**Capitalizing on Brotherhood
Convention Details inside**

Commentary

William R. Kinsella

It's amazing what you can come across when the "spring cleaning" bug hits. Most of the time, you find nothing but plain, old junk that you wonder why you ever kept. Some-

times, you find good, old junk that you certainly had good reasons to keep at the time and want to keep now, in spite of all the efforts of your spouse to conveniently, but accidentally, lose. Occasionally, you find something worthwhile that you had forgotten about and, upon reflection, you find that it still has significance. During this year's "spring cleaning" I came across the following item written by a new Brother just after his initiation several years ago. On first reading, I see our new Brother's enthusiasm and honor of being initiated a Deltasig.

On closer reading, I see the importance that one person, each of you, can make in recruiting, thereby perpetuating and strengthening a chapter. This is as true for alumni chapters as it is for collegiate chapters. Lastly, I see a strong sense of Brotherhood and willingness to commit best efforts to the fraternity. As you read through it, think about what you see.

"As I sit here, gazing at the glittering eyes of amethyst staring at me from my newly acquired badge, thoughts of what it took to achieve the honor of being allowed to wear it flood my mind. I think of the short time that I was a pledge and what seemed like unending hours of initiation. I think of the parties skipped, the work left undone, and the hours spent trying to cram all the information into my reeling mind, the week before the test. I think that I must have been insane!

No, I wasn't really insane, after all, insanity would seem to indicate that I endured all of what it took to get this far without some reward. But, here I am with my Brothers,

enjoying good conversation, a good laugh, and most of all, the good feeling of Brotherhood. It's a fantastic, warm, wonderful feeling that I wouldn't trade for anything. It's a feeling of belonging, of being an individual, accepted by the group. But, while I could anticipate this feeling of mutual acceptance as I progressed through my pledgship, I really can't say that that was the reason I joined. As a matter of fact, the first reason I joined this fraternity was almost wholly due to my first contact

with it. These first contacts were through one member, and from the first time he mentioned the fraternity until the time we shared the grip of Brotherhood after initiation, I was impressed by the professional atmosphere of the fraternity, and, more importantly, by seeing the special kind of relationship he shares with his Brothers. Now that I am one of his Brothers, I can see why he took the time to recruit someone else. I am glad he took the time to recruit me so that I can enjoy the same feeling of Brotherhood. May I do the same!"

May each of you do the same. And, even if this issue ends up collecting dust until your next spring cleaning, may you never forget the lessons of recruiting, pledging and Brotherhood.

Best fraternal regards,

William R. Kinsella

WILLIAM R. KINSELLA
Grand President

P.S. If you read my commentary carefully in the Winter, 1991 issue, you may have wondered why people from Missouri, Kansas and Oklahoma (i.e., the Midwestern region) would travel to State College, Pennsylvania for their Regional Conference. Let me assure you that I was, in fact, at the Midwestern Regional Conference in State College.

W. R. Leonard

Receives the 1990 Delta Sigma Pi Lifetime Achievement Award

On Saturday, January 19, 1991, Brothers of Delta Sigma Pi from across the country gathered at the Embassy Suites Camelhead in Phoenix, Arizona, at a banquet in honor of William R. Leonard, 1990 recipient of the Delta Sigma Pi Lifetime Achievement Award. Some 100 members and guests attended the program including: Grand President William R. Kinsella, Executive Director Michael J. Mazur, Jr., Western Provincial Vice President Paul J.P. Garcia, Intermountain Regional Director Sandra A. Coleman, and Golden Council members Warren E. Armstrong, Theresa J. Drew, Charles E. Farrow, John D. Richardson, and William E. Wilson. Also in attendance were Leadership Fund Trustees Charles A. Hazday, and Charles I. Sutton, who are also members of the Golden Council. It was a special pleasure to have Brother Leonard's wife, Norma Jeanne and his sons and daughters in attendance.

At the banquet, Grand President William R. Kinsella, served as toastmaster, while Past Grand President Warren E. Armstrong delivered the invocation. The Delta Sigma Pi Life-

Grand President William R. Kinsella and Executive Director Michael J. Mazur, Jr. present the 1990 Delta Sigma Pi Lifetime Achievement Award.

time Achievement Award, one of the highest honors which the fraternity can bestow to one of its members, was presented to Bill Leonard by Grand President Kinsella and Executive Director Mazur. Following acceptance remarks by Brother Leonard, Executive Director Mazur delivered fraternal greetings to Bill on behalf of the Board of Directors, the staff of The Central Office as well as from several Brothers who had sent greetings in

advance of the banquet.

A 1956 initiate of Gamma Omega Chapter at Arizona State University, William served the fraternity as a District Director from 1979 to 1981, and Intermountain Regional Director and member of the Board of Directors of Delta Sigma Pi from 1981 to 1985. He was a charter member of the Phoenix-Thunderbird Alumni Chapter, and has served in the roles of President, Vice President, Secretary

and Treasurer. Additionally, he was instrumental in forming the Sun City-Roadrunner Alumni Chapter. Bill has served the International Fraternity of Delta Sigma Pi in a number of roles on the national level. He served as a member of the Executive Committee of Delta Sigma Pi from

1982 to 1985, and is currently the Chairman of the Bylaws Review Committee, a position he has held since 1985.

Professionally, Bill has been a certified public accountant since 1960, and a certified financial planner since 1990. Bill graduated with distinction from Arizona State University in 1957 with a bachelor of science in accounting. Bill was employed with Arthur Andersen and Company from 1958 to 1969, was a treasurer of Antaeus Resources Corporation and the Globe Corporation from 1969 to 1984, and recently returned to public accounting in 1987 as a partner of Leonard and Jacobo, CPA's in Phoenix, Arizona.

Bill has served in various civic activities, including the Phoenix Bond Committee, the Phoenix Education Committee, the Financial Executives Institute and the Rotary Club.

Bill and some of his family gather during the Lifetime Achievement presentation.

Daughter Patricia delivers some comments during the awards ceremony.

Son James makes a presentation to Bill on behalf of the entire family.

Bill is also a member of the Order of the Silver Helmet of the International Fraternity of Delta Sigma Pi, representing 25 or more years of continuous service to the fraternity.

Bill and his wife Norma Jeanne reside in Phoenix, Arizona.

Alumni Chapter Directory

As you end your collegiate years and finalize your plans to begin your professional career or if you are already in the business or academic world, don't forget to contact the alumni chapter nearest your home. The following directory of alumni chapters will assist you in continuing your fraternal experience. If you do not find an alumni chapter in your area, contact Vice President for Alumni Benefits and Services Marc A. Robbins or Director of Alumni Development Daniel S. Doyle at The Central Office for information on forming one.

Grand Chapter Congress

Whether it would be your first Grand Chapter Congress or your tenth, Washington, D.C. is where you will want to be later this summer. In August, the 38th Grand Chapter Congress will be in full swing and it is an event that all Deltasigs, both collegiate and alumni, as well as their family and friends will not want to miss. Ask a fellow Brother who has previously attended a Grand Chapter Congress why you should go and you will invariably receive a long discourse in favor of attending. But, previous convention attendees also invariably find it difficult to express the true impact that the Congress has had on them. How can you describe an event where you were installed as Collegian of the Year; where you witnessed your chapter receiving a fraternity award, or where you first met a lifelong friend, your spouse or even spent your honeymoon? These are but a few actual convention experiences of fellow Brothers over the years.

Washington Monument

Photos courtesy of Washington D.C. Convention and Visitors Association

In the previous issue of The DELTASIG magazine, a wealth of information on Washington, D.C. was provided with information on The Omni Shoreham Hotel, your convention headquarters. In this issue, complete details on the convention events as well as convention registration and hotel reservation information is provided.

This first convention held in our nation's capital is also the first convention with several major changes that have been adopted for the Congresses of the 90's. In response to feedback from attendees at previous conventions, as well as an assessment of the needs of our members and chapters, changes to the convention program have been adopted by the Executive Committee. These are exciting changes that will benefit both first-time attendees and "Congress veterans."

August 13 through 18, 1991 are the official dates of the 38th Grand Chapter Congress, but the needs of individual attendees will determine the actual dates that they attend. Collegiate chapter officers and those with ambitions to be one as well as current and future fraternity officers will want to register for the Officer Training School that begins early on the morning of Tuesday, August 13, 1991. See the related article for more details on the 1991 Officer Training Schools. Most other attendees will want to arrive on Wednesday, August 14, 1991. All participants will want to make plans to depart Washington no sooner than Sunday, August 18, 1991, to secure a reduced air fare most of which require a Saturday night stay. Incidentally, be certain to call the Ohio Auto Club—Oxford Branch, the Official Travel Agency for the 38th Grand Chapter Congress, for special discounts on selected air fares available only on travel booked through that agency.

Now, let's look at the convention on a day-by-day and an event-by-event basis . . .

WEDNESDAY, AUGUST 14, 1991

After a full day of the Officer Training School on Tuesday, August 13, 1991, Wednesday begins with a morning Delegates' Orientation Session. During this session, Official Chapter Delegates and Alternates will be provided with information on the policies and procedures followed during the Business Sessions and

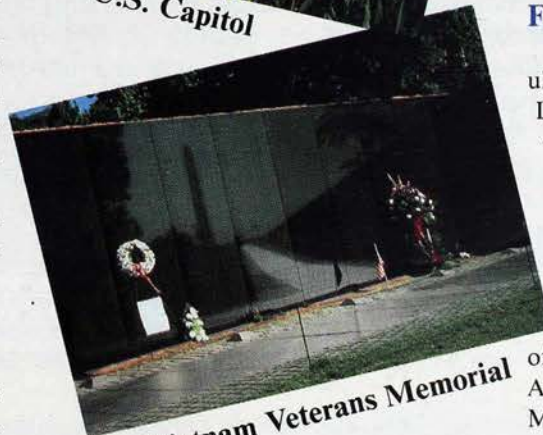

will preview the legislation that will be considered. The afternoon is free for all to explore Washington and its many free attractions. Registration will be open throughout the day so attendees can pickup their convention materials at their leisure. The evening events begin with the Grand President's Reception. Each participant will have an opportunity to meet the Grand President, the Executive Director, the Vice President for Alumni Benefits and Services and many other fraternity leaders from both the volunteer and Central Office staff

White House

U.S. Capitol

Vietnam Veterans Memorial

ranks. The first social event of the convention, the Opening Dance, follows the reception. Concurrent with the Opening Dance will be the Yellow Dog and Pink Poodle Initiations.

THURSDAY, AUGUST 15, 1991

A busy day is scheduled for all on this day. The 38th meeting of The Grand Chapter of Delta Sigma Pi officially begins with the Opening Business Session. At this session, a variety of recognitions and business matters are handled. Traditionally, the Keynote Address is held during the first segment of the Opening Business Session. Our plans for the delivery of the Keynote Address for this Grand Chapter Congress are flexible as this event has taken on a Presidential stature. President Bush is our invited Keynote. While confirmation of his attendance is pending we know that all attendees will share in the excitement at the prospect of witnessing the first time that the President of the United States of America addresses a Grand Chapter Congress of Delta Sigma Pi.

The Opening Business Session continues throughout this day including nominations and the presentation of official reports. On Tuesday evening, the Career Fair will occur. Representatives from several major companies will be on hand to discuss employment opportunities with both collegiate and alumni members. The Career Fair provides an excellent means to gather information on potential employers and to establish those all important initial contacts. The evening is free after the Career Fair for those who want to explore Washington nightlife and all that it has to offer. From Georgetown to Adam's Morgan the choices are almost limitless.

FRIDAY, AUGUST 16, 1991

Another full day of activity is scheduled for Friday. This day begins with the Legislative Business Session. Delegates will consider over 50 amendments to the Laws of the Fraternity and will have the opportunity to debate their positions. The Awards Luncheon immediately follows. This special convention highlight provides an outstanding forum for recognition of the best that Delta Sigma Pi has to offer. At this event, the Outstanding Chapter, Most Improved Chapter, and the Community Service awards will be presented and several other special recognitions will occur. Additionally, the 1991 Collegian of the Year will be recognized and will present remarks.

A series of fraternal and general com-

OMNI SHOREHAM HOTEL

The Omni Shoreham Hotel will serve as our headquarters for the 38th Grand Chapter Congress. Opened in 1930, The Shoreham has served numerous Heads of State, Presidents and other dignitaries. It continues to do so today in the same fine fashion that it has done over its illustrious history. For our convention, group rates for sleeping accommodations that are very favorable for Washington, D.C. These rates are available throughout the days over which our convention events will occur.

Single (one person per room)	\$ 94.00 per night*
Double (two people per room)	\$114.00 per night*
Triple (three people per room)	\$124.00 per night*
Quad (four people per room)	\$124.00 per night*

*These rates do not include D.C. sales tax (currently 11%) plus \$1.50 per room per night occupancy tax.

Reservation cards will be sent from The Central Office to registrants with their registration confirmation package. The rooms being held from inventory for Delta Sigma Pi at these convention rates will be released to the general public on July 12, 1991. After that date, reservations will be accepted on a space and rate available basis. Register early for the convention as The Shoreham is sold out most nights year round. Hotel reservations will require a major credit card or a first night's deposit guarantee.

REGISTRATION POLICIES

- Registration fees do not cover any portion of hotel room costs nor meals which are not a part of the Official Convention Program for the respective registration category.
- The Advance Registration Fee Schedule is in effect until July 12, 1991. Registrations received at The Central Office after July 12, 1991 and until August 2, 1991, will be processed at Regular Registration rates. After August 2, 1991, all registrations will be processed at On-Site Rates. Do not send registrations to The Central Office that would be received after August 8, 1991.
- Cancelled registrations will be refunded in full less a \$10.00 per person service charge if cancellation notice is received at The Central Office by August 2, 1991.
- **Cancellations received after August 2, 1991 are not refundable.**
- Transfer of registration will incur a \$10.00 per registrant service fee.
- All fees are payable in full, in advance in U.S. Dollars.
- Hotel reservations must be made directly between the registrant and the hotel.

The Ohio Auto Club-Oxford Office has been designated as the Official Travel Agent for the 38th Grand Chapter Congress. Special discounts have been negotiated for your Convention travel needs that are available only through this agency.

The Chapters Speak

SOUTHERN PROVINCE

As the academic year is winding down, our thoughts turn to the Grand Chapter Congress this August. Each chapter must select a delegate to represent its interests and the interests of the fraternity as a whole. Remember, whatever is decided by the Congress will become fraternity law, therefore, it is important for every chapter to be represented. There will be many issues presented before the delegates, the most controversial being regional realignment. Every ten years the United States conducts a census and, from this census, redistributes the seats in the House of Representatives according to changes in the distribution of population. For similar reasons, this fraternity from time to time must re-evaluate the distribution of its chapters among the regions. By doing this, Delta Sigma Pi assures itself that its volunteers are not overworked and that all of its chapters receive the guidance they deserve. I trust that the delegates will debate this issue fully and conclude the regional realignment in the best interest of the fraternity as a whole.

—RICHARD FEATHERSTON
Southern Provincial Vice President

SOUTH CENTRAL REGION

EAST TENNESSEE STATE, DELTA XI— Delta Xi Chapter started one of its most successful semesters last fall by becoming involved in various community service and professional activities. We accumulated over 190 hours of community service by participating in Adopt-A-Highway, the Jerry Lewis Telethon, and a faculty reception.

Professionally, Dr. Dan Emmel from our Career Development office led an especially informative discussion on co-op and internship opportunities. Socially, we got back to nature with a white water rafting and camping trip, held a graduation party, and had a "Winter Blast" at our semi-formal with the American Marketing Association.

We were proud to initiate 16 new Brothers from our pledge class last semester and are confident that they will help keep the chapter strong for years to come.

—Felisha Rimmer

JAMES MADISON, IOTA KAPPA— The past year was another successful and eventful one for Iota Kappa Chapter. Our strong community service program included Adopt-A-Highway, sending care packages and letters to our soldiers in the Middle East, gutting out an abandoned house in town, reading for the blind, and playing Bingo with nursing home residents. The highlight of our professional program was the International Trade Symposium. It emphasized the global perspective of business by featuring speakers on the European Common Market, Soviet Union, and Asia.

Our alumni continued their excellent support by giving us their business cards for a reference book, joining us for a Homecoming Tailgate, and sharing their experiences with us at our semi-annual Alumni Panel. Other activities included a barbecue for parents during Parents Weekend, a softball game and wine & cheese with the business faculty, a Brotherhood hayride with a bonfire and sing-a-longs, and our annual Christmas Party complete with Santa Claus.

We concluded the semester by initiating 18 new Brothers and celebrating at our Fall Banquet in Colonial Williamsburg.

—Kimberly P. Kidwell

TENNESSEE, ALPHA ZETA— The Brothers of the Alpha Zeta Chapter started the Fall 1990 year off with a very successful rush. We had a lot of interested prospects, and after careful consideration, selected 23 pledges. The pledge program was also a huge success. The pledges donated canned food to needy families, assisted the Brothers in a doughnut sale and raffled off a TV in order to raise money. In November, we initiated 20 new Brothers. At the beginning of the year, several Alpha Zeta Chapter officers attended the Officer's Training School in Atlanta, Georgia. They got a chance to visit with Brothers from other chapters and brought back a lot of great ideas for the fraternity. Another exciting trip for some of our Brothers was our Regional Conference in Lynchburg, Virginia. Something new that we participated in this year was a program called "Business Basics," sponsored by Junior Achievement. Each Brother who participated

was assigned a 5th grade class at one of the elementary schools in the Knoxville community. One day a week during the month of November, this Brother taught the class about business. All Brothers who participated said they had a great time and are looking forward to next year.

In November, we held our first annual Founders' Day/Alumni Banquet with a reception for alumni and family members. The banquet was a great success and the chapter believes this will become a popular annual event. The chapter completed several successful fund raising projects, such as a car wash, a doughnut sale and a t-shirt sale. Along with several speakers from prominent businesses in the area, our professional events included a tour to the Days Inn Reservation Center. Needless to say, Alpha Zeta Chapter has had a busy but rewarding year.

SOUTHEASTERN REGION

CLEMSON, KAPPA TAU— The Brothers at Clemson University have had an eventful 1990-1991 school year. The fall semester started off with a bang when Kappa Tau Chapter co-sponsored "Career Expo." This recruiting-directed event brought nearly 100 reputable companies and 1,500 suit-clad students together in a professional setting.

One of the most interesting activities of the fall was a Haunted House that we sponsored

Brothers from Iota Kappa Chapter gather after their successful initiation.

The Chapters Speak

Beta Gamma Chapter participates in the Adopt-a-highway program in Columbia, South Carolina.

for charity. The semester continued with an alumni party which brought back Brothers from many past years and, in an effort to help save the environment, Kappa Tau Chapter joined the Adopt-A-Highway project. We initiated 19 new Brothers in the fall.

At the outset of the spring semester, the Brothers performed great during recruiting, and we attracted 23 pledges. Our professional program was enhanced when Miss South Carolina gave a motivational speech. March brought an exciting Rose Dance in Charleston, South Carolina. The weekend consisted of an oyster roast at Brother Andy Thomas' home and a dinner cruise on the Charleston harbor. Spring Fling has been a noted tradition among our area chapters and Kappa Tau Chapter attended this festivity at Myrtle Beach along with many other chapters.

All of the Kappa Tau Chapter Brothers should congratulate themselves for a year of hard work and much accomplishment. All of the best to those who are graduating!

—Mary Jane M. Tobin

GEORGIA SOUTHERN, EPSILON CHI— This fall, the Brothers of Epsilon Chi Chapter held our first annual Fall Banquet. Our speaker was Dr. McDonald, a faculty member of the management department at Georgia Southern University. Awards were presented to those Brothers who made a special effort for the betterment of the fraternity.

Another important event in the fall quarter was the Southeastern Regional Conference held in Jonesboro, Georgia. Six of our Brothers attended to represent our chapter.

During Anti-Depression Week at school, the Brothers sponsored a fund raising event that enabled stressed students to relieve their tension by striking a junked car with a hammer. Other fund raising projects included; working at Six Flags, selling parking spaces during home football games, and having bake sales.

At our winter initiation, seven members were initiated into Epsilon Chi Chapter. This quarter will also be a time of recruitment to

find enthusiastic students who have an interest in Delta Sigma Pi and who are willing to work diligently for the fraternity.

—Shawnee V. Brown

MERCER, ALPHA TAU— Alpha Tau Chapter started the year in August, when some of our members drove up to Atlanta for the Officer's Training School. Classes started at the end of September, and in October we were back in Atlanta for our Regional Conference. This time we took 100 Deltasig t-shirts to sell as a fund raising project.

This winter quarter we have 10 pledges, having lost one as she was called to serve our country in the Middle East. Some future events include taking underprivileged children to the Museum of Arts and Sciences, holding a cookout with our pledges, and taking a road trip to Atlanta to tour the Coca-Cola Company.

SOUTH CAROLINA, BETA GAMMA— We started with an exceptional pledge education program in the fall, initiating 11 motivated new Brothers. We sponsored a Blood Drive, participated in the Adopt-A-Highway program, renovated the University of South Carolina College of Business Administration canteen, and held our Rose Dance and spring initiation.

This year is our 62nd anniversary, and we hope that our reputation will precede us as we are recognized throughout the country for our endeavors. In conclusion, we would like to congratulate and say goodbye to all our graduating seniors, with our best wishes for a happy life and successful career.

—Andrea R. Del Favero

SAVANNAH STATE, KAPPA CHI— The Brothers of Kappa Chi Chapter celebrated Founders' Day with a small reception which featured a specialist in economic development, Mr. Michael Bunn from Savannah Certified Development Corporation. The chapter and some alumni enjoyed his encouraging speech on success.

The message of the Grand President in the Fall issue of The DELTASIG of Delta Sigma Pi has encouraged a higher degree of determination and success in the fulfillment of our growing chapter.

—Tina L. Graves

TROY STATE, ETA KAPPA— As our year comes to an end, we are all looking back to see how much we have accomplished. We have learned much and have had a lot of fun. Our pledge classes from fall and winter quarter have proven to be exceptional, and we have a great set of officers for next year. Our transitional meetings have proven to be informative and educational. Motivation has been the key word. We have learned from our professional tours and films on subjects such as how to have the corporate look. The Big Brother Little Brother party and our spring fling in New Orleans seem to be the two most enjoyed events in the past year.

Our professional tours and speakers have us exchanging ideas and networking in the job market.

Eta Kappa Chapter is a set of united Brothers, we always seem to compromise and pull together.

—Mitzi D. Ketchum

ATLANTA— Hello from the 1996 Olympic Games City! Our kick-off event for this year was the annual BBQ/softball game with Kappa Chapter at Georgia State University in August. We meet at the Steak-N-Ale and enjoy a variety of monthly dinner/speaker with representatives from the GA Dome, the FBI, the Atlanta Bar Association, etc. Other than our annual social events such as the Founders' Day Celebration and the Christmas Party, we were also very glad to have been a part of the Kappa Chapter's 70th Birthday Celebration. We also volunteered our services to the Special Olympics held in Athens, Georgia.

If you are in the Atlanta area and would like more information, please contact Brother Bill Borland at: 3849 Pointers Way, Conyers, Georgia 30208. Telephone Number (404) 929-3446.

SOUTH ATLANTIC REGION

CENTRAL FLORIDA, THETA SIGMA— Helping the community is something that benefits us all, which is why the Theta Sigma Chapter at the University of Central Florida has played a significant role in the community. The East Orange Chamber of Commerce has even recognized our efforts by awarding the chapter "Business of the Month" for July and October 1990 and "Business of the Year" for 1990.

There are several factors that have contributed to the honors. A few of the East Orange Chamber of Commerce activities that the Theta Sigma Chapter has participated in are Easter in the Park and East Orange TGIF. The chapter also conducted a Haunted House which was a seven day frightfully, entertaining event, where participation from the Brothers and response from the public made the activity a phenomenal success. The Brothers finished off the year by participating in the East Orange Christmas Parade.

Whenever the opportunity arises, the Theta Sigma Chapter volunteers its time to community service events. Not only does it give the Brothers a chance to meet and learn from other businesses, but it also creates a great sense of accomplishment knowing that their efforts benefit the community.

FLORIDA, BETA ETA— The fall semester proved to be very exciting for Beta Eta Chapter. Reunion 1990, which has been planned for ten years, was a great time for Brothers to strengthen old ties and make new ones. Approximately 150 alumni participated, representing 22 pledge classes, the earliest being 1976! Brothers are already looking forward to Reunion 1995.

The Chapters Speak

Our fall semester saw the initiation of 21 new Brothers and this spring we have 20 promising pledges who are filled with enthusiasm. Professional activities have always been a strong point with Beta Eta Chapter. We hosted a number of presentations open to all students where speakers from different industries came to talk to us. At our fall professional trip in New York we toured Merrill Lynch, the New York Stock Exchange, Coopers & Lybrand and NASDAQ. The Kappa Chapter has been invited to join our spring professional trip to Atlanta where we will visit CNN and Coca Cola among others.

The Third Annual Tour De Hogtown is our big spring service project. We expect to have 160 participants in the four different bike routes. The proceeds will benefit the American Red Cross of Gainesville. We hope to be named the Most Outstanding Business Organization at Florida for a second year running.

—Carrie E. Yates

SOUTH FLORIDA, THETA PHI—The Theta Phi Chapter from the University of South Florida celebrated its 20th anniversary in April. Many special events took place this semester. We were very proud to have participated in the 25th Silver Anniversary Superbowl hosted in Tampa. Brothers from Theta Phi Chapter operated a concession booth in order to raise money for our budgeted activities. Spirits were high for all the fans as well as the Brothers. We worked hard, but had a great time.

Theta Phi Chapter also developed a new organization in conjunction with the University of South Florida Police Department. This organization was instituted to alert college students about the dangers of drinking and driving. The organization, USADD, (University Students Against Driving Drunk) was featured in a seminar at the South Atlantic Regional Conference held in Orlando, Florida. We hope to get other student organizations to participate with our chapter in this effort.

Epsilon Rho Chapter collects food for the homeless.

TAMPA, EPSILON RHO—The Epsilon Rho Chapter at the University of Tampa has been involved in many events and activities. We and the Beta Eta Chapter were sponsored by Metropolitan Ministries to build an Easter basket for the homeless. We filled this basket with goods donated by area supermarket patrons. We also competed in "Anchorsplash", a campus-wide Greek event which included several contests sponsored by Delta Gamma Sorority in the fall of 1990.

Another one of our major projects in 1990 was the creation and development of a restaurant guide which consisted of menus and ads for area restaurants. This restaurant guide utilized the innovations of our members and was a useful guide that was distributed to students and parents at the University Family Weekend.

SOUTH FLORIDA—The South Florida Alumni Chapter is happy to be celebrating its first year of existence. Our focus the first year has been to build a base of members and to start a social program to bring as many alumni together in Palm Beach, Broward and Dade counties. The highlight of 1990 was our chartering banquet in Highland Beach which was attended by charter members and many national officers on their way to the Alumni Cruise in the Bahamas. Other activities included Jai-Alai night, a Founders' Day picnic and several happy hours. If you are new to South Florida and are interested in joining the fun, contact Heather Bailey at (407) 588-7456, or write the chapter at P.O. Box 6714, W. Palm Beach, Florida 33405.

—Kathy Murray

SOUTHERN REGION

CHRISTIAN BROTHERS, EPSILON PSI—Epsilon Psi Chapter was fortunate to have both an Officer Training School and our Regional Conference in Memphis this year. We thoroughly enjoyed being host to both events with our sister chapter, Gamma Zeta, because it provided an excellent forum for us to share ideas with Brothers outside our chapter.

Many of these ideas were later transformed into projects that have increased our presence in the community. We began the year with a car wash for the Muscular Dystrophy Association. It was soon followed with our participation in the Memphis Jaycees' Halloween Haunted House. We then went on to host our first annual Soccer Homecoming. And finally, we finished the semester with a Christmas Bowl-A-Thon benefiting "Toys for Tots."

Plans are currently underway to assist the local Small Business Association in providing services for new businesses. We are also developing new projects involving alumni and our Gamma Zeta Chapter Brothers. Special thanks are extended to all Brothers who attended each conference. Their varied input has indeed made lasting impressions on our chapter which will enable us to attain future

success. If we may ever return the favor or simply lend a little support, please let us know.

—David A. Pierce

MEMPHIS STATE, GAMMA ZETA—Gamma Zeta Chapter is fortunate to be located in a city with three Deltasig chapters, Epsilon Psi Chapter at Christian Brothers University, the Memphis Alumni Chapter and ourselves. We have decided to make a concerted effort to interact with all our Brothers in the city.

Discussion is also underway between Epsilon Psi Chapter and ourselves concerning an annual touch football game between the two chapters. The winner's trophy will stay with the victorious chapter until the next game. This activity instills pride in the Brothers of each chapter and encourages fellowship between the chapters.

—Richard W. Bohannon

WEST FLORIDA, ETA UPSILON—Eta Upsilon Chapter at the University of West Florida recently initiated faculty member Dr. Antonio Apap. We welcome him as our new Chapter Advisor. Our spring semester recruitment was an enormous success as a result of the excitement and cohesiveness instilled by the visit of Chapter Consultant Lynnette Servaes. These new Deltasigs will aid us in our effort to reach our goal in our Endowment Fund. This fund will provide the resources for an ongoing scholarship each year to a deserving student in the business field. We have received support from alumni contributions, fund raising projects and profits from our West Florida Argonaut "Argoniser" date planner.

—John Thompson

GULF SOUTH REGION

McNEESE STATE, ETA TAU—The fall 1990 semester started with a bang! Meet the Chapter produced 15 interested business students of which seven were initiated. We hosted the Regional Conference in our city, several seminars were sponsored, we played games and held a formal awards dinner. The crawfish was adopted as our regional mascot and pins were given to all Brothers in attendance.

Eta Tau Chapter celebrated Founders' Day with a dutch treat dinner at a Picadilly Restaurant near the campus. At this banquet, our Faculty Advisor John Moreau was presented a plaque for 15 years of dedicated service to Eta Tau Chapter.

Due to a fall in the number of members, we have lost support from faculty and alumni so our goal is to revitalize Delta Sigma Pi at McNeese State. We are including them in our activities and keeping them informed of our progress.

—Erica Jenkins

NEW ORLEANS, EPSILON NU—The Epsilon Nu Chapter had a very successful fall 1990 semester. The chapter's professional program

(See CHAPTERS, page 19)

PRESIDENT BUSH SLATED AS KEYNOTE SPEAKER

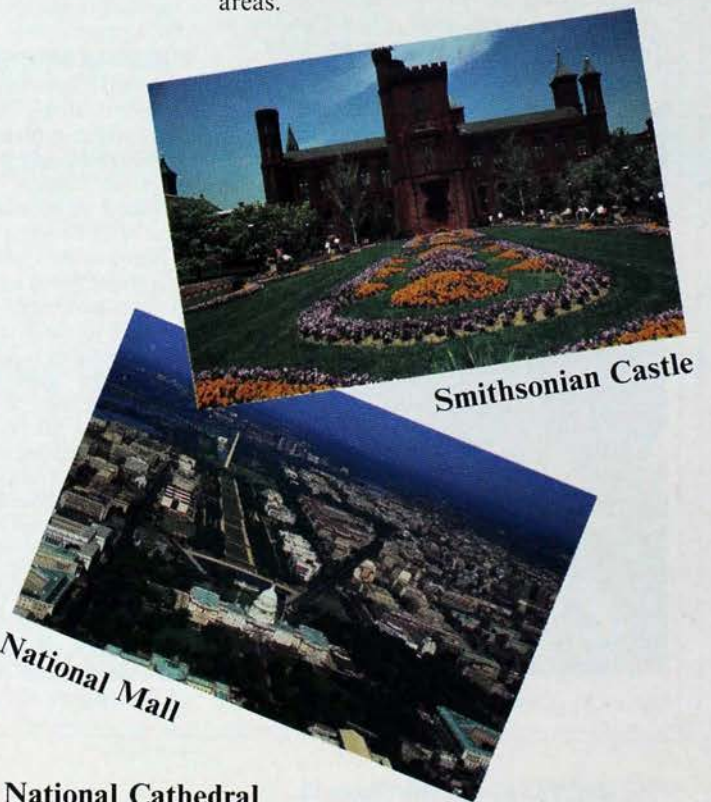

President George Bush is the invited Keynote Speaker for the 38th Grand Chapter Congress. As we go to press on this article, confirmation of his participation has not been received. Grand President Kinsella and Executive Director Mazur debated over whether the membership should be made aware of this tentative arrangement and mutually agreed that all potential convention participants should be made aware of the plans that have been made.

A Presidential Address is an outstanding and moving experience. It is also a complex logistical challenge. Final confirmation of a Presidential Address generally is not given until a few short weeks before the event and the appearance of the President can be cancelled at a moment's notice.

The leaders of your fraternity want this convention to be a most memorable experience for all who attend. The risk that the President will not attend exists, but it is a risk for what could be a once in a lifetime experience that we feel you would want us to take for the ultimate convention experience.

community issues sessions will immediately follow the Awards Luncheon. At these concurrent sessions, presentations on issues such as risk management, alcohol and substance abuse, and hazing will be made by professionals in these fields. Most members are aware of the need for attention and concern in these areas so these sessions are intended to expand the knowledge and understanding of these important aspects of our existence. The professionals slated for these sessions will bring a new sense of understanding through actual example. What better way to learn how to deal with hazing and other risk management issues than to hear from an attorney who has served as counsel for the defense in multi-million dollar lawsuits against fraternities and fraternity members? Who can better describe the results of the abuse of alcohol than a recovering alcoholic? These are the type of high impact presentations that have been scheduled.

After dinner on Friday evening, the Meet the Candidates session will be conducted where convention participants will have an opportunity to hear and to question the candidates for the offices of Grand President and Vice President for Alumni Benefits and Services. Following this session, the candidates for the Provincial Vice President and Regional Director positions will meet with the delegations from their respective geographic areas.

Smithsonian Castle

National Mall

National Cathedral

SATURDAY, AUGUST 17, 1991

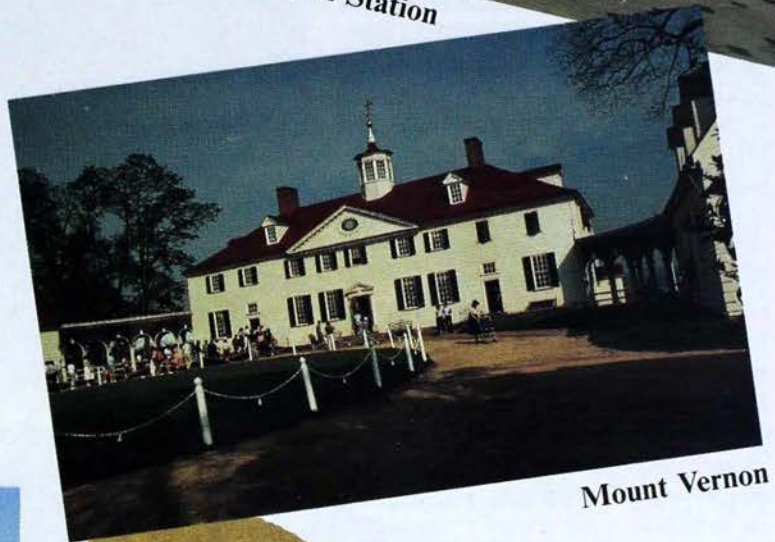

With the dawning of this day, convention participants will find it hard to believe that this is the final day of the 38th Grand Chapter Congress. Events kick off early with the Final Business Session. Elections will be conducted; resolutions will be considered and the 1991-1993 Board of Directors will be installed at this session. After lunch, alumni members will have an opportunity to participate in an interesting series of seminars being planned by the Vice President for Alumni Benefits and Services. Collegiate members will be especially interested in the personal and professional development sessions scheduled for this afternoon. Sessions on business etiquette, personal financial management and planning for business travel are some of the topics in store.

The events of the afternoon continue with the initiation of the National Honorary Member. At this event, an initiation team selected from among the top performing chapters initiates an outstanding leader in business, government or education. A brief address by our newest Brothers followed by a question and answer session will occur.

The absolute highlight of each Grand Chapter Congress is the Grand Chapter

Union Station

BE AT OTiS FOR THE COMPLETE CONVENTION EXPERIENCE

The 1991 Officer Training School (OTiS) will be conducted in four locations with the first school slated for Washington, DC. The School is designed for current and future chapter and fraternity officers and it provides a wealth of training in all areas of effective chapter operations. Participants in the 1990 Schools report that implementation of OTiS training has resulted in great success.

The Washington OTiS will be a special event as most of the leaders of the fraternity from the volunteer and staff ranks will be there. This school will provide an opportunity for greater interaction than can possibly be experienced at any other event.

The other locations for the 1991 OTiS include, Indianapolis, New Orleans and Los Angeles. These events will be held in the Fall. Those who participate in the Washington OTiS also should attend one of the other Officer Training Schools if possible to obtain the complete OTiS curriculum.

Attend both the Washington OTiS and the 38th Grand Chapter Congress for the complete "Capitalizing on Brotherhood" experience!

Congress Banquet and Ball. Attendees dress in their finest for this special event as it is the celebration of the convention days gone by and all that Delta Sigma Pi was, is and will be. During the program a number of recognitions will be made and the National Honorary Member will be presented membership credentials. A highlight will be the presentation of the first members who have made planned gifts to the Delta Sigma Pi Leadership Fund in its Living Legacy program. After the banquet, the Ball begins with live entertainment into the wee hours.

Besides the events covered here, there are events for spouses, guests and children that are covered in a related article. Also, members who arrive early or stay later may attend the meetings of the Executive Committee and the Board of Directors as observers.

On Sunday, August 18, 1991, the 38th Grand Chapter Congress will become a memory for all who will attend and another part of the history of Delta Sigma Pi will be written. As attendees depart, goodbyes and addresses will be exchanged; new lifetime friendships will have been solidified and that special feeling that enhances all that it is to be a Deltasig will be strong. Washington will be the capital of Delta Sigma Pi this August 13-18, 1991. Be there for yourself and for your fraternity.

FOR SPOUSES, GUESTS AND CHILDREN

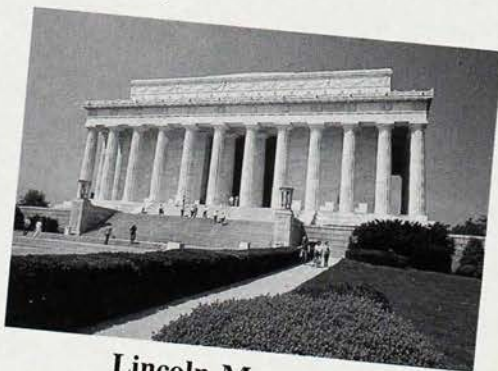

The Grand Chapter Congress has something for everyone and many spouses, friends and children of Deltasigs attend the convention as well. Washington provides an excellent opportunity to plan an exciting family vacation with a fraternal twist. Also, celebrating a special event such as an anniversary or a birthday among Deltasigs can be an enjoyable experience.

Of course, the Royal Order of the Pink Poodles has offered female spouses of members of Delta Sigma Pi with several convention events for many years. The Pink Poodle Initiation will be held on the evening of Wednesday, August 14, 1991. Details about the initiation will be available during registration on both Tuesday and Wednesday. The Pink Poodles also will have a brunch and a biennial meeting on Thursday, August 15, 1991.

All convention registrants are invited to attend the Keynote Address and will especially want to do so if President Bush attends. Participation at a Presidential Address is a moving and a special experience. Additionally, all convention attendees are invited to participate in the personal and professional development sessions scheduled for Saturday afternoon. Finally, all convention registrants will receive tickets to the Awards Luncheon and to the Grand Chapter Congress Banquet and Ball. As Washington has such a variety of free attractions and such excellent and safe public transportation, no special tours have been scheduled for advance registration. A tour desk will be open during registration for those who will want to participate in organized tours.

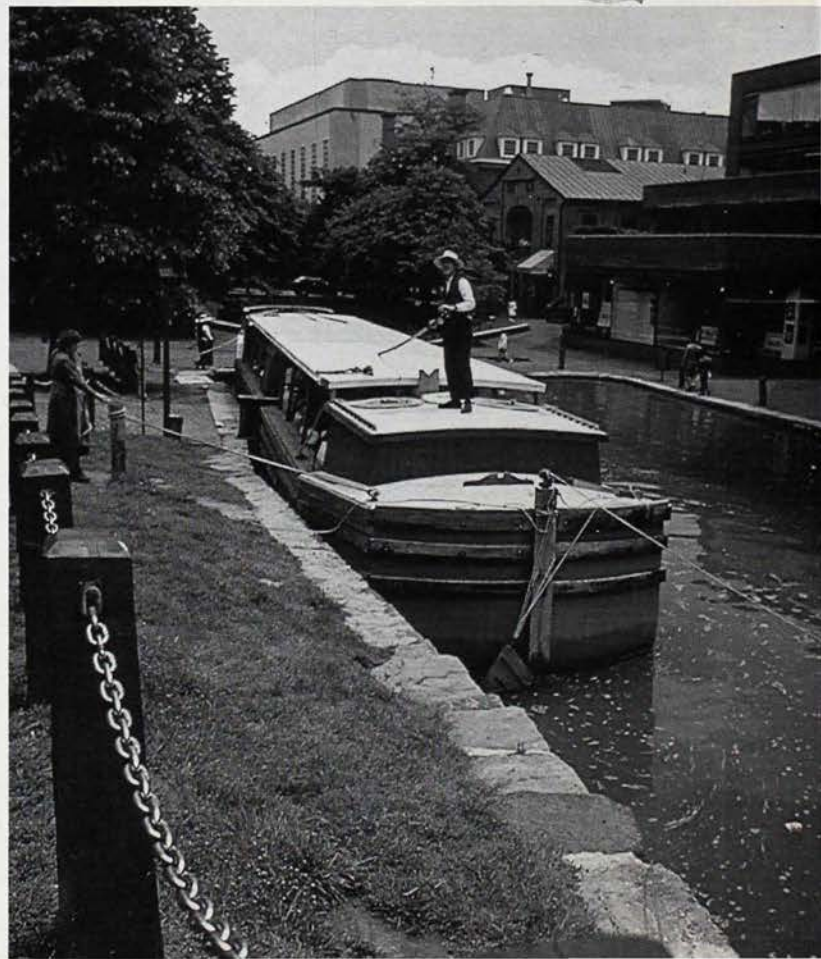

Air & Space Museum

C&O Canal/Barge

The Chapters Speak

Dr. Norman R. Harbaugh addresses the members of the Atlanta Alumni Chapter at one of their monthly membership meetings.

included a tour of Avondale Shipyards as well as several informative guest speakers representing various industries in the New Orleans area. As a community service project, the chapter participated in the Christmas in October program in which members did restoration work on homes for the needy. Social activities included an Oktoberfest celebration at the Deutsches Haus German Club, and a night at the New Orleans Ballet for a performance of the Nutcracker. Epsilon Nu Chapter initiated nine new members in a joint initiation ceremony with the Beta Zeta Chapter at LSU. We also initiated faculty member Dr. Clifford Koen.

Spring events will include a marketing tour of the new Aquarium of the Americas, a night at the New Orleans Opera, and a television auction held to support the local public broadcasting station. We hope to see everyone at the Grand Chapter Congress.

WESTERN PROVINCE

INTERMOUNTAIN REGION

ARIZONA, GAMMA PSI— The Brothers of Gamma Psi Chapter were given a unique opportunity this past election day. We were able to participate in Kids Vote '90, a program that encourages and teaches kids to vote. Brothers also participated in other community service projects. We donated our time by helping to organize and set up a Halloween party at a local convalescent home, gave the adults a

chance to interact with the young trick-or-treaters, and our newly initiated Brothers spent an evening at the movies with underprivileged children from Project Yes. Our professional activities have included a mock interview set up between a Brother from the chapter and EDS, allowing members to actually see an interview taking place. Following, an EDS representative gave good and bad points of the interview and spoke on EDS itself. In addition to other speakers, members were also given an opportunity to meet and

listen to a Gamma Psi Chapter alum. Joseph S. Hardy, a Chartered Financial Consultant, spoke to the chapter about his particular field.

Gamma Psi Chapter has been busy this year with community and professional projects and is continuing to strive for success.

—Diana Schmidt

ARIZONA STATE, GAMMA OMEGA— Gamma Omega Chapter held a highly successful recruiting week in January with a record 77 recruits attending the various events. Along with mailing invitations to a select group of sophomores, new events were organized and well publicized to attract a large, quality group of prospective pledges. Brothers celebrated Deltasig Days at Northern Arizona University with Zeta Omega Chapter and the University of Arizona Gamma Psi Chapter. All Brothers who attended enjoyed the weekend's activities.

Gamma Omega Chapter is also planning its 40th birthday celebration to be held in the fall of 1991. Ceremonies and events are being considered to reunite alumni, faculty, and undergraduates in commemoration of the chapter's founding at ASU. For further information please write to: Office of Student Life, Box 79, Memorial Union, Arizona State University, Tempe, Arizona 85287-0512.

—Carrie L. Constandse

COLORADO, ALPHA RHO— Alpha Rho Chapter enthusiastically started the school year by sending delegates to our Regional Conference in Albuquerque, New Mexico. There, we enjoyed gathering new information, sharing ideas, and meeting Brothers from other chapters. We were also honored to receive Honor Roll and Most Outstanding Chapter for the Intermountain Region. The remainder of our fall semester was filled with the education of our pledge class, fund raising projects, community service projects, dynamic speakers, and an Oktoberfest with Denver alumni.

We have had four main focuses in addition

Members of the South Florida Alumni Chapter gather with Grand President and Mrs. Kinsella at the South Atlantic Regional Conference in Orlando, Florida.

The Chapters Speak

Brothers from Alpha Rho Chapter celebrate Founders' Day by proudly wearing their greek letters.

to our usual itinerary for the spring semester. First, we implemented an Alcohol Policy. We realize the urgency of this issue and the importance of protecting our chapter as well as our individual Brothers. Another focus was to raise funds and enthusiasm for Grand Chapter Congress. We intend to send a huge delegation. Our third focus has been to work toward earning Most Outstanding Chapter nationally. We have a lot of excitement and pride in our chapter and hope to express this nationwide. Finally, perhaps our largest project is trying to start a new chapter at Colorado State University. We have great hopes and enthusiasm for this expansion, and if everything progresses as planned, we hope to initiate the founding fathers of this new chapter at the end of spring.

See you all in Washington, D.C.

—Sheila D. Park

NEW MEXICO, GAMMA IOTA— The spring and fall semesters of 1990 were more than just a cap stone for the years of Brotherhood, professionalism, and fruitful activity that the Gamma Iota Chapter saw in the eighties. The year was filled with a busy schedule of speakers, social activities, community service, and fundraising, along with some very notable events including the initiation of our 1,000th Brother, and the hosting of the Intermountain Regional Conference.

Speakers from the National Labor Relations Board, State Legislature, and Albuquerque Chamber of Commerce, were brought in as a part of a professional speakers programs that also included entrepreneurs, financial consultants, CPA's and other prominent indi-

viduals from the Albuquerque business community.

Social events were some of the best ever seen and we placed renewed emphasis on community service activities, making them both fun and rewarding.

The year was an active and fulfilling one for us, and looking forward, Gamma Iota Chapter plans to build on these foundations.

NEW MEXICO STATE, EPSILON UPSILON— Striving for success is what the Deltasigs of Epsilon Upsilon Chapter plan to continue doing. As the fall semester closed, 11 new Brothers were initiated. As always, professional speakers and tours provided the chapter with many opportunities to learn about the business world outside of class. Topics ranged from local to international business. Plant tours were also diverse and well organized. Besides regular professional activities, the chapter stressed community involvement by helping with Special Olympics, sent needed items and student messages to our troops in Saudi Arabia, participated in the soccer championship and played flag football.

Brotherhood was an important goal of the chapter and a new award was implemented that proved to increase involvement within the chapter. Each week, a rose was given to a member who showed exceptional participation and a thorn was given to the member who needed encouragement. Brothers had a fun time voting for Rose and Thorn of the Week. Bowling for Brotherhood also proved to be an exciting and competitive atmosphere for

Brothers to get together.

Overall, Epsilon Upsilon Chapter is excited about the future and continues to strive for success in all that it does.

—Shannon K. Williams

NORTHERN ARIZONA, ZETA OMEGA— Zeta Omega Chapter gained 12 new Brothers last spring and 16 Brothers in the fall. We have held a retreat in Sedona to build Brotherhood and make plans, held a campus-wide blood drive, participated in the Adopt-A-Highway program in Flagstaff and sent four Brothers to our Regional Conference.

The Brothers of Zeta Omega Chapter extend a hello and welcome to all Brothers to visit us in Flagstaff anytime.

—Susan Dungan

WESTERN STATE, ZETA KAPPA— Zeta Kappa Chapter had a very successful spring semester. In fact, most aspects of activity have exceeded our expectations. Spring recruiting proved to be very strong and has led to a flourishing pledge program. All other activities have been equally impressive. Our fundraising highlight was the "Air-band" contest that received tremendous support from the student body. We also had a great semester involving several guest speakers. The town has been extremely helpful in setting up the town cleanup day. On this day Zeta Kappa Chapter, in conjunction with other local organizations, provided people power to beautify this small town. By the end of spring semester we hope to have completed one of the most successful semesters in recent history. Expectations for next semester are very high.

—Christopher L. DeLauro

ALBUQUERQUE-ZIA— The Albuquerque ZIA Alumni Chapter is busier than ever. This past year was full of activities which involved alumni, collegiates and pledges alike. We were a strong force in hosting the Intermountain Regional Conference in Albuquerque. Our community service projects have included various food and toy drives and taking children from the shelter for the Victims of Domestic Violence to the museum. Our semester pledge- alumni reception was well attended and gave the pledges an opportunity to meet the ZIA alumni members as well as some Deltasig honoraries.

For Christmas, ZIA alumni gathered to watch the Albuquerque Annual Christmas Parade with an Italian feast afterward at a local restaurant. Our 1991 projects will build upon our recent successes, and because one of our members works for MDA we will be devoting much of our community service efforts this year toward helping this worthy organization. Our overall goals for the year are to better serve the collegiate chapters in our area and provide a casual forum for idea exchange among our membership. We are looking forward to a very successful 1991.

—Bryan Anderson

The Chapters Speak

PHOENIX-THUNDERBIRD— Phoenix Thunderbird Alumni has been busy so far this year, with a variety of events to interest our members and encourage participation.

We were honored to help recognize the accomplishments of one of our members, William R. Leonard, by hosting an awards banquet. He is the first recipient of the Delta Sigma Pi Lifetime Achievement Award. We dined at the Spaghetti Company and attended a production of "Dangerous Liaisons" at the Phoenix Little Theatre, ate Mexican at Macaros Central, and then heard a speaker from the Drug Enforcement Agency. We have planned a trip to Turf Paradise Horse Track, a steak dinner and speaker at Monti's Casa Vieja in Tempe, and a picnic at the R & G Ranch in Phoenix for Fathers Day.

Please plan to join us at any event if you are in the area, we would love to see you!

—Laurie Gail Senko

WESTERN REGION

CAL STATE-SACRAMENTO, EPSILON PHI— Epsilon Phi Chapter has had a busy and exciting year. We traveled to Kappa Mu Chapter in San Luis Obispo for the Provincial Party, Berkeley for the Regional Picnic, Las Vegas for Officer Training School, and we cruised the Bahamas on the Alumni Cruise. Epsilon Phi Chapter toured EDS, Hewlett-Packard, heard from speakers on topics from small business ownership and international business to California's new Multi-Culture center and motivation. We also hosted a campus wide career fair at which many companies from around the area came to discuss job opportunities with the members of the chapter and the entire campus. Epsilon Phi Chapter raised funds this year by washing cars, holding garage sales, selling candy, and holding a drawing for a trip for two to Hawaii. Just as successful and fun were our community service events which included hosting a Halloween party for the Sacramento Children's Receiving Home, participating in Share-A-Trip, and teaching Business Basics to elementary school students through Junior Achievement.

We look forward to seeing many Brothers in Washington, D.C. this August, and we open our Brotherhood and our doors to anyone visiting Sacramento.

—Nancy L. O'Neill

NEVADA-RENO, DELTA PI—Delta Pi Chapter began supporting underprivileged third graders by giving them parties for both Halloween and Christmas, and we have another planned for the spring. We have gained large community support through these parties, and we have had a lot of fun getting to know these children. We have financed these events through implementing a recycling program in the Business Building on campus. There are now aluminum recycling bins located

throughout the building. We are working with Junior Achievement to help teach these and other third graders about business. It is a project that not only the children learn from but also the newly crowned "teachers."

Last semester we started a new award for best Big Brother. We would like to congratulate Brother Jeff Zucco for being the first recipient.

—Norbert Hermanson

PACIFIC, LAMBDA MU— Lambda Mu Chapter planned an exciting year filled with professional seminars, community service, and social events. During the 1990-91 school year, Brothers cemented the bonds of friendship and Brotherhood by pulling together and working towards the purpose and goals of our chapter and the fraternity.

Using the theme of "Job Firsts" for our professional activities, we sponsored lectures on topics such as "Job Search Seminar", "How Not to go Broke after Graduation", and "How to Succeed in Second Interviews." After a year of planning, our community service activity became a reality. With the support of other Greek organizations and the Senior Citizens Center, our chapter organized a Spring Fling Dance for senior citizens to promote the interaction of UOP students with Stockton's senior citizens. We are also continuing our involvement with Junior Achievement for a second year by having Brothers teach Business Basics to 5th and 6th graders. The chapter is excited about sponsoring the 1991 Regional Picnic in May. Brothers have been working hard in preparing and organizing an activity packed event.

—Emilie C. Andres

SAN JOSE STATE, THETA CHI—Theta Chi Chapter is 20 years old on May 7, 1991. To commemorate this event, we will be holding a picnic the first week of June. We would like to extend a personal invitation to any out of state or in state Deltasigs who might be in the San Jose area this June. Please call Kelly Sprowl at (408) 287-7247 for more information. In order to boost recognition on campus, our "Meet the Chapter" featured the Associate Dean of San Jose State's School of Business, Dr. Curtis Cook, as well as our Chapter Advisor, Dr. James Stull, who was voted the Most Outstanding Professor of our School of Business.

—Kelly M. Sprowl

SACRAMENTO VALLEY—The Sacramento Valley Alumni Chapter, under the leadership of newly elected President, John Saylor, had a busy calendar during the second half of 1990. We attended an Oakland A's baseball game, and have two games planned for next season, sponsored a rush social for the Epsilon Phi Chapter at Cal State-Sacramento, held a golf tournament, observed Founders' Day and held our 16th annual Christmas party hosted by Past Grand President Brother Bill Tatum at his home. We started off the new year by having a Super Bowl party at the home of Brothers

Bill and Karen Stebelski.

We continue to have our meetings/luncheon on the first Wednesday of each month at the Spaghetti Factory in downtown Sacramento as well as an after work monthly social on the fourth Thursday.

—Tom Sharp

SILICON VALLEY— The Silicon Valley Alumni Chapter holds monthly happy hours at various locations throughout the South Bay, and general/planning meetings occur once a quarter.

Our active calendar has seen such successful events as a Super Bowl party, Wine and Cheese Christmas Social, Horse Racing Day at Bay Meadows, a Lake Tahoe ski trip, and our annual golf tournament. We also frequently co-sponsor events with the local chapter, Theta Chi Chapter at San Jose State University.

If you are in the Bay area, please feel free to contact us.

—Robert A. Tavarez

SOUTH PACIFIC REGION

CALIFORNIA-RIVERSIDE, LAMBDA CHI— On January 14, 1991, Lambda Chi Chapter celebrated its 2nd year anniversary! We are proud to say that we have become a strong, enthusiastic chapter. This past month we initiated 10 eager Brothers into the chapter. Because many of our older Brothers have graduated, these new Brothers will not only bring great, new assets to this fraternity, but also keep the spirit alive.

One of our biggest events was hosting the South Pacific Regional Conference this past October. Together with Brothers from many other chapters, the Conference was a big success! We would especially like to thank the National Officers who gave us their whole-hearted support. Lambda Chi Chapter is looking forward to making this decade the strongest ever. As long as we keep on learning, we will keep on rising.

—Jan T. Nakasone

CAL POLY-SAN LUIS OBISPO, KAPPA MU— Kappa Mu Chapter has had a busy and exciting year. We started our professional program with a Los Angeles tour which included R.R. Donnelley and the Security Pacific World Headquarters, both excellent tours. While we were in Los Angeles we attended the South Pacific Regional Conference where we were awarded the Travelers Award. Our chapter undertook some major projects this year which included our Poly Planner, The Western Provincial Party, and our tenth anniversary party. Kappa Mu Chapter was also honored with the return of three Brothers from overseas and 22 new Brothers from our pledge class. We also initiated Dr. Marianne Wolf, our newest faculty initiate, and we are enjoying her company at many of our events.

—Kathy Rogers

The Chapters Speak

CAL STATE-NORTHRIDGE, IOTA UPSILON—Our Executive Committee started the year at the Officer Training School in Las Vegas. We picked up some great leadership tips and everlasting friendships with Brothers from other chapters.

Money raised from working Rose Bowl games was used to support a Malaysian boy and bring gifts to a local orphanage. We also helped feed the homeless on Thanksgiving and worked a Muscular Dystrophy Association Telethon. Our annual winter retreat at Lake Arrowhead was a blast and parties and sporting events have been great successes.

We've had a terrific year so far, and look forward to meeting all of you in Washington D.C.

—Mia L. Kawata

LOYOLA-MARYMOUNT, DELTA SIGMA—The Brothers of Delta Sigma Chapter have been quite busy in the area of community service this year. We participated in the World Summit for Children's Candlelight Vigil at Santa Monica Beach. The vigil had been organized by the Associated Students of LMU in hopes of making people aware that children throughout the world were not receiving the basic necessities such as food, shelter and medical care. We worked the finish line, media sign-in table and food booth at the "Run for the Homeless." We supported the Air Force ROTC program by writing Christmas cards to Ameri-

can soldiers in the Middle East, and along with Alpha Phi Sorority and Residence Life and Campus Ministry, helped collect toys for the project "Christmas for the Children of the Hogar Infantil Orphanage."

The new year started with plans to participate in the Los Angeles Marathon, City of Hope project and Adopt-A-Highway program.

If any chapter in the region would like to co-sponsor an event or come for a visit, we'd love to hear from you

—Patricia N. Constenla

SAN DIEGO, LAMBDA PI—Lambda Pi Chapter will be celebrating our fifth anniversary this May. The fall semester was one of our most productive ever and recruiting was nothing short of incredible. By strengthening our already solid Brotherhood, we will be taking up where we left off and heading to the top by the end of the year. Lambda Pi Chapter is doing well in San Diego.

—Gregory R. Jim

SAN DIEGO STATE, IOTA PI—Iota Pi Chapter at San Diego State University is on the rise. Our achievements over the year have produced the South Pacific Regions Collegian of the Year, Lisa Middaugh, the Regional award for Professional Programs and 29 incredible new Brothers. We conducted our 3rd Annual Rock-n-Roll 10k which had over 500 partici-

pants. Iota Pi Chapter produced another great pledge class and our goal is to become the most outstanding chapter in the nation and, most important, be the best professionals that we can be. We are stronger than ever before.

—James Kone, Jr.

SOUTHERN CALIFORNIA, PHI—Phi Chapter's professional events have ranged from firm tours at Chiat/Day/Mojo advertising agency to guest speakers such as Dan Lyle of Price Waterhouse, and topic speeches such as "Marketing Yourself." We also were honored to hear from Robert Davis who is the former president of Chevron Chemical Corporation.

As far as fund raising goes, we have sold t-shirts with the Nike "Just Do It" logo, promoted credit card applications, participated in a jog-a-thon, and organized a joint venture with the pledge class for a pumpkin sale. Community service events have included collecting for a canned food and clothing drive, mailing cards to the soldiers serving our country in the Middle East, and helping the Los Angeles Mission.

The social events of the year can never be forgotten. We held a USC/UCLA football game pre-party, a San Francisco weekender, an evening at Golf'n'stuff with the pledge class and an ever memorable banquet cruise. For homecoming we had an alumni social and a booth on campus before the game.

—Taleen S. Artunian

*Founded in 1962,
but inactive for
nearly 20 years,
Epsilon Omicron Chapter
at Western Michigan University
was reactivated
on December 8, 1990*

On Saturday, December 8, 1990, Epsilon Omicron Chapter, the fraternity's 120th chapter, was reactivated on the campus of Western Michigan University. Originally founded on May 19, 1962, Epsilon Omicron Chapter has been inactive since the 1970-71 academic year. The reactivation of the chapter was the culmination of the work of several individuals who wished to see Delta Sigma Pi again represented at Western Michigan University.

An alumnus of Epsilon Omicron Chapter, David Biek, contacted The Central Office of Delta Sigma Pi in 1988 to inquire if the fraternity had any plans to reactivate Epsilon Omicron Chapter. Brother Biek's son, Michael, was a student at Western Michigan University and was quite interested in joining his father's professional business fraternity. Director of Chapter Services C. Dean Ferguson met with Michael Biek during the spring of 1988, and discussed those steps needed to reactivate Epsilon Omicron Chapter.

An initial interest group of students was formed in the fall semester of 1988. It was not until January 19, 1989, that university approval for the reactivation of the chapter was granted by Dean Darrell G. Jones. A letter of intent was also received in January, from colony President Jeffery Ostema. A roster of members was submitted in March, indicating there were 30 colony members. Director of Chapter

Services C. Dean Ferguson also visited the Delta Eta Xi Colony in February, and met with the officers of the colony as well as Brother Robert Beam, an alumnus of Epsilon Omicron Chapter and Vice President for Business and Finance at Western Michigan University. Recruiting was discussed extensively and a list of all remaining requirements for reactivation that needed to be submitted were given to the colony. Frequent visits to Delta Eta Xi Colony were made by Huron Regional Director Frederick C. Lipsey during 1989 and 1990. The colony also benefited from the assistance of Brother Beam, and Chapter Advisor Brother Fred Hirt.

During March of 1989, the colony began submitting requests for points in the Chapter Efficiency Index. The members attended the Huron Regional and Area Conferences in early 1989 and 1990, and the Grand Chapter Congress in August of 1989 in St. Louis, Missouri. In August of 1989, then Assistant Executive Director Michael T. Walsh conducted a one-day recruiting seminar at Western Michigan University for our colony. With the strong recruiting program in the spring of 1990, membership in the colony rose to 40 individuals. In the fall of 1990, the colony also extended bids to additional students, which increased the size of the colony to 62 members.

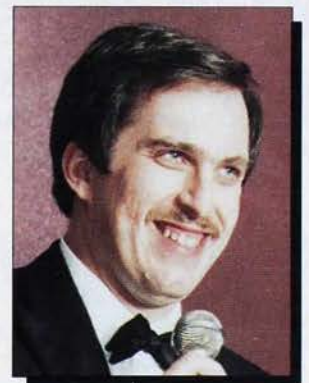

On Saturday, December 8, 1990, Deltasigs from across the country gath-

*Associate Dean
Lowell Crow*

ered in Kalamazoo, Michigan, to reactivate Epsilon Omicron Chapter. Fraternity officers in attendance included Grand President William R. Kinsella, Northern Provincial Vice President Samuel F. Shaheen, Southern Provincial Vice President Richard B. Featherston, Huron Regional Director Frederick C. Lipsey, Central Regional Director David L. Demaree, District Director Jeffery S. Fizer, District Director Timothy A. Morris, District Director Stella C. Copulos, and District Director Donna M. Smith. Director of Chapter Services C. Dean Ferguson, and Chapter Consultant R. Scott Kortendick represented The Central Office staff at the reactivation.

Golden Council members present for the reactivation of Epsilon Omicron Chapter included Anthony Z. Fernandez and Robert J. Elder. Brothers Robert Trapp and Raymond Stauder, original members of the Ritual Team for the installation of the chapter in 1962, were also in attendance.

Several chapters participated in the reactivation of Epsilon Omicron Chapter and served on the Ritual Team. The Ritual Team was represented by Xi Chapter at the University of Michigan, Delta Rho Chapter at Ferris State University, Gamma Theta Chapter at Wayne State University, Lambda Xi Chapter at Grand Valley State University, and Western Michigan Alumni Chapter.

Following the initiation, a memorabilia reactivation banquet was held. Associate Dean of the Haworth College of Business at Western Michigan University, Lowell

Director of Chapter Services C. Dean Ferguson, and William R. Kinsella tour the new Haworth College of Business with Robert Beam, Vice President for Business and Finance. (photo courtesy of Charles F. Eaton, Jr.)

Crow, provided a history of the College of Business at Western Michigan University. Following this presentation, Christian L. Hiles, Historian of Epsilon Omicron Chapter presented the history of the Delta Eta Xi Colony. Remarks were also heard from Northern Provincial Vice President Samuel F. Shaheen. Grand

President William R. Kinsella presented the charge and charter to the newly initiated Brothers of Epsilon Omicron Chapter. Jeffery Rinvelt, President of Epsilon Omicron Chapter accepted the charter on behalf of the chapter members, and Chapter Consultant R. Scott Kortendick concluded the evening by extending fraternal greetings from Deltasigs from across the country.

Epsilon Omicron Chapter again represents Delta Sigma Pi at Western Michigan University.

Western Michigan University, founded in 1903, is a public university offering programs in Liberal Arts, Business, Education and Engineering. The university offers a wide range of degrees through six undergraduate schools with both graduate and undergraduate degrees being awarded. Over 750 faculty members provide instruction to the over 15,000 full time and 4,000 part time students.

Business courses started in the 1930's at Western Michigan University, and a separate school for business was established in 1947. Enrollment today exceeds 5,000 business students pursuing both graduate and undergraduate degrees. Undergraduate majors are available in Accounting, Business Information Systems, Finance and Commercial Law, Management, and Marketing.

Taking Note

Samuel F. Shaheen, *Akron*, has been named Vice President for Operations at CliniTec Lab in New Philadelphia, Ohio. Sam is the Northern Provincial Vice President and also serves Delta Sigma Pi as chairman of the Steering Committee, Division A-Education/Leadership Programming.

B. Todd Whisenant, *Alabama*, has been promoted to the position of Associate Buyer for Mens Moderate Sportswear at Maison Blanche for 25 stores in Louisiana and Florida. The buying offices are located in Baton Rouge, Louisiana. Todd serves Delta Sigma Pi as the Gulf South Regional Director.

Kitty M. So, *Angelo State*, has accepted a position with Arthur Andersen and Company in Dallas, Texas.

Joanne L. Donahue, *Arizona*, has accepted a new position as Financial Analyst with The Federal Reserve Bank San Francisco, California.

Timothy A. Haskins, *Arizona*, has accepted a new position as Real Estate Appraiser with Appraisal Sciences Ltd., in Phoenix Arizona.

R. Scott Jones, *Ball State*, is employed with Marathon Petroleum Company as a Marketing Representative in Hazel Crest, Illinois.

Andrew J. Devlin, *California-Riverside*, has been promoted to Accountant with ROHR Industries in Riverside, California.

ZIEGLER NAMED HONORARY AICPA MEMBER

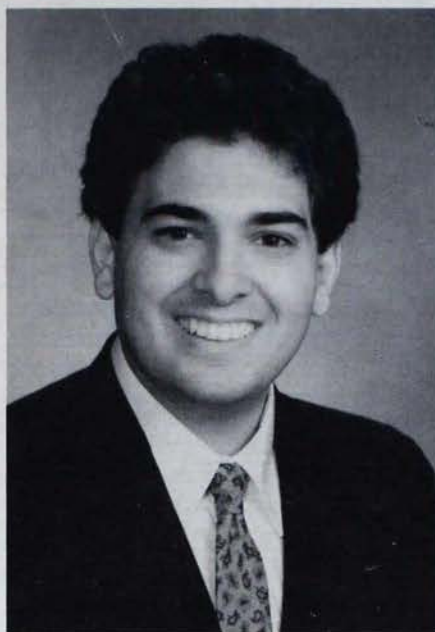

John H. Ziegler, *Cal State-Chico*, a Certified Public Accountant in Denver, was recently named a honorary member of the American Institute of Certified Public Accountants (AICPA). The Honorary Member certificate is given to CPAs who have been members of the AICPA for 40 years. The AICPA is the national professional association of CPAs with more than 300,000 members in public practice industry, government and education in the United States. Mr. Ziegler was a partner of Ziegler & Yanney, CPAs for 21 years in Medina, Ohio, and is a member of the Ohio Society of CPAs. He served a three year term on the State of Ohio Board of Accountancy and two sessions on the grading staff for AICPA.

After retiring as a CPA he accepted a teaching position at The California State University-Chico. Retiring as a tenured full professor, he was named Professor Emeritus, a post he still holds today.

Daniel C. Patterson, *Clemson*, is Vice President for Loyd's Inc., a general contractor in Easley, South Carolina.

Donald K. Denton, *Clemson*, has been promoted to Tubular Inspection Shift Manager with Burlington Industries-Knitted Fabrics Division in Wake Forest, North Carolina.

Brian A. Murphy, *Dayton*, was promoted to Vice President and General Manager for Mr. Micro in Plano, Texas. This includes the Education Division, the Professional Graphics Division and the Office Productivity Division.

Daryl T. Logullo, *Florida State*, has been promoted to the position of Director of Investment Trading with a privately held Boca Raton investment firm, with affiliates including a registered brokerage house, investment advisory service, and privately held money management group. A member of the American Association of Individual Investors, he is a licensed stockbroker holding the professional designation of Certified Mutual Fund Specialist (CFS), and is also a future candidate for the Chartered Financial Analyst (CFA) professional accreditation. He is the current District Director of the South Florida Alumni Chapter of Delta Sigma Pi, and also serves the fraternity as a member of the Chapter Efficiency Index Review Committee.

Audra L. Moul, *Indiana*, is a Captain and attorney in the U. S. Air Force stationed at Whiteman AFB, Missouri, currently serving as the area Defense Counsel for the base.

Justin E. Moul, *Indiana*, is a Captain in the U.S. Air Force stationed at Wright-Patterson AFB, Ohio, studying for his masters degree in strategic and tactical studies.

Karen Joyce Taritas, *Indiana-Purdue*, has accepted the position of Marketing Manager for Stanley Steamer Carpet Cleaners in Fort Wayne, Indiana.

Robert L. Blair, *James Madison*, has accepted the position of Vice President and Controller with The Cafritz Group, a real estate company in Washington, D.C.

Cathy E. Dutton, *James Madison*, has accepted a position as Meeting Assistant with the National Corporation Cash Management Association in Bethesda, Maryland.

John Carideo, *LaSalle*, has been promoted to Junior Account Manager with Cigna Insurance, Inc., in Philadelphia, Pennsylvania.

Mark H. Baxter, *Louisiana Tech*, has been promoted to Computer Specialist with the Naval Oceanographic Office in Bay St. Louis, Mississippi.

Aymeric A. Lecani-Fayet, *Loyola-Marymount*, has accepted a position as International Analyst with Edgar, Dunn and Company an International Management Consulting Firm in Universal City, California.

Maria Oliveira, *Loyola-Marymount*, has accepted a position as Bank Examiner with Federal Deposit Insurance Corporation.

Jose A. Santana, *Loyola-Marymount*, has accepted a position as Associate with Simpson and Company in Los Angeles, California.

Matthew R. Graczyk, *Loyola-Marymount*, has accepted a position as Associate with Simpson and Company in Los Angeles, California.

Mary Bolger, *Loyola-Marymount*, has accepted a position as Chief Executive Officer with Environmental Care Inc., in San Jose, California.

Bassam Yammine, *Loyola-Marymount*, holds the position of President and Chief Executive Officer with Exim Yammine.

Victor L. Devers, *New Mexico*, has retired from the U.S. Department of Energy after 33 years of government service. He was the Director of Advanced Planning for the Albuquerque operations. He was awarded the New Mexico Distinguished Public Service Award in 1986, and listed in Marquis Who's Who in Finance and Industry since 1979.

Denise S. Nathan, *Northeast Missouri State*, is employed with General Motors Acceptance Corporation acquisitions department in Springfield, Missouri.

Mila B. Lipsher, *North Texas*, has accepted a position as Project Coordinator for Showtime Networks Tele-Services in Irving, Texas.

Lisa Ann Gulig, *North Texas*, has accepted a position as Area Showroom Manager for Service Merchandise Inc., in Lewisville, Texas.

Dana C. Hill, *North Texas*, has accepted a position as Catalog Inventory Control Specialist for J. C. Penny in Dallas, Texas.

Martin L. Ellerbrock, *Ohio State*, has become a shareholder in the accounting firm of Pry CPA Services, Inc., in Findlay, Ohio.

Chirine M. Zahar, *San Francisco State*, has accepted a position with the advertising agency of McCann-Erickson in San Francisco, California.

John A. Lee, *San Francisco State*, has accepted a position as Marketing Information Systems Specialist with Benham Capital Management Group in Mountainview, California.

Charlemagne A. Velasquez, *San Francisco State*, has been promoted to Staff Accountant with KPMG Peat Marwick in San Francisco, California.

Nanette P. Taraya, *San Francisco State*, has been promoted to Account Executive with KOFY-TV20 in San Francisco, California.

Dianne K. Hayashi, *San Francisco State*, has accepted a position as Assistant Media Planner with J. Walter Thompson in San Francisco, California.

Taking Note

HULTZ NAMED EDUCATIONAL DIRECTOR

Randy L. Hultz, *Northeast Missouri State*, has been named Director of Continuing Professional Educational (CPE) for the regional CPA firm of Baird, Kurtz & Dobson, headquartered in Springfield, Missouri. Hultz is a member of the American Institute of CPAs and Missouri Society of CPAs, vice president of the Greater Ozarks Chapter of the National Association of Accountants and a board member of the Southwest Missouri Chapter of March of Dimes.

He serves Delta Sigma Pi as the Mid-American Provincial Vice President, Chairman of the Steering Committee, Division C-Financial Planning and Resources, and is Chairman of the Budget Committee and the Audit Committee.

Bryon V. Johnson, *Savannah State*, has been named a Senior Auditor-Corporate Audit of Shearson Lehman Brothers.

Belford E. Carver, *Southeastern Louisiana*, has retired from the Department of Management, Southeastern Louisiana University with over 25 years of service.

Bernardette B. Mendez, *Southern California*, has accepted a new position as Loan Officer with Great Western Financial Services in Canoga Park, California.

Jerry L. Hampton, *Southern Illinois*, has been promoted to Associate Manager-Access Management, Carrier Service with Ameritech Services, Inc., a central resource for the five telecommunication companies that form Ameritech; Illinois Bell, Indiana Bell, Michigan Bell, Ohio Bell, and Wisconsin Bell.

Wesley C. Dunlap, *Temple*, has accepted a position as Officer Manager with Cambridge Lee Industries-Industrial Metals Division in Chicago, Illinois.

Joe D. Jordan, *Texas Christian*, is Manager for West Texas Vending and Food Service Sales in Dallas, Texas.

Mark E. Gaertig, *Wisconsin-Madison*, has been promoted to Store Manager at Sherwin Williams, Beloit, Wisconsin.

John T. Clifton, *Wisconsin-Whitewater*, has accepted a new position as a Territory Representative at Pel-Freez Clinical Systems in Brown Deer, Wisconsin.

Richard P. Cops, *Wisconsin-Whitewater*, is a Purchasing Buyer at Boston Store, Milwaukee, Wisconsin.

Michael S. Davis, *Wisconsin-Whitewater*, has accepted a position as a Account Manager at Schofield-Wholesale Specialities, Inc., in Madison, Wisconsin.

James L. Derivan, *Wisconsin-Whitewater*, has accepted a position in the Financial Department at Wisconsin Power & Light.

John E. Duffy, *Wisconsin-Whitewater*, is a Sales Representative for Nabisco Brands, Inc., in Madison, Wisconsin.

Educational Master Plan

In August, 1989, your Executive Committee and your Board of Directors approved a document called the Educational Master Plan. Prior to its adoption, the educational programming area of the fraternity had used a "band-aid" approach to patching problems that arose.

The purpose of this program is to coordinate and plan educational events for more than just a two year period. This summary will serve to explain the document and its implications to our educational programming area.

The Master Plan includes the following basic educational programs for our members:

Program	<i>Officer Training Schools (OTiS)</i>	<i>Regional Conferences</i>	<i>The Leadership School</i>	<i>Grand Chapter Congress</i>	<i>Area Conferences</i>
Purpose	Provide operational training for chapter officers	Provide basic education and motivation for the general membership	Provide leadership training to the best managers of the fraternity	Chief legislative meeting for Delta Sigma Pi	Concentrated, topic specific meetings for a portion of a Region
Focus	Chapter Management	Operational/ motivational	Leadership Dynamics	Legislative	Topic Specific
Sub-Focus	Chapter Operations; Team Building; Motivation; Officer Interaction	Basic education; Issues awareness; Brotherhood	Realization; Experience; Direction; Action	Issue Awareness; Information Dissemination and feedback; Legislative Discussion	
Frequency	Annual (one day event)	Biennially weekend format	Biennially	Biennially	Regional Director's discretion
Timing	Seven locations in even years and three locations in odd years with a national OTiS at Grand Chapter Congress	Regional basis in Fall of even numbered years	Late Summer of even numbered years. One national school	August of odd years	Based on regional need
Point of Control	Central Office	Regional Director	Central Office	Central Office	Regional Director or designee
Course work	Staff developed operational program and a workbook	Standardized half day program with afternoon program developed by the Regional Director	By invitation only program, limited attendance	Issues of the day in open discussion format	Dependent upon specific local needs

The hope is that this chart will help you better understand the educational programming of Delta Sigma Pi. There is also hope that you will review the Educational Master Plan from time to time to assist in creating an understanding and to better attain its goals.

The Master Plan is a living document where changes can be made after due consideration. Changes, though, must be duly considered so that they are focused on making improvements, not in dealing with temporary trends and problems. The current review will be held soon. If you have any comments or questions, please contact the Divisional Chairman, Samuel F. Shaheen, at 216-454-3935. Your input and opinion would be of great value.

Scholarships

The Delta Sigma Pi Educational Foundation, through your generous support of the 1990-91 Annual Campaign of the Delta Sigma Pi Leadership Fund, announces that applications for the following scholarships are now being accepted:

Undergraduate Study Grants for Deltasigs

One-time grants of \$500.00 for undergraduate study in the field of business are available to undergraduate Deltasigs in their freshman, sophomore, junior or senior year. An applicant must be an undergraduate Brother of the fraternity in good standing with at least one semester or quarter of college remaining. Grants are based on fraternity service, scholarship and demonstrated financial need.

Graduate Study Grants for Deltasigs

One-time grants of \$1,500 for graduate study are available to Deltasigs who have completed at least 75% of the undergraduate requirements for graduation. An applicant must be an undergraduate Brother of the fraternity who has been a member for at least one year, or an alumni Brother in good standing. Applications are sent to all collegiate and alumni chapters, and Deans of Schools of Business.
