professionalism for other chapters. Tom also set up a series of speakers to talk to us at our weekly meetings. These speakers included UT System President Peter Flawn, Austin City Council Members Ron Mullen and Charles Urdy, and representatives from the university's accounting and finance departments. In late April, we went on our annual spring field trip. This year, about 35 Beta Kappa's traveled to Dallas to visit such firms as Peat, Marwick, Mitchell & Co., Mercantile Bank, Mobil Oil and Century 21 Realtors. We then attended a party thrown in our honor by Dallas alums David Garcia and Mike Bierman. We finished our professional program for the semester with a banquet at the new Hyatt Regency Hotel on the river. Our guest speaker was Texas gubernatorial candidate and current Attorney General Mark White.

On the party front, we had a banner semester under Social Chairman Clay Claybaugh. Besides the rush party, we had two major theme parties and a spring formal. The theme parties included a toga party and a beach party. Our formal was at the downtown Bradford Hotel with local band Crystal Image playing. We also had parties with other business organizations, a beer float down the Comal River, our annual "BK

Open" golf tournament (with future CPA's Mike Wadsworth, Robert Buchholz, Jon Kemmerer and Tom Denkler winning by a 6-shot margin), small parties after all weekend basketball games, and, of course, our weekly after-meeting beer drinks. In the campus-wide Roundup Week Competition, our float entry (depicting the battle of the Alamo) won second place out of 26 entries. Our nominee for Roundup Queen, Patty Duke, didn't win. She was elected to the Roundup Court, however, probably on the basis of her talent competition, which was a dance routine to the tune of Olivia Newton-John's "Physical." In sports, Intramural Chairman Mike McCormick led teams to the playoffs in softball and inner-tube basketball. All in all, the semester was a lot of fun for everyone, and we are already hard at work planning for our fall activities.

—Mike Wadsworth

TEXAS TECH BETA UPSILON

The spring semester was very successful to the Beta Upsilon Chapter, with our spring rush bringing in 32 new members. It proved to be a busy semester with many professional and social activities.

Professional activities included speakers from Sanger Harris, Southwest National Life, and Dr. Pepper, plus several tours.

A "Fantasy Island" party, in which members were to dress up as their favorite fantasy (there were some unique looking fantasies, too) and several other parties made up the social calendar to relieve all of us from the constant drudgery of books.

A ski retreat to Ruidoso, New Mexico, proved to be a blast. (NOTE: no broken bones). While we were there, we had a speaker from the Ruidoso Chamber of Commerce explain the resort business.

The Rose Ball, held at the Country Club, was the biggest event of the semester. It brought alumni and fellow Brothers closer together on this special occasion.

We are proud to announce that the Beta Upsilon Chapter has established a scholarship fund for eligible business students.

Congratulations to our graduating Brothers. We wish them happiness and success in the future.

Finally, we would like to thank our

Gathered here are the spring, 1982, pledges of Beta Iota Chapter at Baylor.

the chapters speak

Chapter Advisor, Bob Hamrin, for his past contributions and experiences shared with us as he steps down from this position and we wish him luck wherever the future may take him.

—Jay M. Choat

SOUTHERN METHODIST BETA PHI

The Beta Phi Chapter began the spring semester with 77 members and ended with 115. After several fun-filled rush parties conducted by Senior Vice President Laura Ochoa, 38 pledges were inducted in early February.

This semester Carla Whitehead, vice president for professional events, arranged tours of the Federal Reserve Bank and of the General Motors Plant. In an effort to strengthen our professional standing as a campus organization, our chapter co-sponsored joint mixers and an interview workshop with the Marketing Club and gave a reception for the Business School Faculty. Many professors attended and welcomed the opportunity to establish a better rapport with the students outside the classroom.

In mid-March we proudly celebrated our chapter's birthday while Social Chairman Debbie McNabb arranged our annual spring Rose Ball. President Steve Pipes did have to promise his right arm if we destroyed the hotel. Luckily, all went well.

Vice President for Pledge Education Simon Hughes succeeded in planning a wonderful pledge retreat at Lake Whitney. Our luxury of cabins, not tents, will become a necessity, if the chapter, especially Annette Salvaggio, has any say in the matter.

Under Treasurer Leslie King's guidance, we worked on a much needed fund raiser. We also worked diligently on establishing an alumni-funded award for an undergraduate Deltasig.

In April we initiated our pledge class. They certainly could give great parties for the members! We ended the semester with electing new officers in one of the most well-run elections ever, thanks to Chancellor Kip McClinchie. Hopefully, our historian, Janet Caldwell, captured all those interesting poses from our end-of-semester party. Those shots will make a great slide show!

To those of you who graduated from our ranks, we miss you greatly and welcome you back any time. Remember, our favorite kind of pie is Delta Sigma Pi!

—Dawn Hagy

Kimbra Zinke represented her chapter, Eta Theta, as the Rose of Deltasig in the Homecoming Parade at Angelo State.

LAMAR DELTA ETA

The Delta Eta Chapter at Lamar University is proud to honor Mr. H. A. Barlow, who celebrated his 25th Anniversary this past fall as the advisor of the Lamar chapter.

Mr. Barlow pledged in the second pledge class of the chapter in the fall of 1956, and became Chapter Advisor in the spring of 1957. Besides being an associate professor, Mr. Barlow has been an instructor for 28 years, is a CPA, and is the Chairman of the Teachers' Credit Union of Beaumont. Also, Mr. Barlow is a Regents' Professor, the highest honor at Lamar University, and is a member of the faculty senate. The Big Eight accounting firms of Houston respect Mr. Barlow's advice on interested accounting majors being interviewed for future employment.

The Delta Eta Chapter recognized Mr. Barlow by honoring him at the annual faculty dinner before his colleagues and peers. He was awarded a plaque for his

25 years of faithful service, and a silver engraved bowl for his outstanding duties as advisor.

We, as a chapter, feel Mr. Barlow is more than just an advisor. He is an active member at all of our functions, and is always willing to share his opinions and advice with us—a true fraternity Brother. He is also well respected and liked by other professors and instructors at Lamar University.

We congratulate Mr. Barlow on his 25 memorable years, and thank him for all he has done. We also wish him the best of luck in the years to come as Chapter Advisor of the Delta Eta Chapter.

—Sibby Adams

ANGELO STATE ETA THETA

What an exciting time we had at the "Rose" this past April. At our Rose Dance we also celebrated the 15th Anniversary of the start of our chapter, which was April 30, 1967. Our Rose for the 1981-82 academic year was our fel-

the chapters speak

Members and prospective pledges at Iota Psi Chapter at Corpus Christi pause after a successful Meet the Chapter party.

low Brother Kimbra Zinke. Kimbra was also one of our graduating seniors. Congratulations to all of our seniors!

This spring our chapter came up with several new ideas for money making projects and this has helped us tremendously. We have done so well that we might be able to lower dues for next year. It looks like the student directory that we put out will be a big success for us this year. Last year we had a few problems, but we think that we have

them all worked out.

Another thing that we tried this semester was to move our elections up to an earlier time in the semester so that our officers elect would be able to have a transition period to learn their new duties easier. It seems to be working out very well for us. Overall this spring has been very good for our chapter and we want to wish all of you a very good summer and prosperous fall.

—Gregory S. Gayler

CORPUS CHRISTI STATE IOTA PSI

Spring recruiting functions went extremely well for the Iota Psi Chapter at Corpus Christi State University. Our recruiting was conducted from January 13 through January 27. We kicked off with spring registration. The chapter set up a table in the registration area to distribute information forms and facts about the fraternity to all business students.

On January 15, the Iota Psi Chapter held its first business meeting in the Student Union Building and extended an invitation to all interested business students.

The chapter's most successful recruiting function this semester was "Meet the Faculty Luncheon" held on January 20 at the Faculty Center Conference Room. The function had over 50 faculty, staff and students in attendance. The purpose of the luncheon was to give students in the College of Business Administration a chance to get together informally with the faculty and chapter members and to find out more about the fraternity.

The last function was a "Meet the Chapter" party hosted by the Iota Psi Chapter. In attendance were chapter members, alumni, and 20 prospective initiates. The Iota Psi Chapter hopes to achieve a total of 50,000 points in the Chapter Efficiency Index this spring semester.

Belinda K. Maldonado

INTERMOUNTAIN REGION

NEW MEXICO GAMMA IOTA

The spring semester at Gamma Iota Chapter began with the return of the Brothers, including nine new Brothers and two faculty Brothers, ready to work and help in organizing the activities for the upcoming semester.

Visuality and publicity were the key elements in coordinating the spring events. Our first main event was preparing for rush with an all-out campaign effort organized by Senior vice President Carla Cole. Rush week finished with a "Meet the Chapter" night recruiting meeting followed the next night by our traditional Southwestern Margarita Party. Brother Cole's recruiting efforts

the chapters speak

were very successful and brought in many prospective pledges. Vice President for Pledge Education Karen Prinze and Brother Anita Jacques were chosen for the task of instructing our pledges in the ways of Deltasig and the traditions of Gamma Iota Chapter.

Professional events, under the direction of Vice President for Professional Activities William Krebs, provided the chapter with several interesting programs. We were privileged to hear speakers from the areas of construction and commodities as well as a speaker from the Public Service Company of New Mexico. The highlight of the spring professional program was a tour of the Kirtland Air Force Base solar test facilities.

Our fund raising events were concentrated on the Valentine's Day Carnation Sale that is now a tradition with us. Other projects included a Las Vegas Night casino table. Gamma Iota Chapter again participated in the Public Broadcasting Service telethon as on-air respondents for our local PBS television station. All of us had a great time on TV helping in our community services project.

The members of Gamma Iota Chapter look forward to the upcoming end of the semester, along with initiation and our formal ball. We eagerly await results of the hard work of our Social Committee, chaired by Helena Sasmor, in giving us the largest and grandest Rose Dance.

Gamma Iota Chapter wishes everyone in Delta Sigma Pi a good and profitable summer and good luck and success in all their endeavors.

—Mark R. McElheney

TEXAS-EL PASO GAMMA PHI

The spring semester produced a variety of activities and the beginning of new friendships for the Gamma Phi Chapter; all committees kept us busy with their innovative ideas. Two major projects conducted this semester were a barbeque dinner as a fund raiser and the collection and distribution of canned goods to an area orphanage as a service to the community. To promote the fraternity, the public relations committee sponsored a Junior Achievement company and sold T-shirts with a catchy slogan to students of business.

During the month of April, we initiated one of our largest pledge classes into this chapter. These members have

brought a new spirit and dedication to the chapter and we are counting on them to continue their hard work. The social event of the semester was Roseball which was held at the Rodeway Inn on April 24. Career Week and the blood drive rounded out the activities of the spring semester.

Congratulations are extended to Brother Amy Wilner who was crowned El Paso's 47th Annual Sun Queen.

On May 19, we will observe our chapter's birthday which marks 31 years of service on the University of Texas at El Paso campus. The best of luck to all graduating seniors and we hope everyone has a safe and wonderful summer.

—Diana R. Garcia

ARIZONA GAMMA OMEGA

We mean business at the Gamma Omega Chapter of Arizona State University. The well known phrase is certainly evident with our Brothers this semester.

We launched the semester with an outstanding faculty reception in honor of the University's President, J. Russel Nelson. The College of Business dean, faculty, members of other business organizations, and undergraduates as well as faculty Deltasigs attended. We were pleased with the turnout because it helped spread the good word about Delta Sigma Pi throughout the entire business college.

In an effort to involve faculty Deltasigs with the undergraduate chapter, a "Faculty/Big Brother Program" has been organized. Each faculty Deltasig is assigned a big Brother that keeps him informed of upcoming events. The program has helped strengthen the fraternal bond between the undergraduates and the faculty Deltasigs.

Our professional highlights this semester included speakers who lectured on "Modern Dress and Etiquette for Business." One of our faculty Deltasigs advised members on "Time Management"—something everybody can appreciate. A tour of the state capital and Palo Verde Nuclear Power Plant were also planned. A debate is in its first stage of development and we are enthusiastic about engaging in a successful campus-wide event.

This year's recruiting week started out with an informal "meet the members" party followed by a formal reception and slide presentation. We were all anxious to introduce our Brotherhood to the new pledges.

—Laura Heidbrink

ARIZONA GAMMA PSI

Gamma Psi Chapter started this semester with a planned program of business activities and social events.

Our professional program, organized by Martin Elsner, included many events which allowed us to meet the business leaders of Tucson—the fraternity

At Gamma Omega Chapter at Arizona State, President J. Russell Nelson was honored at a chapter-sponsored faculty reception.

the chapters speak

planned to host three speakers. The topics covered were advertising, the savings and loan industry, and stocks and bonds. We also planned to have six tours. These included tours of two of Tucson's largest firms, IBM and Gates Lear Jet. All of our Brothers look forward to all of these tours.

Our chapter is proud to announce we are planning Deltasig Days. Deltasig Days are an opportunity for the Arizona Chapters to have a weekend of both professional activities and parties. Our chapter is looking forward to meeting all of our Brothers in Arizona. It should be a weekend for everyone involved to remember in years to come.

Finally, the Brothers of Gamma Psi Chapter would like to wish all the Deltasigs an enjoyable summer.

—Carolyn E. Cummins

NEW MEXICO STATE EPSILON UPSILON

The Epsilon Upsilon Chapter of Delta Sigma Pi, located on the New Mexico State University campus, is a growing and active chapter. The spring semester of 1982 is being led by an enthusiastic group of officers including President Melven Candelaria and Mark Brewer as chancellor. Together they run the chapter meetings as well as working on the Area Conference held in February, hosting the Gamma Iota, Gamma Phi and Epsilon Eta Chapters.

Dianne Marbach, senior vice president, organized a successful rush week, with 10 new pledges being tapped. Vice President for Pledge Education Paul Roybal worked with the pledge class in all their planned activities, and he lent a lot of support to them and their Big Brothers.

Professional tours, speakers and dinners are the responsibility of Teresa Winder, vice president for professional activities, and she planned an excellent agenda of events for the semester. Mike Wertzberger along with the Finance Committee keeps the finances of the chapter. Organization of fund raisers included sponsoring the annual Southwest Invitational Racquetball Tournament.

Other offices include Secretary Lisa Aden, Historian LeRoy Candelaria, and CEI Chairman Susan Cunningham. Community service projects included the annual Easter Food Drive and the semi-annual Blood Drive.

Members of this chapter get actively involved in all events.

WESTERN STATE ZETA KAPPA

Spring semester started out with a bang! Delta Sigma Pi recruited more pledges than any other Greek organization on campus. A great deal of this success was attributed to the tremendous effort put forth by our faculty members.

The Zeta Kappa Chapter has been busy with fund raising, professional, and community projects. A Valentine's Day dance was held on campus and a large turnout led to a grand time. Concession sales at athletic events continue to turn in a steady profit. On the professional side, speakers and tours emphasized the business world.

"Old Man Winter" provided us with excellent skiing this year. Once again, the Crested Butte Mountain Resort employed our services in a demographic research study. A questionnaire was used in interviewing skiers on the mountain.

The women in the chapter formed their first intramural basketball team. The Deltasig team was especially known for its great sportsmanship.

Initiation was held in the early morning of April 17 and we are happy to welcome 16 new Brothers into our chapter. Our annual Rose Banquet was held and we all had a fantastic time. A large number of alumni attended, enhancing the whole weekend.

We would like to invite all chapters to visit us in the Gunnison Valley. Hopefully, the snow for skiing will be as plentiful as it was this year.

—Brenda J. Erickson

NORTHERN ARIZONA ZETA OMEGA

The spring semester rush activities, a wine and cheese party, Mexican potluck, and a party drew many new prospective pledges resulting in a pledge class of 15. Two faculty members, Professor Jeff Heyl and Professor Fred House, acting assistant to the dean, were also initiated.

Zeta Omega Chapter celebrated its 15th Anniversary on April 29 with a reception in the faculty lounge of the Northern Arizona University College of Business Administration. Many other activities were planned as well. Our Professional Vice President Peggy Gebert had some interesting and fun activities lined up: a women in business tea, a business seminar and luncheon, and a

Las Vegas Tour in April.

Community Service Chairman Kathy Hernandez had some new and exciting ideas planned: an Easter egg hunt for a Brownie troop, assistance with the Special Olympics and a green up day on campus.

Fund Raiser Chairman Kris Murray had some different ideas to offer: a bake sale, a fashion show that included both faculty and students, and Sears Credit Card soliciting, where the chapter earns money on each form completed.

After such an active semester as this the banquet at Continental Country Club will be a welcome relief. Dinner will offer a variety of choices, guaranteed by our social chairman, Dave Grace, to be excellent. Finally, we want to thank the alumni for their continued support and interest and we wish them luck in starting an alumni club. A special thanks to Nancy Schwartz, president, for making this an active semester through continued support and concern. She made sure we got the job done!

—Margarete R. Mitchell

WESTERN REGION

SOUTHERN CALIFORNIA PHI

The Phi Chapter of Delta Sigma Pi will celebrate its 60th Birthday early this spring. We will make this a memorable event with a large picnic for all of our 70 members, and a cake with 60 candles.

Aside from our birthday celebration, we have recently had many other social events. One of these was a football game against our rival fraternity, Alpha Kappa Psi, which we won easily with a score of 9 to 0.

Our pledge class got off to a great start, working on their professional, social, and financial projects. Last semester's pledges did a wonderful job at all these with a speaker from the L.A. Olympic committee, and a party with a Punk Rock theme; they also made silk roses to sell. All of these projects were great successes.

—Devon Brown

NEVADA-RENO DELTA PI

The Delta Pi Chapter here at the Uni-

the chapters speak

Winter ran into spring in many parts of the country this year and some of the members of Delta Sigma Chapter at Loyola-Marymount went to the Sierras for a weekend retreat.

iversity of Nevada-Reno is proud to be closing another successful school year. We started the year by pinning 19 pledges, and with the outstanding leadership of Rick Schaff, 16 new members were initiated, our largest pledge class so far. We are also pleased to announce that two more faculty members, Dr. Tahirih Foroughi and Dr. George Chu, were also initiated at that time. The initiation banquet was held at the Reno Hilton, and as well as enjoying some great food and music, we were all happy to have initiated many of the new members into our own unique "Be Fun!!" club.

As for the fall professional activities, we were very pleased to have hosted James Santini, Nevada delegate to the House of Representatives. Santini, an excellent speaker, lectured to students on the topic of supply-side economics.

Student questions were welcomed, and the activity proved to be very interesting and educating for all who attended.

At the close of the semester, Bob Barsanti was named outstanding member and Scott Voeller was named outstanding pledge.

The main event highlighting the spring semester was the regional picnic, held this year by our chapter at Bower's Mansion. Refreshments were served and all chapters enjoyed testing their team spirit in a variety of games and competitions. The chapter with the most points at the end of the day was awarded the revolving trophy. The turnout was great and everyone had a lot of fun.

A successful spring semester rush week allowed for another 20 business students to be pinned. We're all looking forward to another great semester when school starts again next fall.

—*Pamela A. Wise*

LOYOLA MARYMOUNT DELTA SIGMA

Delta Sigma Chapter began the spring semester with a lot of snow. We headed for the mountains as we do every year for a weekend of fun and work. All of you Brothers that live in the Northern states must be saying "so what," but to us here in Southern California it is a big deal. We head up there Saturday morning hoping to get snowed in so we have a reason not to go back to school. Unfortunately, that hasn't happened yet. We spend the weekend in a cabin and share the chores. For instance, Brother Steve John cooked us the most delicious spaghetti dinner on Saturday and on Sunday morning two others of us fixed breakfast consisting of sausage links and pancakes. There is only one catch

the chapters speak

before we can eat dinner—we have an informal meeting and try to answer questions and solve some of the problems facing us in the semester to come. After dinner we all settle down to cards, dominos, or whatever else we might enjoy doing. We feel that working well together is important, but playing together is, also. We feel we come closer fraternally by playing games, playing in the snow (ganging up on our advisor, who by the way, initiated the excursion several years back), and just messing around. In the week following the retreat we began rush and school. And on this sad note we ended our weekend in the mountains.

—Rita T. Schoenfeld

CAL STATE-SACRAMENTO EPSILON PHI

The Brothers of Epsilon Phi Chapter began thorough preparations for the spring semester before school started. Vice President for Pledge Education Ronald Speno provided the chapter with a letter of intent explaining ideas and goals towards shaping a better prospective Brother in Delta Sigma Pi. By the first week of rush we already had 25 prospective pledges.

Our professional program has provided us with a number of interesting speakers on various aspects of the business world. For example, we had Angie Roy from Del Monte and Vance Dimaria from IBM.

Some of our fund raisers included getting over 500 credit applications filled out for Sears, Roebuck and Company, our exciting Casino Royale where everyone had great fun, and the car washes we held during the warm months in Sacramento.

On the social side, our calendar filled up as usual. The Brothers of Epsilon Phi Chapter gave a Western Round-up party for the purpose of acquainting prospective pledges with the members. The chapter also planned the traditional Grub party and the Senior Recognition dinner. Brother Ruthie Hauser planned a party with homemade vanilla ice cream. Admission was by bringing your favorite topping.

The enthusiasm and ambition of the Executive Committee and Brothers have made this semester successful.

The Brothers of Epsilon Phi Chapter wish all Deltasigs a productive and enjoyable summer.

—Lori M. Stephenson

CAL POLY-POMONA ETA CHI

The final quarter for this school year has been another rewarding experience for all of the Brothers of Eta Chi Chapter. Our service and financial projects were, again, the highlights of our spring quarter.

Eta Chi Chapter's spring service project is our annual Easter Egg Hunt at the Crippled Children's Society in Claremont. It is always a delight to see the expressions on the children's faces when they discover an egg. In fact, it is hard to say who enjoys the day more, the children or the Brothers.

Cal Poly-Pomona's annual open house sets the stage for one of our tastier financial projects. The Brothers operated a barbecued rib stand in the quad for three days before the Poly Vue weekend, and a soft pretzel booth during the carnival. Together these food projects were successful in earning more than \$500 profit. The most amusing addition to the Poly Vue carnival is Eta Chi Chapter's own jail. The amount of people that are willing to throw a friend in jail for a quarter is surprising. By the end of the night, we even had to turn people away because the jail was so full.

Our social calendar this quarter offered something amusing for everyone. Our second "Day at the Races" of the year produced a couple of winners this

time, for a change. Now, some Brothers are already discussing next year's strategy. Eta Chi Chapter's cocktail recruiting party is becoming something of a tradition. This quarter's party was very successful in recruiting new Brothers as well as providing a fun time for all. The climax of the year was Eta Chi Chapter's Annual Rose Banquet. The banquet provides an excellent opportunity for the undergraduate Brothers to share their experiences with many of the alumni Brothers.

In closing, the entire Eta Chi Chapter wishes to express its thanks to Brother Dave Lui for his hard work and diligence in the recruiting and pledge education program.

—Robert J. Holman, Jr.

SAN JOSE STATE THETA CHI

Greetings from the Theta Chi Chapter. The spring semester turned out to be one of the finest in our 11 year history. The semester began with an excellent recruiting drive led by President Jennifer Lott, Senior Vice President Leona Fritz, and the recruiting committee. Several outstanding professional activities were put on by our Vice President for Professional Activities Alison Hirsch. One of these activities was a "Dress For Success" program, featuring

Welcoming Dean Marshall Burak to the School of Business at San Jose State are members of Theta Chi Chapter, left to right, Jennifer Lott, Dean Burak, Joe Chevis and Andre Sue.

the chapters speak

models wearing the latest in professional attire. Other professional activities included speakers from IBM and the Tenant-Landlord hearing Commission, along with a tour of the Anheuser-Busch brewery, all activities that helped to enhance our classroom education and further our understanding of the business world.

A Student-Faculty mixer was successfully staged by Annie Crowley, our Faculty Relations Director, and it gave our Brothers, as well as other students of business, an opportunity to discuss matters of current interest to the business world in an informal atmosphere with our faculty members. This semester also saw the initiation of our new Dean, Marshall Burak, into the chapter.

The Brothers of Theta Chi Chapter send their congratulations and best wishes for successful careers to our graduating Brothers throughout the fraternity.

—Steven Held

SAN DIEGO STATE IOTA PI

Spring semester 1982 got off to a dynamite start. The first outing on our Iota Pi Chapter agenda was a weekend ski trip to Big Bear.

As the semester proceeded recruiting was our next responsibility. Maintaining an attitude of professionalism with an added touch of uniqueness summed up our recruiting theme, "This Is It." Our brochure included a welcome address to the prospectives, a capsule on the history of Delta Sigma Pi, and a list of last semester's professional, service, and social activities. The brochure also included a "This Is It" section describing our rushing activities for this semester.

Throughout the semester our chapter had many professional events: "Computer Age: Are You a Part of It?," "Effective Communication," "Dress for

Success," "Effective Interviewing" and "Stress Management."

There were also many service projects: a zoo trip with the children from the on-campus day care center, a trip into Mexico where our Brothers spent some time with children in an orphanage, and participation in an Easter Seals fund raiser. We Deltasigs also took part in a clean-up project at Lake Cuyamaca and then stayed the night and had a camp-out.

To kick off our social activities for the semester, a baseball team was formed. In March our chapter had an "Alumni Weekend." The theme was Casino night and a talent show was held, along with a Professional Brunch at the Playboy Club. In April, our banquet took place at the Hotel Del Coronado.

All in all, we had a fantastic semester. Best of luck to the newly elected officers.

Have a SUPER summer vacation, Iota Pi Chapter Brothers!

—Meg S. Mosher

1982 REGIONAL LEADERSHIP CONFERENCES TO BE HELD IN ALL FIFTEEN REGIONS

Leadership Conferences of a one and a half to a two day duration have been scheduled for the Fall of 1982. Each Regional Director has made extensive preparations to insure that undergraduate and alumni members will have both an educational and an enjoyable fraternal experience. Additional information on each Conference can be obtained by contacting the appropriate Regional Director at the address indicated for the Regional Director in the Directory of the Board of Directors found elsewhere in this issue. Plan to join with your fellow Deltasigs in your Region for your Regional Leadership Conference. As this is the year of the Diamond Anniversary of Delta Sigma Pi, there will be a special commemoration of the 75th Anniversary of the fraternity at each Conference.

REGION	DATES	LOCATION	CITY, STATE
Eastern	October 1-3, 1982	Holiday Inn	Plainview, L.I., NY
Mideastern	October 8-9, 1982	Hilton-Downtown	Baltimore, MD
South Central	September 17-19, 1982	Carolina Inn	Chapel Hill, NC
Southeastern	October 22-24, 1982	Ramada Inn-Airport	Atlanta, GA
South Atlantic	October 22-23, 1982	Marriott Hotel	Tampa, FL
East Central	November 5-7, 1982	Sheraton Inn-Springdale	Cincinnati, OH
Central	October 1-3, 1982	The Olympia	Fort Wayne, IN
Great Lakes	October 22-24, 1982	Holiday Inn-Illinois Beach	Zion, IL
Southern	September 10-12, 1982	Ramada Inn Convention Center	Memphis, TN
Gulf South	October 1-3, 1982	Holiday Inn-North	Lafayette, LA
North Central	September 24-26, 1982	Marriott Hotel	Des Moines, IA
Midwestern	October 15-17, 1982	Not Available	Tulsa, OK
Southwestern	November 12-14, 1982	Hilton Inn	Waco, TX
Intermountain	October 22-24, 1982	Sheraton-Pueblo Inn	Tucson, AZ
Western	November 12-14, 1982	La Jolla Village Inn	La Jolla, CA

bits and pieces

personal mention

Lynn A. Harmon, *Missouri-Columbia*, has been elected president of Citizens Bank of Warrensburg, MO. He was formerly executive vice president.

Richard S. Rand, Jr., *North Carolina-Chapel Hill*, has a new position with the accounting firm of A. M. Pullen & Company in Charlotte, NC.

Alvin J. Le Blanc, *Louisiana State-Baton Rouge*, has a new position as finance manager for Shell Oil Company's subsidiary in Bangkok, Pecten Thailand Company, and is now residing in Bangkok, Thailand.

Robert V. Miller, *Texas Tech*, had bought the Duplex Advertising Company in Temple, TX. He is part owner of Action-Rent-A-Car, Trans-Texas Leasing, Auto Sales Company and Duplex Land Company of Austin, Tx and serves on the Board of Lamar Savings Association.

John J. Peterburs, *Christian Brothers*, has accepted a position as secretary-business manager of the Milwaukee Public Schools in Milwaukee, WI.

Linda S. Hunt, *Philadelphia Textiles*, has been selected by the Board of Advisors for inclusion in the 1981 edition of *Outstanding Young Women of America*.

X. Z. Herrington, *Southern Mississippi*, has completed Surface Warfare School in Coronado, CA and is completing Naval Diving and Salvage Mixed Gas Training with orders to Submarine Officers School in New London, CT.

Karen A. Pillich, *SUNY-Albany*, is currently employed by the U.S. Treasury Department as an Assistant National Bank Examiner in the South Florida area.

merger

Katherine M. Charles, *Virginia Commonwealth*, on December 26, 1981 to Terry Goins, in Richmond, VA.

Paul A. Daniels, *New Mexico State*, on January 9, 1982, to Virginia Glasgow, *New Mexico State*, at Roswell, NM.

David E. Engle, *Texas-El Paso*, on November 14, 1981, to Theresa N. Springer, at El Paso, TX.

Gus H. Crosby, *Christian Brothers*, on February 12, 1982, to Theresa Peggs, at Germantown, TN.

Carol L. Newby, *Indiana State*, on December 26, 1981, to Bradford T. Ulerly, at Anderson, IN.

Barbara Stenger, *Indiana State*, on December 19, 1981, to Jeffrey N. Libowitz, at Kankakee, IL.

Susan R. Neiman, *Philadelphia Textiles*, on March 21, 1982, to Maurice A. Feldman, at Philadelphia, PA.

Stephen R. Mueller, *Ferris State*, on April 17, 1982, to Laurie S. Diephuis, at Kalamazoo, MI.

W. David Aldridge, *Georgia Southern*, on October 24, 1981, to Lori Duke, *Georgia Southern*, at Savannah, GA.

James Goss, *Georgia Southern*, on December 26, 1981, to Sheri R. Garday, *Georgia College*, at Stone Mountain, GA.

William W. Shaw, III, *San Francisco*, on September 19, 1981, to Micheline A. Savarian, *San Francisco*, in San Francisco, CA.

dividends

To Brother and Mrs. R. Scott Capps, Jr., *Louisiana State-Baton Rouge*, on August 6, 1981, a son, Martin Justin.

To Brother Linda Magana, *Texas-El Paso*,

and Mr. Victor Magana, on January 12, 1982, a son, David Issac.

To Brother and Mrs. William E. Blair, *Texas-Austin*, on December 18, 1981, a daughter, Leslie.

To Brother and Mrs. Joseph W. Trefzger, *Illinois State*, on February 4 daughter, Amanda Jeanne.

To Brother and Mrs. Stephen W. Poloney, *Georgia Southern*, on December 21, 1981, a son, Michael Wesley.

To Brother and Mrs. Keith M. Holtz, *St. Cloud State*, on December 17, 1981, a son, Bryan Keith.

Educational Foundation Notes

THE DELTA SIGMA PI EDUCATIONAL FOUNDATION continues to offer each year a four year scholarship to either the child, grandchild, brother or sister, niece or nephew, of a Deltasig.

Consideration for the 1983 scholarship begins with this issue of the magazine. The application for the 1983 competition can be found elsewhere in this issue.

Applicants for the Foundation Scholarship must be planning to enroll for either a B.S. or B.A. degree with a concentration in areas such as Marketing, Accounting, Finance, Management and the like. The applicant must also be planning to attend a school which Delta Sigma Pi has or has had chartered a chapter. A list of eligible schools is available from The Central Office or from the Educational Foundation Chairman of the Committee on Scholarships—Mr. Robert M. Drewniak, 565 River Oak Way, Lawrenceville, GA 30245.

THE DELTA SIGMA PI EDUCATIONAL FOUNDATION also offers yearly a \$1,000.00 Graduate Study Grant. Competition for the 1983-84 year will begin with a detailed package highlighting the description and criteria for the award being mailed to all Chapter and Alumni Club Secretaries in December of 1982. Questions regarding any of the award programs of the Delta Sigma Pi Educational foundation should be directed to Robert M. Drewniak, 565 River Oak Way, Lawrenceville, GA 30245. Educational Foundation

DELTA SIGMA PI EDUCATIONAL FOUNDATION SCHOLARSHIP PROGRAM

For sons, daughters, brothers, sisters, nephews, nieces, grandsons, or granddaughters of members of the International Fraternity of Delta Sigma Pi. To be completed and returned (postmarked) on or before January 31, 1983 to:

Delta Sigma Pi Educational Foundation
Mr. Robert M. Drewniak
565 River Oak Way
Lawrenceville, GA 30245

Please enter me in the DELTA SIGMA PI EDUCATIONAL FOUNDATION SCHOLARSHIP PROGRAM FOR 1983.

I am the son grandson nephew brother
 daughter granddaughter niece sister

of a member of Delta Sigma Pi, and I expect to complete high school in 1983 and enter college in 1983. I have taken the Scholastic Aptitude Test (SAT) prepared by the Educational Testing Service. (An extra copy of your score can be obtained by using code 1000 when taking a test or can be furnished by your high school guidance counselor.) I understand that my score on this test will be used to evaluate my candidacy in the Delta Sigma Pi Educational Foundation Scholarship Program.

- Results of the SAT are enclosed.
 Results of the SAT will be furnished by my counselor.

PLEASE PRINT CLEARLY

The exact date I will complete high school is _____ mo. _____ yr.

Name _____ (Last) _____ (First) _____ (Middle)

Month, Day, Year of Birth _____

Home Address _____ (Number & Street) _____ (City & State) _____ (ZIP Code)

Present High School _____ (Exact Name) _____ (City & State) _____ (ZIP Code)

High School Where Tested _____ (Exact Name) _____ (City & State) _____ (ZIP Code)

(Name of Parent, Grandparent, Brother, Sister, Uncle, or Aunt) (Designate Which)

(Chapter Affiliation)—Name and Number

- I have applied I intend to apply
for admission to the following colleges* or universities:*

1. _____ 2. _____ 3. _____

I plan to pursue a course of study leading to a degree of Bachelor of Business Administration (or equivalent B.S. or B.A. in business) with an emphasis (Accounting, Marketing, Finance, Management, etc.) in _____

(*Admission must be in one of 199 schools where Delta Sigma Pi has chartered a chapter. A list of such schools is available by contacting the International Fraternity of Delta Sigma Pi, 330 South Campus Avenue, P.O. Box 230, Oxford, Ohio 45056-0230.)

I understand that the decision of the Delta Sigma Pi Educational Foundation is final in the selection of scholarship winners and that there is no appeal from the decision of the Foundation. It is my further understanding that if awarded a scholarship, the award is \$500 per year for four years upon providing evidence of continued satisfactory academic performance to the Foundation.

(Date)

60 Years of Delta Sigma Pi at Georgia

The officers of Pi Chapter proudly accept their replacement charter on the occasion of their 60th Anniversary.

On February 20, 1982, Pi Chapter held its 60th Anniversary celebration. The gala event was held at Poss' Lakeview, a local dinner club overlooking a small lake. In attendance were Grand President Michael R. Mallonee, Executive Director Michael J. Mazur, Southeastern Regional Director C. Dean Ferguson and Golden Council Members Bob Drewniak and Charlie Rolader. We were proud to have 130 guests in attendance, including 50 alumni and 42 Pi Chapter Brothers.

Following cocktails and dinner, Chapter President Tom Statham welcomed everyone to our celebration with a short opening address. Brother Mallonee then had his turn at the podium which he used to congratulate Pi Chapter for 60 years of existence. Then came a presentation which took everyone back to 1922 and then traced Pi Chapter's history up until today.

Information gathered from back issues of The DELTASIG and the University of Georgia school newspaper, the Red and Black, supplied timely trivia and pertinent facts about Pi Chapter. A more personal touch was added by interviews with two of Pi Chapter's previous faculty advisors, Dr. Cobb, a Pi Brother himself and faculty advisor in the early 70's, and Dr. Harold Heckman, who was Pi Chapter's first faculty advisor, holding the position for an amazing 24 years.

Included in the presentation was information on H. G. Wright's three visits to Athens, which were memorable events for Pi's early years. Information concerning Pi Chapter's four houses, including information on the fire which destroyed one of them along with most of Pi Chapter's records, was especially interesting to the present Brothers. Slides made from prints taken of pictures in old DELTASIGS gave the presentation an extra added dimension which made it enjoyable to all present.

The highlight of the evening was the presentation of the Pi Chapter replacement charter which was generously donated to the chapter by Chapter Advisor Dr. Peter Shedd and Southeastern Regional Director Dean Ferguson. The original charter of the chapter was destroyed in the chapter house fire several years ago.

Chapter President Tom Statham greets Pi Chapter's first advisor, Dr. Harold Heckmann as Dean Bill Flewellyn joins in the celebration of 60 years of Delta Sigma Pi at the University of Georgia.

Chapter President Top Statham accepts the "new" Pi Chapter charter presented by Grand President Mike Mallonee.

Dancing and socializing followed the presentation. The opportunity to reminisce with old friends and make new acquaintances, to re-establish time-worn ties with the

fraternity, and to relive Pi Chapter's first 60 years was quite evident during the entire evening.
