Summer 1992

Fraternal GROWTH

Commentary

William R. Kinsella

We all know the importance of our faculty and alumni advisors to our collegiate chapters. They serve as sounding boards, mentors and good friends. They are there for the chapter through thick and thin and can always be counted on. Their interest and enthusiasm can directly affect our own interest and enthusiasm. Let's face it, individually, and as an organization, it would be difficult to get along without them. We've written about our advisors before in this column, and we discuss them many times in officer training sessions and Chapter Consultant visits. Sometimes, we forget about them and may take them for granted, but we must always be on guard to remember and thank them for their efforts on our behalf.

But I wonder if there isn't another group that we may also take for granted. This group can have an even more direct impact on our own participation. I'm talking about our parents and spouses. In many cases the attitude and understanding of your parents and spouse toward the Fraternity can directly affect your Fraternity involvement, and every your initial decision to pledge. How many sons have had to explain to their mother why your chapter won't be like Animal House? Or daughters explaining to their fathers about joining a co-ed what?! Have you encountered the cold silence from your spouse that may greet your announcement that you'll be attending another Fraternity event this weekend or evening? Or deal with the question "Did you marry me or the Fraternity?"

I suspect that we all have encountered concern, resistance or even hostility about our fraternal commitment. Because these people are the most important in our lives, it is important that we deal with their questions and frustrations about the time we devote to the Fraternity. How can we deal with these issues so that everyone is happy?

We must always strive for balance between the time we spend with the Fraternity and our family. Beyond that, involve your family with the Fraternity as much as possible. Invite them to Fraternity functions. Bring them to the initiation banquet or summer outing. Introduce them to other Deltasigs and their parent or spouses so they can feel a connection to the group. Let them experience our Fraternity as much as possible.

It may not be easy; it may not always be successful; but it will go a long way in helping them understand and appreciate why the Fraternity is important to you.

Faternally,

A handwritten signature in cursive script that reads "William R. Kinsella". The ink is dark and the signature is fluid and legible.

The 1991-92 academic year was one of growth for Delta Sigma Pi. Following the installation of Mu Rho Chapter at Colorado State University in December, 1991, the reactivation of Zeta Phi Chapter at Florida Atlantic University in January, 1992 (highlighted in the Spring 1992 issue), and the installation of Mu Sigma Chapter at Barry University in March, 1992, the fraternity continued its growth with the installation of three additional chapters, and the reactivation of one. Mu Tau Chapter became the sixth collegiate chapter of Delta Sigma Pi to be installed in Virginia with its installation at George Mason University. The 35th chapter of Delta Sigma Pi returned with the reactivation of Alpha Chi Chapter at Washington University in Saint Louis, Missouri, and Delta Sigma Pi saw the installation of Mu Upsilon Chapter at Baker University and the 231st collegiate chapter, Mu Phi Chapter at Saginaw Valley State University in May, 1992. These six collegiate chapters continue the growth Delta Sigma Pi has been experiencing in recent years. The hard work of the members of the colonies which were installed as our fraternity's newest chapters is a tribute to themselves and to Delta Sigma Pi. We welcome all of the members of these chapters into our Brotherhood and present their success stories to you.

Mu Rho Chapter — Colorado State University
Mu Sigma Chapter — Barry University
Mu Tau Chapter — George Mason University
Alpha Chi Chapter — Washington University
Mu Upsilon Chapter — Baker University
Mu Phi Chapter — Saginaw Valley State University

Fraternal
GROWTH

Colorado State University Home of Mu Rho Chapter

The fraternity's 227 collegiate chapter and the state of Colorado's fourth came into existence on December 7, 1991, as Mu Rho Chapter was installed at Colorado State University. Forty-four collegians and two faculty members were initiated as the charter members of this chapter.

In late January, 1991, members of Alpha Rho Chapter at the University of Colorado at Boulder distributed recruiting materials and informed business students at Colorado State University about Delta Sigma Pi. Interested students attended a general information meeting, and in February, 1991, a letter was received at The Central Office from students stating their intent to establish a colony of Delta Sigma Pi at Colorado State University. Then Director of Chapter Services C. Dean Ferguson visited the Alpha Sigma Colony on April 17, 1991, and met individually with each officer. He also met with Dean Richard Pregnetter and Colony Advisor Gene Lewis. The formal pledging ceremony for Alpha Sigma Colony was held later that evening. At that time there were 21 members of the colony. In the beginning of the fall 1991 semester, the colony recruited and had pledged an additional 29 members, bringing their present membership to 50.

In August, 1991, two members of the colony attended the Grand Chapter Congress and Office Training School in Washington, D.C. On the morning of December 7, 1992, a large group of Deltasigs gathered at Colorado State University for the installation of Mu Rho Chapter. Grand President William R. Kinsella, Western Provincial Vice President Paul J. P. Garcia, Intermountain Regional Director Joseph L. Goldblatt, Chapter Consultant R. Scott Kortendick, District Director Richard C. Blevins, District Director James F. Pendergrass, and members of the Denver Alumni Chapter, Alpha Rho Chapter at the University of Colorado and Zeta Kappa Chapter at Western State College comprised the installation team.

The business department at Colorado State University started operating in the fall of 1943. Currently, over 1,300 students are enrolled in the College of Business. The degrees offered through the college are a Bachelors of Science Administration, Masters of Science, and the Masters of Business Administration. Majors include accounting and taxation, management, marketing, finance, and computer information systems. Colorado State University originated

in 1870. On September 1, 1879, the first graduate students attended the college. Since 1870, more than 100,000 degrees had been bestowed by Colorado State University. Presently, some 20,800 on campus students attend eight separate colleges plus the graduate school.

Eleventh Florida Chapter Installed at Barry University

Barry University in Miami Shores, Florida, is the home of Mu Sigma Chapter of Delta Sigma Pi, the fraternity's 228 collegiate chapter. During the installation on March 7, 1992, 26 collegians and four faculty members joined the ranks of our Brotherhood.

As is frequently the case, a student at Barry University initially contacted The Central Office of Delta Sigma Pi for information about starting a chapter. These interested students contacted several fraternities to learn more about their organizations and after a visit from Golden Council Member Charles A. Hazday, decided that they wanted to become a part of Delta Sigma Pi. In January, 1991, permission was received from Barry University to establish a chapter of Delta Sigma Pi on campus, and recruiting events were conducted throughout both January and February. In February of 1991, the name of Beta Upsilon Colony was chosen and officers were elected.

In March of 1991, then Director of Chapter Services C. Dean Ferguson visited the colony. At this visit, a calendar of activities was developed and ideas to enhance the colony's fall recruiting were discussed. Dean Ferguson also had meetings with Dr. Lloyd D. Elgart, Dean of the Andreas School of Business, and Chapter Advisor Elliott Ser.

Two members of the colony attended the Grand Chapter Congress and Officer Training School in Washington, D.C., and the colony maintained a full schedule of activities in the fall of 1991. During the fall and spring semesters, the members of Beta Upsilon Colony fulfilled the requirements for a chapter charter.

Deltasigs from throughout the Southern Province, and nationwide, gathered in Miami Shores, Florida, on March 7, 1992, for the installation of Mu Sigma Chapter at Barry University. Grand President William R. Kinsella served as Headmaster for the Ritual team. Other members of the installation team included Executive Director Michael J. Mazur, Jr., Southern Provincial Vice President Richard B. Featherston, South Atlantic Regional Director Ronald W. Richards, Regional Director Jeffrey S. Fizer, Regional Director Donna M. Smith, Regional Director Robert F. Yoakum, Jr., District Directors Heather A. Bailey, Darrel T. Logullo, James A. Saccullo, and B. Todd Whisenant, and Delta Sigma Pi Leadership Fund Trustee Charles A. Hazday. In addition, members of the South Florida Alumni Chapter, Beta Omega Chapter at the University of Miami, Gamma Lambda Chapter at Florida State University, Epsilon Rho Chapter at the University of Tampa, Zeta Phi Chapter at Florida Atlantic University and Kappa Pi Chapter at the University of North Florida were in attendance.

The Andreas School of Business offers majors in Accounting, Economics/Finance, Hospitality Management, Management Information Systems, and Marketing. In 1989, 242 bachelor degrees were awarded in Business. Barry University is an independent co-educational catholic institution of higher education.

The newly initiated brothers of Mu Sigma Chapter at Barry University.

Brothers from the newly installed Mu Tau Chapter gather after their initiation into Delta Sigma Pi.

Founded in 1940, the university is sponsored by the Dominican Sisters of Adrian, Michigan, with a dedication to offer a quality education, assure a religious dimension and provide community service and presence in a more caring environment. Barry University is the largest as well as the oldest catholic university in the state of Florida.

Mu Tau Chapter Installed

On Saturday, April 11, 1992, the fraternity's 229th chapter was installed as Mu Tau Chapter at George Mason University at Fairfax, Virginia. Mu Tau Chapter is the sixth chapter established in the state of Virginia, and is a part of the Northern Province. Initial interest in establishing a chapter at George Mason University was generated after then Director of Chapter Services C. Dean Ferguson, and members of Iota Kappa Chapter at James Madison University, visited the campus in August, 1991. After several informational meetings, a letter of intent from 27 interested students was sent to The Central Office in October.

Business meetings were held throughout the fall semester, and a full schedule of professional, social, fundraising and community service activities were held. C. Dean Ferguson visited the colony again in January, 1992, and a pledging ceremony was scheduled for mid-February.

On the morning of April 11, 1992, a large group of Deltasigs gathered at George Mason University for the installation of Mu Tau Chapter. Grand President William R. Kinsella, Executive Director Michael J. Mazur, Jr., Northern Provincial Vice President Frederick C. Lipsey, Southern Provincial Vice President Richard B. Featherston, Mideastern Regional

Director Michael J. Spadaro, District Director Tamara E. Winfrey, and members of Mu Chapter at Georgetown University, Iota Kappa Chapter at James Madison University, and Iota Rho Chapter at Howard University comprised the installation team.

George Mason University originally opened in 1957, with an enrollment of seventeen students. Today, over 20,000 students attend the university, majoring in nearly 100 degree programs. The School of Business Administration offers a Bachelor of Science Degree in Accounting, Decision Sciences, Finance, General Business Administration, Management, and Marketing. George Mason University has established the highest undergraduate admission requirements of any business school in the state of Virginia, and current enrollment in the business school totals over 3,000 students.

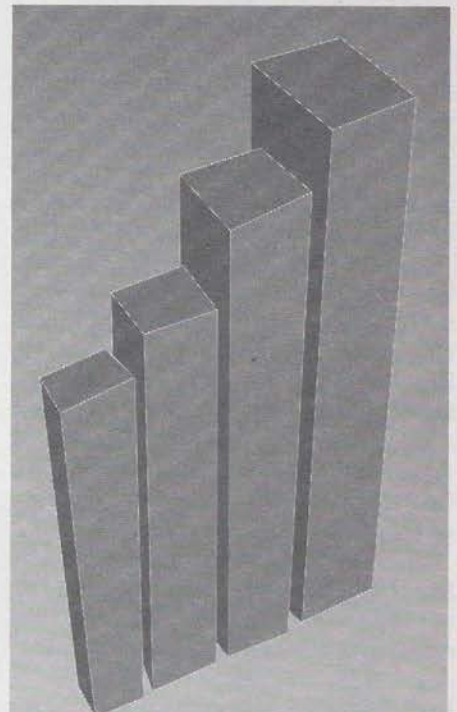

Delta Sigma Pi Returns to Washington University

Since Alpha Chi Chapter became inactive during the 1953-54 academic year, many Deltasigs have harbored a desire to again have our professional fraternity represented at Washington University. On April 25, 1992, that desire became reality as 32 new collegiate members were initiated and the charter of Alpha Chi Chapter was reactivated on the campus of Washington University in Saint Louis, Missouri.

During the spring of 1991 a student at Washington University contacted The Central Office to gather information about Delta Sigma Pi. This individual learned of the fraternity from his sister, an initiate of Gamma Chapter at Boston University.

An invitation was issued to two professional business fraternities to visit Washington University and make presentations about their organizations. Midwestern Regional Director Karen Winter attended this event along with other Deltasigs from the Saint Louis area. The students and faculty at Washington University selected Delta Sigma Pi and recruiting efforts began almost immediately. Permission to reactivate the chapter was given to the fraternity in August of 1991. The colony had already submitted a letter of intent in May of 1991 and had selected the colony name of Sigma Lambda Mu. An organizational meeting was held in the fall of 1991, and officers of the colony were elected. Additional recruiting efforts were made during the fall, and frequent assistance was provided to the colony. Then Director of Chapter Services C. Dean Ferguson visited the colony in October, 1991. Professional events, community service activities, fund raising events, and social events were conducted throughout the fall semester.

On April 25, 1992, many Deltasigs gathered for the reactivation of Alpha Chi Chapter. Among them were members of the reactivation team: Grand President William R. Kinsella, Mid-American Provincial Vice President Randy L. Hultz,

"These six collegiate chapters continue the growth Delta Sigma Pi has been experiencing in recent years."

Midwestern Regional Director John M. Callahan, Gulf South Regional Director Jeb L. Bertolasi, Then Director of Chapter Services C. Dean Ferguson, and District Directors Marlow B. Kee and Karen A. Winter. In addition, these Brothers were joined by Alpha Beta Chapter at the University of Missouri-Columbia, Eta Nu Chapter at the University of Missouri-Saint Louis, Lambda Omega Chapter at Quincy College and the Saint Louis Alumni Chapter.

The 32 new members of Alpha Chi Chapter will now work to restore Delta Sigma Pi to a position of prominence at Washington University.

Mu Upsilon Installed at Baker University

On Saturday, May 2, 1992, the fraternity's 230th chapter was installed as Mu Upsilon Chapter at Baker University at Baldwin, Kansas. On that date, collegiate and alumni Brothers from chapters in the Mid-American Province joined Grand President William R. Kinsella, Executive Director Michael J. Mazur, Jr., Mid-American Provincial Vice President Randy L. Hultz, Midwestern Regional Director John M. Callahan, and District Director Bradley J. Wirths to assist with the installation of the chapter. Joining them were members of Iota Chapter at the University of Kansas, Alpha Beta Chapter at University of Missouri-Columbia, Iota Omicron Chapter at Central Missouri State University, and Kansas City Alumni Chapter.

In February, 1991, Dr. Stuart Dorsey, a 1971 initiate of Alpha Eta Chapter and the Chairman of the Department of Economics, introduced the idea of a business organization on the Baker University campus. After several discussions, an informal meeting was arranged for interested members. Dr. Dorsey contacted The Central Office of Delta Sigma Pi to obtain information on the possibility of starting a chapter at Baker University. In early April, 1991, members of the Iota Chapter at the University of Kansas shared their experiences as Delta Sigma Pi members. It was at this time that Delta Sigma Pi became the fraternity of choice for the interested student at Baker University. In late April, an executive committee was elected and Dr. Stuart Dorsey was appointed Chapter Advisor. The name of Beta Upsilon Colony was chosen and two members of the colony attended Grand Chapter Congress and Officer Training School in Washington, D.C. The new colony completed a full schedule of activities during

Grand President William R. Kinsella Presents Kathy L. Carlstrom with the Mu Tau Chapter Charter.

the fall of 1991 and spring of 1992, and by the end of March, 1992, all requirements had been fulfilled and a petition to grant a charter to Beta Upsilon Colony was approved by our Board of Directors.

The Department of Business and Economics at Baker University enrolls approximately 40% of all students on campus. The Department of Business and Economics consists of Accounting, Business Law, Economics, Finance, Management, Fashion Merchandising, and International Business. Founded three years before Kansas became a state, Baker University is a private, coeducational liberal arts institution operated by the United Methodist Church. It is the oldest four year university in Kansas. Total enrollment at the university approaches 900 full time students.

231st and Newest Chapter Installed at Saginaw Valley State University

On Saturday, May 30, 1992, the fraternity's 231st and newest collegiate chapter was installed as Mu Phi Chapter at Saginaw Valley State University. Mu Phi Chapter is the ninth chapter established in the state of Michigan, and is a part of the Huron Region in the Northern Province. In the fall of 1987, Regional Director Frederick C. Lipsey (now Northern Provincial Vice President), contacted then Director of Chapter Services C. Dean Ferguson at The Central Office to inform him of a group of

students at Saginaw Valley State University who were interested in forming a chapter of Delta Sigma Pi.

A letter of approval to start a chapter of Delta Sigma Pi on campus was received from Dean James L. Mitchell in November of 1987. After an informational meeting was held by then Regional Director Frederick C. Lipsey, the students sent a letter of intent to establish a chapter to The Central Office. C. Dean Ferguson visited the colony in March, 1988, and attended a colony and executive committee meeting. The colony originally consisted of 31 members.

Additional recruiting took place in the fall of 1988, and professional, community service, fund raising, and social activities were sponsored by the chapter. Then Chapter Consultant Steven R. Whalen visited the colony in early 1989, to assist with their recruiting efforts, and offered ideas and suggestions for professional events. With intensive recruiting efforts spearheaded by C. Dean Ferguson and The Central Office, the colony quickly gained 37 new collegiate members from the over 60 students who attended a special recruiting function.

The colony then continued its efforts to fulfill their chapter charter requirements, and in March of 1992, their petition for a chapter charter was approved by our Board of Directors. On the morning of May 30, 1992, a large group of Deltasigs gathered in Saginaw, Michigan for the installation of Mu Phi Chapter. Grand President William R. Kinsella served as Headmaster, and was joined by Northern Provincial Vice President Frederick C. Lipsey, Huron Regional Director Jeffery S. Fizer, Director of Administrative Services Robby L. Hultz, and District Director Huong-Hoa Tran. The installation team was joined by the members of Xi Chapter at the University of Michigan, Gamma Theta Chapter at Wayne State University and Delta Rho Chapter at Ferris State University. On this day 29 collegians joined the ranks of our Brotherhood.

Saginaw Valley State University was originally founded in 1963 as a private college. In 1965, the college became a state supported university and the newest of Michigan's fifteen state institutions of higher learning. The university serves more than 6,400 students, and offers over 80 majors to students at both the undergraduate and graduate level. Degree programs at the College of Business and Management are offered in Economics, Finance, Management, Industrial Management, Marketing, and General Business.

1992 Sidney A. Sparks Collegian of the Year

Anne Christine Rackers, a graduate of Central Missouri State University and an alumnus of Iota Omicron Chapter has been chosen the 1992 Sidney A. Sparks Collegian of the Year. With a double major in Accounting and Criminal Justice, Anne maintained a 3.7 cumulative Grade Point Average during her four years at Central Missouri State University and was honored on the Dean's List seven straight semesters. Anne was initiated in the Iota Omicron Chapter on April 21, 1990 and while a collegiate member she served as President and Treasurer. She was elected as the delegate to the 38th Grand Chapter Congress in Washington D.C. and was chosen Delta Sigma Pi Homecoming Queen Candidate for 1991. Anne has also served as Chairperson for the Pledge Service Committee and is a member of the Alumni Committee, Awards Committee, Revenue Committee and Service Committee.

In addition to working with Iota Omicron Chapter, Anne has served as President of the Law Students Association and Secretary/Treasurer for Mace and Torch Honor Society at Central Missouri State University. Through her scholastic achievements, Anne has received several scholarships such as the Financial Executives Institute Scholarship and the Regents Scholarship. During her college years, Anne was employed as Office Assistant for Residential Life at Central Missouri State University, Casual Clerk for the United States Postal Service, Resident Assistant for Residential Life at Central Missouri State University, Research Assistant in the Accounting Department at CMSU and Supply Clerk for Base Supply at Whiteman, AFB.

Anne enjoys running, weightlifting, crosstitching and her favorite thing to do is spending time with family and friends.

As Collegian of the Year, Ann is now eligible to receive the Mr. and Mrs. Sidney A. Sparks Scholarship for her graduate studies.

Anne C. Rackers

As Collegian of the Year, Ann begins a two-year term of service on the Board of Directors in the Executive Committee of Delta Sigma Pi. In every way, Anne Rackers exemplifies those qualities for which the Collegian of the Year program was established.

Each chapter in the fraternity has the opportunity to nominate a member for this award. From all regional nominees, a regional finalist is selected by a screening committee within the region and, from these finalist, a national winner is chosen by the Executive Committee of Delta Sigma Pi. Established in 1971, this award recognizes the most outstanding collegiate member of the fraternity as evi-

denced by scholarship, extracurricular activities, fraternity services, demonstration of responsibility to self and others, and representation of conduct according to the highest standards of business ethics and integrities.

The following Regional Collegians of the Year have received a \$250.00 scholarship through a grant from the Delta Sigma Pi Leadership Fund. Contributions made to the Annual Campaign of the Leadership Fund from alumni and friends have made this program possible. Nineteen scholarships were awarded this year on the basis of fraternal involvement, campus and community service, and demonstrated scholastic achievement.

Gulf South Region

Kappa Nu Chapter
Longwood College
South Central Region

Delta Sigma Chapter
Loyola Marymount Univ.
South Pacific Region

Outstanding Alumni Chapter Award — National Winner

Atlanta Alumni Chapter
Southeastern Region

The Atlanta Alumni Chapter volunteers time with the Georgia Special Olympics.

**Outstanding Service
Award
National Winner**

Iota Pi Chapter
San Diego State University
South Pacific Region

Regional Winner

Kappa Xi Chapter
University of Southwestern Louisiana
Gulf South Region

**Professional Activities
Award
National Winner**

Iota Nu Chapter
Northeast Missouri State
Midwestern Region

Regional Winners

Kappa Xi Chapter
University of Southwestern Louisiana
Gulf South Region

Phi Chapter
University of Southern California
South Pacific Region

**Most Improved Chapter
National Winner**

Delta Xi Chapter
East Tennessee State University
South Central Region

Regional Winners

Delta Rho Chapter
Ferris State University
Huron Region

Theta Lambda Chapter
Xavier University
Central Region

Delta Nu Chapter
Loyola University
Gulf South Region

Delta Xi Chapter
East Tennessee State University
South Central Region

Zeta Iota Chapter
Mississippi College
Southern Region

Epsilon Chapter
University of Iowa
North Central Region

Theta Omega Chapter
St. Ambrose University
Gulf Western Region

Iota Pi Chapter
San Diego State University
South Pacific Region

**Chapter Advisor of the Year Award
National Winners**

Kristine N. Palmer
Kappa Nu Chapter
Longwood College
South Central Region

Brother Alfred Moroni, F.S.C.
Epsilon Psi Chapter
Christian Brothers
Southern Region

Iota Nu Chapter on a professional tour at Crown Center in Kansas City, Missouri.

**Outstanding
Scrapbook Award
National Winner**

Kappa Mu Chapter
California Polytechnic State University
San Louis Obispo
South Pacific Region

Regional Winners

Epsilon Tau Chapter
University of Dayton
East Central Region

Beta Zeta Chapter
Louisiana State University
Gulf South Region

Zeta Theta Chapter
Western Kentucky University
Southern Region

Alpha Delta Chapter
University of Nebraska
North Central Region

**District Director of the Year Award
National Winner**

Jeffery S. Fizer
Huron Region

Regional Winners

Connie Fisher
Gulf South Region

Julia Gibson
South Central Region

Robert Yoakum
Southern Region

Steve Berg
North Central Region

Brothers from Kappa Mu gather at one of their chapter events.

Questions & Answers:

Your guide to understanding the Leadership Fund

What is the Delta Sigma Pi Leadership Fund?

The Leadership Fund is a tax-exempt, public, charitable and educational corporation with an Internal Revenue Code Section 501(c)(3) standing.

What does the Leadership Fund do?

The Mission Statement of the Leadership Fund provides a great deal of insight as to the purpose of this organization:

"The Delta Sigma Pi Leadership Fund exists to provide for the furtherance of business education through the extension of financial assistance and the support of worthy educational, scientific and charitable programs."

Where is it located?

The Leadership Fund shares office space with the International Fraternity of Delta Sigma Pi at The Central Office in Oxford, Ohio. Its full mailing address and phone is:

Delta Sigma Pi Leadership Fund
330 South Campus Avenue
Post Office Box 230
Oxford, Ohio 45056-0230
(513) 523-5252

Who runs the Leadership Fund?

The Leadership Fund is run through the volunteer efforts of Brothers in Delta Sigma Pi who comprise the Board of Trustees for the corporation. They, giving freely of their time and knowledge, guide the Fund and its programs. Additionally, the Fund is served by Michael J. Mazur, Jr., who is Executive Director, and Daniel S. Doyle, who serves as the Director of Alumni Development and administers to its daily operation.

Why raise money through the Leadership Fund?

The Fund asks for contributions in order to make resources available primarily for scholarships, grants, and educational/leadership programming in the Fraternity. Gifts to the Leadership Fund are tax-deductible. Gifts made to the Fraternity are not. We have found that Brothers respond favorably to this tax advantage.

What types of programs will my contribution support?

Through your generous support, the Leadership Fund provides needed resources to those areas of greatest importance to our Fraternity. Currently, arrangements have been made for the Leadership Fund to support:

- 1) Scholarships to Brothers in Delta Sigma Pi
- 2) Grand Chapter Congress educational programming
- 3) The Delta Sigma Pi Officer Training Schools
- 4) Seminars on Personal and professional development
- 5) Delta Sigma Pi Scholarship Key and Biennial Survey

As you can see, the Leadership Fund and the success of its Annual Campaign is of great importance to our Brotherhood.

How can I support the Leadership Fund?

Every year, the Leadership Fund conducts an extensive Annual Campaign inviting Brothers across the nation, and indeed, across the world, to support its programs. The Annual Campaign mailings are sent out through the Development Office of the Leadership Fund, and arrive at your home each fall and spring. Yearly contributions to the Leadership Fund are the best manner in which you can support your Fraternity.

Your check, made to the Delta Sigma Pi Leadership Fund, can be returned in the envelope provided to you with your Annual Campaign materials.

Are my contributions to the Leadership Fund tax-deductible?

YES! Contributions to the Leadership Fund are fully tax-deductible for federal income tax purposes as a charitable contribution.

Will my contributions qualify me for recognition in a Giving Level?

Your annual support of the Leadership Fund will qualify you for recognition in the Giving Level program. Annually, the Leadership Fund will recognize your support in The DELTASIG Magazine.

Your Giving Level membership will be determined by your life-to-date contributions in support of Delta Sigma Pi. The Delta Sigma Pi Leadership Fund is proud to honor those Brothers who have reached certain cumulative Giving Levels. The Leadership Fund recognizes Brothers at the following levels:

Life Member level	\$100.00
1907 Society	250.00
Crown & Delta Society	500.00
Trustee Associate	1,000.00
Chairman's Forum	2,500.00
Founders' Circle	5,000.00

Does the Leadership Fund accept Memorial Contributions?

YES! The Leadership Fund is pleased to be able to accept contributions made in memory of a Brother. Those who make a memorial contribution will receive a special donor recognition listing in The DELTASIG Magazine, and their Giving Level membership will be fully credited.

Additionally, the Leadership Fund will

notify the family of the Brother that a memorial contribution has been received. Memorial contributions provide you with an excellent means of recognizing a Brother's dedication and commitment, while at the same time supporting your Fraternity.

Do you accept corporate matching gifts?

YES! If you work for a company which participates in a matching gift program, your Annual Campaign contribution may be doubled or even tripled by your employer. The staff of the Leadership Fund will be more than happy to assist you in providing your employer with the information they need to match your gift.

Generally, in order to have your gift matched by your employer, you must first obtain a matching gift form, and then send it in with your contribution to the Leadership Fund. One special advantage to corporate matching gifts is that your Giving Level membership will be credited by your original contribution amount and also by your employer's matching gift.

What other gift opportunities are available to me?

Above and beyond Annual Campaign contributions, the Leadership Fund also makes available to donors various other giving opportunities:

- 1) Bequests—through your will, you can provide for direct distributions to the Leadership Fund.
- 2) Life Insurance—by naming the Leadership Fund as the owner and beneficiary of a life insurance policy, you can receive a tax deduction for your premium payments.
- 3) Securities—gift of securities are in many cases accepted by the Leadership Fund, and provide you with another avenue for support.
- 4) Gifts in Kind—the Leadership Fund also accepts many donations of real estate and rare possessions.

We suggest that if you are interested in any of the above options, consult your attorney and tax advisor and call or write:

Living LEGACY

The Delta Sigma Pi Leadership Fund was established to support the educational and scholarship programs of our Fraternity and Foundation. While the day-to-day operations of the fraternity are, and should be, totally financed through current income from members, the educational and scholastic objectives of Delta Sigma Pi need significant funds if future generations are to have opportunities uniquely experienced within our Fraternity.

Our members have available to them excellent classroom learning opportunities, as provided by their school or university. However, the traditional classroom does not focus on professional development, practical leadership experiences and the positive civic and commercial values shared within a chapter of Delta Sigma Pi.

The Board of Trustees of the Delta Sigma Pi Leadership Fund have carefully considered those things that we must do if our Fraternity is to continue its tradition of excellence and achievement within the business community. In this regard, the Board of Trustees of the Delta Sigma Pi Leadership Fund proudly introduce *Living Legacy*, a planned giving program for our Brotherhood, and welcome those who are interested in investing in the future of Delta Sigma Pi — a future of strengthened Brotherhood and fraternalism.

Living Legacy status is afforded to those loyal Deltasigs who have provided for the Leadership Fund through a planned gift. Presently, *Living Legacy* status is bestowed upon a Brother who provides documentation to the Leadership Fund on the establishment of one of the following planned giving vehicles in an amount of \$5,000 or more:

- Bequest by Will
- Beneficial interest in a life insurance policy
- Charitable Trust with a third party administration
- Gifts of residence or property

Brothers who are interested in investing in the future of Delta Sigma Pi may use the Leadership Fund's "Prospectus on Giving" to obtain information on various planned giving vehicles. Copies of this book are available by either calling or writing the offices of the Leadership Fund. For more information contact the Leadership Fund offices.

A special note regarding the Honor Roll listing — Every effort has been made to ensure the accuracy of this listing. If there is an error or omission in a listing, please notify the Leadership Fund. Listings are based on cumulative life-time giving to Delta Sigma Pi. Donors in the Life Member level and below are listed on the basis of gifts received during the 7-1-91 to 6-30-92 campaign year. All other levels are listed without regard to giving during the Annual Campaign year.

A Valuable Opportunity.

Apply for the Delta Sigma Pi Gold MasterCard® card today to discover the convenience of a credit card that is accepted at over 8 million locations worldwide.

As you use your Gold MasterCard with a credit line of up to \$25,000, a percentage of the cost of your purchase will be contributed by MBNA America® to Delta Sigma Pi.

With the Delta Sigma Pi Gold MasterCard you assist your organization while you take advantage of a card that features a competitive Annual Percentage Rate of 17.9% and a low annual fee of \$40 (waived the first year).

Your Chapter Speaks

MID-AMERICAN PROVINCE

SOUTHWESTERN REGION

OKLAHOMA, BETA EPSILON—This past year had many special highlights with out community events. In October, we got together with local businessmen for the annual Haunted Barn. We helped construct the project and even participated in scaring people of all ages for Halloween; the money raised was donated to local charities. In April, we got together with Big Brothers/Big Sisters of Norman for our annual Easter party. We played games with some local children and celebrated the Easter spirit.

We look forward to carrying on traditional activities as well as enhancing our own program.

—Diana Gayle Dominy

BAYLOR, BETA IOTA—The Brothers of the Beta Iota Chapter enjoyed an eventful and exciting semester. Our annual all university "Go West" dance was a great fundraiser and proved to be an exceptional way to spread our name on campus. In February we joined Brothers from around the region to attend the Delta Sigma Pi area conference in Dallas, Texas. At the conference, the Beta Iota Chapter hosted a recruiting seminar. We met Brothers from around the state and brought back many new and creative ideas for our chapter. Recruiting and professional activities were very successful this semester. In April, we initiated 19 new Brothers into the chapter. They are a great group of Brothers who will carry on the excellence and traditions of Delta Sigma Pi. As the Beta Iota Chapter sets its sights on next semester, we would like to wish good luck to all the graduating Brothers.

—Yvette Herring

OKLAHOMA STATE, GAMMA EPSILON—Gamma Epsilon Chapter had quite a year. The year began with a remarkable recruiting effort by the whole chapter. Twenty-five pledges and three faculty members were initiated on December 7, 1991.

As a pledge class, they fulfilled all of their obligations with notable success in their community service activity. In conjunction with the O.S.U. Athletic Department, our pledges handed-out "Rowdy Rags" in exchange for canned food for the homeless.

The chapter had many different speakers ranging from American Airlines to a motivational speaker from Dale Carnegie. Our community service projects provided the Red Cross with blood for many accident victims; another project provided food for the Mission of Hope. The highlight of the semester was the "Second Annual Big/Little Hayride."

—Denise L. Fansler

TEXAS CHRISTIAN, DELTA UPSILON—Delta Upsilon Chapter has just wrapped up an extraordinary semester. In April, we were able to

host the area conference for Oklahoma and Texas. We also had an outstanding Business Week. Activities included a tour of the Miller Brewery Plant, a Recruiter's Reception, A GMAT/Grad school seminar, and Mike Berry, who spoke on advancements in the Dallas/Fort Worth area and the upcoming Alliance Airport. During the semester we participated in several community service projects including aiding Texas Special Olympics, the Senior Citizens Service through their "Paint the Town" program, and the American Red Cross.

We have recently started a program to strengthening ties with both the faculty at TCU and alumni from the Delta Upsilon Chapter. We would like to encourage any Deltasig alumni to visit us in the fall.

We would like to welcome our 20 new initiates and our three faculty initiates. Thank you to all members, past and present, for making Spring 1992 an exceptional semester.

—Sherry Daswani

ANGELO STATE, ETA THETA—The Eta Theta Chapter celebrated its 25th anniversary by holding a Silver Anniversary Banquet at one of our local country clubs. In attendance were Executive Director Michael J. Mazur, Jr. and Brother Calvin Featherston, a member of the Eta Theta Chapter's first pledge class. This banquet proved to be one of our best banquets ever.

This academic year we increased the size of our chapter by initiating 26 new members including two Honorary initiates. These new members are sure to be an asset to the fraternity as a whole.

We have also been involved in several university sports programs. The programs include a softball team, bowling team, and participation in a campus wide competition called "Olympiad of Fools."

As for professional activities we took on a medical theme. Our activities ranged from "How to select a doctor?" to a Red Cross spokesperson. It proved to be a different and interesting look at the professional field of medicine.

The overall program of our chapter has been outstanding.

—Greg Anderson

DALLAS ALUMNI—Over the past year the Dallas Alumni Chapter has been working at achieving four main goals. Those goals were 1) locating Brothers in the Dallas-Fort Worth area and getting them more involved in chapter and national activities; 2) planning an 85th Anniversary Founder's Day Banquet and Casino; 3) recruiting more alumni members for our "Alumni Speakers Board"; and 4) assisting in the colonization of new chapters in the region. All of the goals have been met with some degree of success.

Through a mass mailing program, the Dallas Alumni Chapter has increased its membership roster to date by 25 to 30 percent. This program has also been a success in updating fraternity records with correct addresses and career information on Brothers in the Dallas area. Our second goal has been completed and

the Dallas area cordially invite all members to Dallas on November 7, 1992 for its 85th Anniversary Founder's Day Banquet and Casino Night. The event will be held at the Holiday Inn Crown Plaza on IH635 and Midway Road. Tickets are \$30 per person with RSVP's due by October 15, 1992. Special room rates are available for Deltasigs. Please call Todd Granberry (214-343-0854) for reservations and further information regarding room rates.

The Dallas Alumni Chapter is also interacting with the collegiate chapters. This summer we are holding a lake party for the collegiate members and new initiates. We continue to do community service projects with Children's Medical Center, May fest, Multiple Sclerosis and Special Olympics. If you would like more information on the "Speakers Board" or would like to be a speaker, please call Dana Hill at 214-380-6167.

—Todd Granberry

GREAT LAKES REGION

MARQUETTE, DELTA—The 1991-92 school year was a great success for Delta Chapter. From our alumni gatherings, tour of the Chicago Board of Trade, ski trip in Michigan, a chance to hear the mayor of Milwaukee John Nordquist speak, to our wide range of social events we managed to have a busy year. We were able to raise funds in projects such as direct mail and a series of telephone calls to incoming students entering the College of Business Administration. For service, tutoring kids at the YMCA gave individuals a sense of strengthening our community.

The summer has been a time of planning to make the upcoming school year just as successful as last year. We were also able to have seven Brothers study abroad in Europe this summer. We look forward to the 1992-93 school year. Best of luck to our new chapter officers.

—Merideth A. Naughten

NORTHERN ILLINOIS, ETA MU—The Brothers of Eta Mu Chapter were kept on their toes this year. We started with a new positive outlook after several Brothers returned to DeKalb with new ideas from Grand Chapter Congress. Our recruiting efforts as usual brought us quality pledges and our new initiates from fall and spring pledge classes have brought a rejuvenating motivation to our chapter.

Our eventful year began with one of many fundraisers. The chairman was very busy organizing car washes, T-shirt sales, raffles and various other activities to raise funds.

On the social side, we held our semi-annual informal dance and our annual spring formal, Rose Dance. We always look forward to these events for many alumni come back to visit. Our inter-chapter relations were strengthened as we travelled anywhere we could; including Marquette, University of Illinois and St. Louis.

Your Chapter Speaks

The members of Iota Omicron Chapter gather after a recent meeting.

The Community Committee contributed to our busy schedule with blood drives, volunteer work for the local YMCA, Salvation Army bell-ringing, University Campus clean-ups, Toys for Tots and Junior Achievement. The Vice President for Professional Activities had her hands full bringing interesting speakers such as a former chapter president and a well-known entrepreneur.

The Greek system on campus is getting to know the Deltasigs a little better. We were involved in campus Homecoming and other events.

—Marilou Familiar

WISCONSIN-LA CROSSE, ETA RHO—It has been another fantastic year for the Deltasigs at the University of Wisconsin-LaCrosse. The Eta Rho Chapter has been very successful at promoting Brotherhood and cohesiveness within our fraternal chapter. This year, we graduated 15 top notch business professionals and recruited 13 exciting new Brothers. We enjoyed showing off our school, as well as the Eta Rho Chapter to our Brothers when we hosted OTiS in La Crosse, Wisconsin.

Our primary objective during the academic year was to increase membership and the general awareness of Delta Sigma Pi. Recruiting efforts have been tremendous. Our new theme "Don't just start a semester, start a future with Delta Sigma Pi" was promoted in the Delta Sigma Pi display case on campus, and was successful in drawing the attention of business students. Our community involvement has been strong with activities ranging from helping at the area boys and girls club, to running social events at a local nursing home.

We had an excellent professional program which emphasized the "real world" theme. Our program included a seminar on successful interviewing tactics, tours to Piper, Jaffray & Hopwood and First Wisconsin Bank, and a number of speakers.

The Eta Rho Chapter would especially like to applaud the efforts of some recent Eta Rho alumnus who are trying to organize a Madison area alumni chapter.

—Brian J. Binsfeld

MIDWESTERN REGION

KANSAS, IOTA—The 1991-92 school year was terrific, with 37 total members being initiated into Iota Chapter. Iota Chapter emphasized community involvement by hosting an awards banquet and an Easter egg hunt with the boys and girls of Lawrence. The events were as fun for the children as they were for us.

Many of our members participated in the formation of Mu Upsilon Chapter at Baker University. Several volunteers helped with initiation and our chapters look forward to working together next year.

Closing this year, we held our annual softball game against engineering students and joined many of our alumni in the annual Farm Party in Missouri.

—Scott LaPuke

MISSOURI-COLUMBIA, ALPHABETA—Alpha Beta Chapter kicked off the school year with a very successful recruiting program which resulted in the initiation of 28 new members at the end of the semester. Throughout the semester the chapter was involved in a variety of activities. We sponsored a refreshment stand at all Mizzou home football games as a fundraiser, and also sponsored two community service projects: Meals on Wheels and the Adopt a Family program.

Our professional activities in the fall included speakers from State Farm Insurance, the Dale Carnegie Institute, and KMIZ-TV. We were also honored to have Wendall Bailey, Missouri State Treasurer, as a guest speaker lecturing on government and business. Chapter members traveled to Herman, Missouri, in October for a professional tour of the Herman Winery and learned about wine production and the distribution process.

We look forward to attending the Undergrad Weekend in St. Louis and welcoming the Iota Nu Chapter to Columbia for a day of fun-filled activities and a professional tour of KMIZ-TV.

—Stacy Duckworth

MISSOURI-ST. LOUIS, ETANU—Eta Nu Chapter has been quite busy. Among our commu-

nity service activities were a clothes drive for the needy, sponsorship of a Red-Cross Blood Drive, and distribution of our hand-made Easter baskets to children in the St. Louis area. Our Lecture Series went very well, having the pleasure of over six lecturers speak on a wide variety of business topics, and we managed to fit a Federal Reserve tour in also. Fundraising took on many forms, such as pizza sales, a car wash, raffle ticket sales, and "grab bags" sold at parties. Brothers and guests enjoyed a wonderful evening of excitement and elegance when our annual Rose Ball Dance was shared with the Alpha Tau Pledge Class' Initiation Banquet—it was twice as enjoyable.

—Pete L. Manzo

NORTHEAST MISSOURI STATE, IOTA NU—

Iota Nu Chapter started the 1991-92 school year with 24 Brothers attending Grand Chapter Congress. After returning to Missouri, everyone was motivated and excited. The fall pledge education program was successful with 14 initiates. Our professional program was also a success with several speakers and a tour of a local business.

The spring semester got under way with an exciting community service program as we directed our efforts toward the people in the community. The Brothers of Iota Nu Chapter helped with the YMCA youth night, read books to children at the county library, helped beautify the State Park, and did a walk/run for our annual Cystic Fibrosis fundraiser.

To end the year with a bang, the Professional Committee put together an Etiquette Seminar. The seminar was a huge success, both with the student body and the faculty.

The Brothers of Iota Nu Chapter spent the summer in activity as well. We hosted a camping/float trip in June, with another chapter, a summer reunion in July, and the Fourth of July saw the Brothers of Iota Nu Chapter getting a head start on fundraising by working in the concession stands at the VP Fair in St. Louis, Missouri.

CENTRAL MISSOURI STATE, IOTA OMI-

CRON—This year has brought a lot of change for the Iota Omicron Chapter. At the start of the year, we gathered at summer retreat and created a list of goals to specify our purpose and direct our activities.

We felt that because of the large number of graduating seniors during the 1991-92 school year, we should concentrate on recruiting. Our goal was to initiate 40 new members by the end of this academic year, thus surpassing our average recruitment by 33 percent. To date, we have initiated 26 members, and 15 additional candidates are hoping for initiation in the near future.

Professional activities were also an area of concern for the chapter, but it should not have been so. We were shooting for 15 professional activities this year, to include two field trips and one campus wide event. So far, the Professional Activities Committee has hosted eight speakers, two professional film nights, two field trips and one campus wide forum. We also have three speakers and one more campus

Your Chapter Speaks

wide event yet to take place. We are especially proud that these events have covered a wide range of topics to involve everyone in the fraternity, the College of Business and Economics and the university.

In addition to these short term goals, we set out as a chapter to actively pursue an open relationship with the faculty, other business organizations and the College of Business and Economics. In this area, we have certainly seen slow but sure accomplishment. And lastly, we wanted to strengthen the bond of communication between Delta Sigma Pi alumni, faculty members and collegiate Brothers of the Iota Omicron Chapter. This is certainly where all our concerns are the same.

—Anne C. Rackers

SOUTHWEST MISSOURI STATE, KAPPA OMI-CRON—This past school year began with the chapter celebrating its 10 year anniversary in the fall of 1991. The afternoon barbecue, Southwest Missouri State University Homecoming football game, and the dinner and dance proved to be a very successful weekend. We really enjoyed meeting the alumni who were able to attend the event.

Over the past two semesters, Kappa Omicron Chapter has initiated 51 new Brothers into Delta Sigma Pi. In the spring of 1992, we continued a strong professional program which included Colon Washburn, Executive Vice-President of Sam's Wholesale Club, who spoke about the growth and future plans of Sam's. For the out-of-town tour, 70 percent of the chapter went to Dallas and toured ARCO, EDS, Texas Instruments, and the World Trade Center. In addition, two enjoyable evenings were spent at the very entertaining Dallas Alley.

Members of Kappa Omicron Chapter, along with some puppies from the Humane Society, visited and entertained the elderly at a local retirement home. To add something different to our fund-raising events, we sold, made, and delivered pizzas which turned out to be quite profitable.

Overall, it has been a good year for Kappa Omicron Chapter, and the chapter has experi-

enced and learned a great deal. We will continue to improve on Brotherhood, communication, and cohesion within the chapter.

—Dennis B. Schulte

GULF WESTERN REGION

TEXAS, BETA KAPPA—Beta Kappa Chapter completed an extremely successful Spring 1992 semester. The chapter undertook strong social, professional, and community programs. Also, 16 new initiates joined the chapter.

On the social and community activity fronts there were several major events. The chapter, in conjunction with the Pi Beta Phi social sorority, held a charity "volleybrawl" tournament, which generated funds for the American Diabetes Association. The Brothers also participated in the local Special Olympics.

Professionally, the Brothers of the Beta Kappa Chapter maintained an active schedule. Several Austin area businessmen and attorneys spoke before the chapter at weekly meetings. Additionally, members took a trip to a local area brewery to see its operations.

All in all, Beta Kappa Chapter completed one of its most rewarding semesters. The Brothers look forward to another positive semester in the fall.

—John Sepehri

HOUSTON, ETA PSI—During Winter Break, the chapter prepared and hosted the Regional Conference which brought together Brothers in our region. We welcome the seven new Brothers and wish good luck to the those who graduated. This semester was filled with many professional activities including speakers on environmental law and humor in advertising. Our community service projects included volunteering time with the March of Dimes and College of Business Administration. The chapter also enjoyed participating in the 22nd Annual Softball Tournament and the AMA Volleyball Tournament where the team placed third.

—Adria V. Gonzales

SAINT EDWARD'S, THETA OMEGA—Theta Omega Chapter has wrapped up yet another successful year. We started the fall semester with the distinction of being selected the Most Improved Chapter in the Gulf Western Region. Several of our members attended the Grand Chapter Congress, and brought back new ideas for us to work with, the results were easy to see.

Our professional program was the strongest ever. We combined a terrific mix of tours and noted speakers such as James Avery with a widely varied community service program, which was capped by the chapter's joining the Adopt-A-Highway program.

Through aggressive and innovative recruiting, Theta Omega Chapter welcomed a total of 17 new Brothers into our chapter this year. Both our fall and spring initiations were held jointly with the Mu Omicron, Zeta Nu, and Iota Psi Chapters, and provided an excellent opportunity for old and new Brothers to meet.

Finally, Theta Omega Chapter ended the year with a region-wide celebration commemorating the Twentieth Anniversary of our chapter. Here's to another twenty years of Brotherhood!

—Kristen Bell

NORTH CENTRAL REGION

IOWA, EPSILON—The Brothers of Epsilon Chapter celebrate the conclusion of another successful academic year. Eight Brothers graduated with honors this spring and a total of 40 initiates have been added to the chapter. After having the pleasure of hosting the North Central Regional Volleyball/Basketball Tournament in February, Epsilon Chapter was able to make a generous donation to the Johns Papajohn Pavilion, which is the new business building currently under construction. Thanks to all collegiate and alumni Brothers who participated.

Community service projects this year have included Adopt-A-Park Clean-up, participation at a Big Brother/Big Sister bowling tournament, volunteer work at the Children's Miracle Network Telethon, and our continued efforts at Highway clean-up.

Professional activities this semester included keynote speaker Jay Clark, President of National Computer Services, who spoke on the topic of information literacy. We also continued the theme of "Broadening Our Business Horizons" with a trip to St. Louis, Missouri. This two day adventure included both speakers and tours at the Federal Reserve Bank of St. Louis and Anheuser-Busch Inc.

The Brothers of Epsilon Chapter also welcomed the initiation of Economics Professor John Solow as our Chapter Advisor. We expect to continue our ten year tradition as "The Best Business Organization" on campus with chapter goals of increasing cooperation and communication.

—Derek J. Stepanek

Eta Psi Chapter members during their Semester Banquet and Dance.

Your Chapter Speaks

NEBRASKA-LINCOLN, ALPHA DELTA—Alpha Delta Chapter started a fun spring semester by traveling to the Regional Volleyball/Basketball Tournament in Iowa City where we had teams in both events. Plus, Lincoln was chosen for the site of the 1993 regional tournament tentatively set for the weekend of February 20th.

At our initiation in April, 15 new members were initiated into Alpha Delta Chapter and we hope to see great things from them.

On St. Patrick's Day we had cookies, cake and punch for the faculty of the College of Business. And finally, on a cold, windy day in April we held our Alumni/Collegiate picnic where we braved the elements and had a fun time grilling franks and burgers.

—Frederick J. Ostdiek

MINNESOTA, ALPHA EPSILON—This past year has been very challenging and exciting for Alpha Epsilon Chapter. A total of 19 new Brothers were initiated. Participation in community service and professional activities has strengthened the fraternal bond. Community service for the past year has included: Bowling for Kidsake, cleaning a local church, and playing bingo with the elderly. We all are very satisfied with the effort we have given to our community. Not only has serving our community been a strong part of this past year, but our professional activities have also brought timely knowledge to our chapter. Professional tours have been conducted at companies such as Rosemont and IDS, accompanied with speakers from Upjohn, Prudential, and NordicTrak. In conclusion, we have detailed several ways to conduct an extremely successful recruiting campaign for this fall which includes a spaghetti dinner, information sessions, and a rush party. This should lead to a large and prosperous pledge class.

—Jennifer A. Das

SOUTH DAKOTA, ALPHA ETA—Alpha Eta Chapter was a recipient of The Outstanding Organization of Organizational Leadership Award for the 1991-92 academic year. The activities we were involved in helped us in obtaining this award.

Our Brothers sponsored a profitable T-shirt sale, an enjoyable field trip to Canada, as well as an informative professional dress style show/seminar. In addition to these events, we were enthused to listen to Bob Spears of the fastest growing company in the United States—Gateway 2000 and relaxed to listen to Matt Stricherz discuss effective stress management techniques.

Alpha Eta Chapter initiated 12 new Brothers this semester, all of which will help us strive to attain Honor Roll status for the third year in a row and repeat as the outstanding student organization next year!

—Gary Schlenker

DRAKE, ALPHA IOTA—The Brothers of the Alpha Iota Chapter initiated 30 new members during the past year. Both semesters were jam-packed with a variety of activities including on-going relations with the Chi Upsilon Colony

at Iowa State University and preliminary research on forming an alumni chapter for central Iowa.

One of our professional speakers was Charles Keegan, Chief Strategist for the Kuwaiti Investment Group, who was taken hostage during the Iraqi invasion. We were proud to name him Alpha Iota Chapter's first Honorary Member. We toured many local businesses throughout the year and some not so local. Six of our Brothers spent Spring Break in Toronto, Canada, and visited the Toronto Skydome, the Upper Canada Brewing Company and the Toronto Stock Exchange.

Alpha Iota Chapter is eager to begin another successful year and we wish you all the best of luck in 1992-93.

—Shannon M. Meyer

MANKATO STATE, EPSILON IOTA—The past year has been one of excitement, Brotherhood, and change. Early in the fall quarter the chapter established high goals, and Brotherhood strived on stretching to obtain these great expectations.

The fraternity's enthusiasm showed with numerous social, professional, fundraising, and community service events. Social events consisted of a treasure hunt, hayride, and luau party. Professionally, we participated in several tours including 3M, Piper, Jaffray, and Hopwood, and Kare II. In addition, we listened to many exciting speakers, including topics such as our local Riverfront 2000 Project, dressing for interviews, and insurance planning for the future. Our biggest fundraising events were pizza and pie sales, credit card sales, and T-shirt sales at Mankato State's Homecoming. Community service allows us to put something back into the community we share, and the Epsilon Iota Chapter did so by participating in a variety of telethons, adopting a section of the highway, and sponsoring a Valentine's party for a local nursing home. Building a strong positive image for Delta Sigma Pi in our community was one of our highest ranking goals.

Change was implemented in several key areas. A new pledge program was enacted, which extended the old program from six to eight weeks and added a community service event to the requirements. This year we concentrated more on scholarship by awarding a Scholarship Key, and developing a scholarship program for an outstanding Brother. We are exceedingly proud of our accomplishments.

—Kimberly S. Gilbertson

SAINT CLOUD STATE, THETA TAU—The Brothers of Theta Tau Chapter are very proud of the success which was achieved during the past school year. This is well represented by the successful initiation of 17 new Brothers over the year.

Theta Tau Chapter also held a wide variety of professional activities. Some of the more interesting tours included Cray Research, Saks Fifth Avenue, Land-O-Lakes, the Grain Exchange and the Hubert H. Humphrey Metrodome.

The Executive Committee of Kappa Upsilon Chapter begin plans for their 10th anniversary

Community Service was especially strong during the past year. Our annual Caritas food drive held during October was a great success. Theta Tau Chapter also adopted a two and one-half mile stretch of highway which we will clean several times a year. Last March, the Brothers of Theta Tau Chapter became Big Brothers for a day, as unmatched boys and girls from the Big Brothers/Big Sisters organization joined us for the St. Patrick's Day games.

The support of our faculty has always been very important to the Brothers of Theta Tau Chapter. Unfortunately, the BEOA department at St. Cloud is closing and we are forced to say goodbye to two of our faculty Brothers. We would like to express our deepest appreciation and give our sincere thanks to Dr. Debra Kellerman and Dr. Larry Pagel. You will both be missed.

—Christopher H. Clark

WINONA, KAPPA UPSILON—This past year has been a very busy one for the members of Kappa Upsilon Chapter. We attended numerous events, such as, the installation of the Iowa State colony, our regional volleyball and basketball tournament, area conference, and OTiS. We were also fortunate to have C. Dean Ferguson visit us on April 9th, which was our chapter's 9th birthday. Our new executive board is working hard to organize our 10th anniversary celebration to be held in April of 1993.

We hope that all of our alumni and other chapters will help us celebrate this event. We initiated 19 new Brothers plus one Honorary initiate this past year. These new Brothers are making their presence known and are working hard to replace the 13 members that graduated this past spring.

Our professional program is as strong as ever. We toured the Mayo Clinic, Arthur Anderson, Ralston Purina, and many local companies throughout this past year. We have also been very active with our community service. We have attempted to develop programs that will be beneficial not only now but also in the years to come.

—Julie a. Schmitz

Alumni Notes

Ronald Cary Andujar, *Adelphi*, has a new position with The Chase Manhattan Personal Financial Services, Inc., as a Second Vice President in the position of Loan Processing Manager.

Steven Nadelbach, *Adelphi*, has a new position as Direct Handler with the Government Employees Insurance Company in Woodbury, New York.

TAKE DRUGS AND LOSE ALL YOUR FRIENDS.

If you think drugs cost a lot now, wait until after college. They could cost you a career. Last year alone, America's

businesses lost more than \$60 billion to drugs. So this year, most of the Fortune 500 will be administering drug tests.

Failing the test means you won't be considered for employment. And that's one hell of a price to pay.

WE'RE PUTTING DRUGS OUT OF BUSINESS.

Partnership for a Drug-Free America
